Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Arnoff Moving & Storage, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Arnoff Moving & Storage, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Arnoff Moving & Storage, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Arnoff Moving & Storage, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Arnoff Moving & Storage, Inc. 401(k) Profit Sharing Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Arnoff Moving & Storage, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 Plan Description

The following description of the Arnoff Moving & Storage, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the participating companies, as listed below, who have attained age nineteen and have completed six months of service. The Plan allows automatic entry of new employees into the Plan on a rolling basis upon meeting the service and age requirements. The following companies (collectively referred to as the "Company") participate in the Plan: Arnoff Moving & Storage, Inc.; Arnoff Moving and Storage of Albany, Inc.; Arnoff Storage, Inc.; and Arnoff-Stewart Liner Transportation Corp. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants in the Plan may contribute up to 90% of their annual compensation as defined by the Plan Document, subject to annual statutory limits determined by the Internal Revenue Code ("IRC"), through pre-tax 401(k) or Roth 401(k) salary reductions. Upon meeting the service and age requirements, eligible employees will automatically have 4% of compensation (as defined by the Plan Document) contributed to the Plan unless otherwise elected. Participants may also rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions in accordance with provisions of the IRC. Beginning in 2025, participants ages 60 through 63 are eligible to make increased catch-up contributions subject to IRC limits. Participants direct the investment of their contributions into various investment options offered by the Plan. Automatically enrolled participants have their deferral amounts and other contributions invested in a designated balanced fund until changed by the participant.

The Company may make a discretionary matching contribution equal to a uniform percentage of participant salary deferrals. Each year, the Company will determine the amount of the discretionary percentage. Participants must have attained age nineteen and have completed one year of service to receive the matching contribution. Participants who are not employed at the end of the Plan year will not share in the allocation of the matching contribution, regardless of service. No matching contribution was made for the years ended December 31, 2025 and 2024.

Additionally, each year, the Company may make a discretionary profit-sharing contribution to the Plan. Participants must have attained age nineteen and have completed one year of service (1,000 hours of service during the Plan year) to receive the profit-sharing contribution. Participants who are not employed at the end of the Plan year will not share in the allocation of the profit-sharing contribution, regardless of service. For each of the years ended December 31, 2025 and 2024, the Company made a profit-sharing contribution of $125,000 and $130,000, respectively, to the Plan, less forfeited balances in the amount of $6,702 and $5,020, respectively.

Note 1 Plan Description (continued)

Participant Accounts
Each participant's account is credited with the participant's contributions, as well as employer discretionary matching and profit-sharing contributions, and Plan earnings or losses net of investment expenses. Participant accounts are charged with direct expenses and an allocation of certain Plan expenses. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants are immediately vested in their salary reduction contributions and rollover accounts plus actual earnings thereon. Participants are vested in the Company's discretionary matching contribution and discretionary profit-sharing contribution based on years of service. Such contributions, if any, vest in accordance with the Plan's vesting schedule. Regarding the Company's discretionary matching contribution, participants are 20% vested after two years of service and vest 20% each year thereafter with 100% vesting after six years of service. Regarding the Company's discretionary profit-sharing contribution, a participant is fully vested after three years of credited service.

Notes Receivable from Participants
Participants may borrow from their fund accounts a minimum of $500 up to a maximum of the lesser of $50,000 or 50% of their vested account balance. Participants may have a maximum of two loans outstanding at any time. Loan terms range from one to five years, however if the loan is for the purchase of a principal residence, the plan administrator may permit a longer repayment term. Loans are secured by the balance in the participant's account and bear interest at the prime rate plus one percent, which is fixed at the time of the loan. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits
On termination of service due to death, disability, retirement, or severance of employment, a participant may elect to receive either a lump-sum amount equal to the participant's vested interest in his or her account, a partial withdrawal, or in installments over a period not greater than the participant's or the participant's beneficiary's assumed life expectancy determined at the time of distribution. Participants are eligible for in-service distributions from their 401(k) and profit-sharing accounts upon attaining the age of 59½ years. In the event of a serious financial hardship, participants may withdraw a portion of their participant accounts not to exceed the amount required to meet the immediate need. Additionally, during 2025 the following distribution types were added to the Plan for eligible participants: emergency expense withdrawals and birth and adoption distributions.

Forfeited Accounts
Forfeited non-vested account balances may be applied to reduce future employer contributions or to pay administrative expenses. For the years ended December 31, 2025 and 2024, unallocated forfeited non-vested amounts totaled $10,210 and $7,681, respectively.

Note 2 Summary of Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Accounting Methods
Net assets available for benefits and changes in net assets available for benefits differ from that reported on the Internal Revenue Service ("IRS") Form 5500, *Annual Return/Report of Employee Benefit Plans*. This difference is the result of using the cash basis for governmental reporting purposes and the accrual basis for financial reporting purposes. See Note 9 for a reconciliation of the financial statements to Form 5500.

Estimates
The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the years.

Payment of Benefits
Benefits are recorded when paid.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as charges to participant accounts. If a participant ceases to make scheduled loan repayments, the plan administrator may deem the participant's loan to be in default and the participant's loan balance may be reduced, with a benefit payment recorded.

Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid directly by the Company are excluded from these financial statements. Fees related to the administration of certain participant account transactions are charged directly to the respective accounts and are included in administrative expenses. Investment-related expenses are included in the net appreciation in fair value of investments.

Note 3 Information Certified by the Plan's Trustee

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, dividend income, and interest income on notes receivable from participants for the years ended December 31, 2025 and 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustee of the Plan, Reliance Trust Company.

Note 4 Fair Value Measurement

The Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement,* establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Note 4 Fair Value Measurement (continued)

The following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the Fund. Mutual funds held by the Plan are open-end mutual funds that are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual Funds	**$ 9,746,050**	**$ -**	**$ -**	**$ 9,746,050**
Total investments at fair value	**$ 9,746,050**	**$ -**	**$ -**	**$ 9,746,050**

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 9,245,478	$ -	$ -	$ 9,245,478
Total investments at fair value	$ 9,245,478	$ -	$ -	$ 9,245,478

Note 5 Tax Status

The Plan is an adoption of the ADP, LLC Non-Standardized Defined Contribution Pre-Approved Plan for which the IRS has determined and informed ADP, LLC by an opinion letter dated October 6, 2020, that the Pre-Approved Plan was designed in accordance with the provisions of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Note 5 Tax Status (continued)

GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7 Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their account balance. The net assets of the Plan will be allocated as prescribed by ERISA and regulations, pursuant thereto.

Note 8 Party-in-Interest Transactions

A party-in-interest is defined under DOL regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer and certain others. As described in Note 2, certain fees are paid from the Plan's assets and therefore qualify as party-in-interest transactions. Certain Plan investments are shares of mutual funds managed by Reliance Trust Company. Reliance Trust Company is the Trustee and ADP is the recordkeeper, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Fees incurred by the Plan for investment management services are included in the net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. If the revenue received by ADP for investment management services from mutual funds exceeds the fees due under the Master Plan Services Agreement between the sponsor and ADP, ADP remits the excess to the Plan's trust. Those amounts may be applied to pay Plan administrative expenses or allocated to participant accounts.

The Plan makes loans to participants and therefore, these transactions qualify as party-in-interest transactions.

Note 9 Reconciliation of Financial Statements to IRS Form 5500

The following is a reconciliation of amounts reported in the financial statements to amounts reported on Form 5500, Schedule H as of December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	**$10,050,987**	$ 9,560,405
Employer contributions receivable	**(118,298)**	(124,980)
Employee contributions receivable	**-**	-
Participant notes receivable	**(27,766)**	(25,960)
Net assets available for benefits per Schedule H of Form 5500	**$ 9,904,923**	$ 9,409,465

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Schedule H of Form 5500:

	2025	2024
Change in net assets available for benefits per the financial statements	**$ 490,582**	$ 1,640
Change in employer contributions receivable	**6,682**	(16,552)
Change in employee contributions receivable	**-**	23,790
Benefits paid to participants	**(1,806)**	(1,325)
Change in net assets available for benefits per Schedule H of Form 5500	**$ 495,458**	$ 7,553

Differences result from the use of the accrual basis for recognition of employer and employee contributions receivable for the financial statements, versus the use of the cash basis for recognition of this item in the governmental Form 5500, Schedule H. A difference also resulted from the use of tax reporting methods for recognition of loan defaults versus the use of the accrual basis to recognize participant loan defaults in the financial statements.

Note 10 Subsequent Events

The Plan has evaluated subsequent events through October 14, 2026, the date on which the financial statements were available to be issued.

During January 2026, the Plan was amended to change the eligibility requirements for elective deferrals making the age requirement eighteen years of age and making the service requirement three months. Additionally, in July 2026 the Plan was amended to add an auto escalation feature of 1% on the anniversary date of the participant entering into the Plan, up to a maximum of 10%.
