# INDEPENDENT AUDITOR'S REPORT

To the Trustees
Select Sires, Inc. 401(k) Plan and Trust
Plain City, Ohio

## Opinion

We have audited the accompanying financial statements of Select Sires, Inc. 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Select Sires, Inc. 401(k) Plan and Trust as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Select Sires, Inc. 401(k) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Select Sires, Inc. 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## *Auditor's Responsibility for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Select Sires, Inc. 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Select Sires, Inc. 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## *Supplemental Schedule Required by ERISA*

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at year end) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

## *Supplemental Schedule Required by ERISA - Continued*

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## *DESCRIPTION OF PLAN*

The following brief description of the Select Sires, Inc. 401(k) Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

### *General*

The Plan is a defined contribution retirement plan sponsored by Select Sires, Inc. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Beginning January 1, 1999, the Plan was opened to participation by other Select Sires members. Several of the Select Sires members have participated in the past, but have since left the plan. For the years ended December 31, 2024, in addition to the Select Sires employees, the Plan also covered employees of Minnesota Select Sires (collectively the Plan Sponsors). As a result, it is was considered to be a multiple employer plan in 2024, but became a single employer plan in 2025.

In October 2023, Minnesota Select Sires merged with 3 other cooperatives to become Select Sires Members Cooperative and as a result the board of Select Sires Members Cooperative elected to separate from the Plan effective December 29, 2023 when these participants will be eligible for their plan. There were rollovers from the Plan to the Select Sires Members Cooperative Plan of $6,103,813 in January 2024.

Effective July 1, 2017, Select Sires, Inc. acquired the assets of Tri-State Breeders Cooperative, doing business as Accelerated Genetics and Subsidiaries (“Accelerated Genetics”), at which time the Plan was amended to allow employees of Accelerated Genetics to be eligible to participate.

In August 2023, the plan sponsor signed a letter of intent to merge with another company. Management has not yet determined what impact, if any, this will have on the plan.

### *Eligibility*

An employee shall be eligible to participate in the Plan on the entry date (if employed) coincident with the date of completion of one year of service and attainment of age 19½.

### *Contributions*

To participate in the Plan, an eligible employee must enter into a contribution agreement with the employer authorizing the employer to deduct and withhold from such employee's compensation a specified amount, or percentage thereof, ranging from 1% to 50%, and to contribute such amount to the employee's account in the Plan. Participant contributions are immediately vested. Any employer may make discretionary and/or non-discretionary contributions to the Plan. Employer contributions are 100% vested after 3 years of service.

In accordance with Section 401(k) of the Internal Revenue Code, all amounts withheld from compensation and contributed to a participant's account, up to the maximum allowed, shall be excluded from gross income of the participant for federal income tax purposes.

### *Investment Options*

Upon enrollment in the Plan, a participant may direct contributions in any of the 28 investment options. Participants may change their investment options any time. The Plan Sponsors continually monitor the investment options and may make changes from time to time in an effort to provide the best return for the participants.

***DESCRIPTION OF PLAN - Continued***

***Payment of Benefits***
The form of payment under the Plan may be a lump sum distribution or periodic installment payments over less than ten years. A participant's account shall be payable to him or her, or in the event of death to a beneficiary, upon the earlier of disability, termination of employment or retirement date. Retirement date is upon attainment of age 65 or age 55 with at least five years of service.

***Administrative Expenses***
The Plan's administrative expenses are paid either by the Plan or the Plan Sponsors as provided by the Plan document. The Plan Sponsors absorb or reimburse the Plan for the majority of the administrative expenses.

***Notes Receivable from Participants***
Participants may borrow from their fund accounts up to a maximum of $50,000 or 50% of their vested account balance for a maximum of five years unless for a primary residence, for which the maximum is 15 years. The loans are secured by the balance in the participant's account and bear interest at local prevailing rates as determined by the Plan administrator.

***Forfeited Accounts***
Forfeitures represent the non-vested portion of employer contributions to accounts of former participants. The balance in the account at December 31, 2025 and 2024 was $30,906 and $24,379, respectively. These accounts are used to offset future employer matching contributions or to offset administrative fees. During the years ended December 31, 2025 and 2024, $33,533 and $25,697 respectively, of forfeitures were used to offset administrative fees.

***Plan Amendments or Terminations***
The Plan Sponsors reserve the right at any time to amend or terminate the Plan, provided that no such amendment or termination shall have the effect of giving the Plan Sponsors any right, or of reducing the rights of any participant, in the funds then held by the Trustee. No amendment to the Plan shall have the effect of eliminating or reducing a retirement benefit, or eliminating an optional form of benefit with respect to benefits attributable to service before the amendment.

***SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES***

The financial statements of the Plan are prepared on the accrual basis of accounting. Following are the significant accounting policies adopted by the Plan and used in the preparation of these financial statements:

***Investment Valuation and Income Recognition***
Investments in mutual funds are recorded at fair value based upon quoted market prices at year end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Cost of investments is determined using the average cost basis and is used when determining realized gains and losses upon disposition.

The common collective trust is valued at its net asset value per share (NAV), as reported in the trust's audited financial statements. The NAV is based on the fair value of the underlying investments held by the trust less it's liabilities, is readily determinable and available on a daily basis. Transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in

***SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued***

***Investment Valuation and Income Recognition - Continued***
order to ensure that securities liquidations at the then current NAV will be carried out in an orderly business manner. The common collective trust has a daily redemption frequency, a redemption notice period of one year and no unfunded commitments.

***Contributions***
Contributions are recorded as earned on the accrual basis when withheld from the participant's earnings and when discretionary contributions are allocated by the Plan Sponsors.

***Payment of Benefits***
Benefits are recorded when paid.

***Use of Estimates***
The preparation of the financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Although these estimates are based on the Plan administrator's knowledge of current events and actions it may undertake in the future, they may ultimately differ from actual results.

***Risks and Uncertainties***
The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate and market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

***PARTY-IN-INTEREST TRANSACTIONS***

Matrix Trust Company and Milliman, Inc. provide investment and record-keeping services to the Plan. BHM CPA Group, Inc. serves as the Plan's auditor. As a result, transactions with these parties qualify as party-in-interest transactions.

Certain administrative functions are performed by officers or employees of the Plan Sponsors. No such officer or employee received compensation from the Plan. Certain administrative expenses of the Plan are paid directly by the Plan Sponsor and are not charged to the Plan.

***REPORTABLE TRANSACTIONS***

The Plan's assets are participant-directed, and thus, the schedule of reportable transactions is not required.

***RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500***

No reconciliation was necessary for 2025 and 2024.

***INCOME TAX STATUS***

The Select Sires, Inc. 401(k) Plan and Trust became effective May 1, 1997. In its most recent determination letter, dated April 22, 2004, the Internal Revenue Service informed the Plan administrator and Plan Sponsors that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. The Plan administrator and trustees are not aware of any provision, action or event that has occurred that might affect the Plan's qualified status.

The Plan complies with Accounting Standards Codification (ASC) 740-10 related to uncertain tax positions. This standard prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken on a tax return. Plan administration is not aware of any tax positions taken by the Plan that it considers to be uncertain. Tax returns for the years ended 2022, 2023 and 2024 are open and subject to examination by the Internal Revenue Service.

***FAIR VALUE MEASUREMENTS***

The Plan complies with ASC 820, *Fair Value Measurements and Disclosures*, to account for and report fair value. ASC 820 provides a single definition of fair value, a framework for measuring fair value and expanded disclosures concerning fair value. It also defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date.

Fair value of certain assets and liabilities are determined based on the fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The standard describes three levels within its hierarchy that may be used to measure fair value which are:

***Level 1***
Values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

***Level 2***
Values are based on quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

***Level 3***
Values are generated from unobservable inputs that are supported by little or no market activity and that are a significant component of the fair value of the assets or liabilities. These unobservable inputs would reflect management’s estimates of assumptions that market participants would use in pricing related assets or liabilities. Valuation techniques might include the use of pricing models, discounted cash flow models or similar techniques.

A financial asset or liability’s classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the classification of fair value assets and liabilities within the fair value hierarchy levels.

***FAIR VALUE MEASUREMENTS - Continued***

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

| | | Fair Value Measurements Using: | | |
|---|---|---|---|---|
| | **Fair Value** | **Level (1)** | **Level (2)** | **Level (3)** |
| ***December 31, 2025*** | | | | |
| Debt and equity mutual funds | $ 15,194,966 | $ 15,194,966 | $ - | $ - |
| Target date funds | 20,209,139 | 20,209,139 | - | - |
| Total mutual funds at fair value | 35,404,105 | $ 35,404,105 | $ - | $ - |
| Common collective trust | 1,782,871 | | | |
| Total investments at fair value | $ 37,186,976 | | | |
| ***December 31, 2024*** | | | | |
| Debt and equity mutual funds | $ 13,539,377 | $ 13,539,377 | $ - | $ - |
| Target date funds | 15,452,587 | 15,452,587 | - | - |
| Total mutual funds at fair value | 28,991,964 | $ 28,991,964 | $ - | $ - |
| Common collective trust | 3,006,419 | | | |
| Total investments at fair value | $ 31,998,383 | | | |

The fair value of debt and equity mutual funds and target date funds are publicly traded and are valued at their trading price at year end. As a result, they are considered Level 1. Target date funds are mutual funds that have a risk profile that adjusts to a more conservative strategy as the fund nears the target date.

In accordance with Accounting Standards Update (ASU) 2015-07, certain investments that are measured at fair value using the NAV practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for plan benefits.
