Management, having determined it is permissible in the circumstances, has elected to have the audit of IKE Gaming, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of IKE Gaming, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about IKE Gaming, Inc. 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of IKE Gaming, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about IKE Gaming, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedules as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statement themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

IKE GAMING, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025

NOTE 1 - DESCRIPTION OF PLAN

The following description of IKE Gaming, Inc. 401(k) Plan (the Plan) provides only summarized information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under section 401(k) of the Internal Revenue Code (IRC) established for the benefit of eligible employees of IKE Gaming Inc. (the Employer, Company, or Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration of the Plan

The custodian of the Plan is Reliance Trust Company. The custodian holds all assets of the Plan in accordance with the service provider contract with the Company. The Plan administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

Employees of the Company are considered eligible for participation, except for: (1) nonresident aliens; (2) employees covered by a collective bargaining agreement; (3) leased employees. Participants are enrolled once they reach the age of 21 and have been employed for at least 6 months.

Contributions

Participant Contributions - Each year, participants may elect to defer as pre-tax contributions to what is known as a regular Section 401(k) deferral, up to 90% of compensation, as defined by the Plan, subject to limits established by the Internal Revenue Service (IRS). Participants who have attained the age of 50 before the close of the Plan year may make "Catch-up" contributions, also subject to the limits established by the IRS. Participants are also allowed to contribute amounts representing distributions from other qualified plans (rollovers from other qualified plans).

Employer Contributions - Discretionary matching contributions will be contributed at 100% of employee contributions up to 3% of the employee's eligible compensation.

Contributions are subject to certain other limitations in accordance with the IRC.

Participant Accounts

Each participant account is credited with the participant's contribution, the Employer's required contributions, allocations of Plan earnings and losses, and is charged with an allocation of administrative expenses. Allocations are based on participant eligible compensation, or specific participant contributions, or account balances, as defined. The benefit to which participants are entitled is the vested portion of their accounts.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Vesting/forfeiture
Participants are immediately 100% vested in their contributions to the Plan.

employer contributions to the Plan vests over the following period of employee service:

Years of Service:	Percentage Vested:
1	0%
2	25%
3	50%
4	75%
5	100%

If a participating employee terminates employment for any reason other than attainment of Normal Retirement Age and retirement, death or disability, that portion of his or her account attributable to Company matching contributions which has not vested will be forfeited. All forfeited amounts are used to pay Plan administrative expenses or to reduce future Company matching contributions. During 2025, employer contributions were reduced by $64,484 from forfeited nonvested accounts.

Notes Receivable from Participants
Participants may borrow a minimum of $1,000 to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loans may have a minimum term of one month and a maximum term of sixty months. Home loans may have a minimum term of one month and a maximum term of thirty years. Interest on loan balances is the prime rate plus 1%. Loans may not be made of employer contributions and/or investment return allocated thereto. Participant loans are collateralized by their account balances.

As of December 31, 2025 and 2024, the loans secured by the participants' accounts amounted to $34,987 and $5,865, respectively.

Payment of Benefits
Upon termination of service a participant may elect to receive an amount equal to the value of the participant's account in either a single lump-sum benefit payment or a qualified joint survivor or single annuity, unless the participant's account is $1,000 or less, in which case only a single lump-sum benefit payment is available to the participant. Under certain circumstances, participants may receive a hardship or in-service benefit payment, prior to termination, for a part or all of their vested account balance as set for in the Plan.

Compensation
Eligible participants may contribute a portion of their compensation to the Plan, subject to the limits set forth in the Internal Revenue Code. For purposes of the Plan, compensation generally includes W-2 wages paid to a participant by the Company.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Retirement

Participants are eligible to begin receiving distributions upon retirement, disability, death, or other qualifying events as defined in the Plan. The normal retirement date under the Plan is the date a participant reaches age 65, regardless of years of service. An early retirement date is not applicable under the plan. Distributions made prior to the normal retirement date may be subject to additional tax penalties and plan limitations. Employer matching contributions, if any, and employee elective deferrals are fully vested upon normal retirement, as defined in the Plan document.

Death and Disability Benefits

In the event that a Participant in the Plan becomes deceased the Participant becomes 100% vested, and the balance of that Participant's vested interest is paid to listed beneficiary. In the event that a Participant in the Plan becomes disabled that Participant will become fully vested and the Participant's interest in the plan will become eligible for distribution.

Hardship Distribution

If a Participant falls under a qualifying hardship event the Participant may be eligible to make withdrawals in the amounts needed to satisfy certain immediate and heavy financial needs. Hardship qualifying events under the Plan relate to any medical, residential, burial, and tuition expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investments Valuation and Income Recognition

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

Participant contributions and any related employer matching contributions are recognized in the period during which the Company makes the respective payroll deduction from the participant's compensation.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits
Benefits paid to participants are recorded when paid.

Administrative Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to participant-initiated transactions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events
The Plan has evaluated subsequent events through October 15, 2026, which is the date the financial statements were available to be issued. IKE Gaming, Inc. 401(k) Plan is not aware of any material subsequent events.

NOTE 3 - FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides for a fair value that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes to methodologies used as of December 31, 2025 and 2024. The following is a description of the valuation methodologies used for assets measured at fair value.:

Registered Investment Companies - These investments are separate accounts that are registered with the SEC. These investments are valued at the NAV which is based on the fair value of the underlying investments held by the fund less its liabilities. The NAV is published daily. Units in the registered investments are revalued daily to reflect performance of the underlying investments minus any fees and charges, and transactions occur at this published price. Valued at the quoted Net Asset Value ("NAV") of shares held by the Plan at year-end. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified as Level 1.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis:

December 31, 2025	**Total**	**Level 1**	**Level 2**	**Level 3**
Registered investment companies	$ 1,937,530	$ 1,937,530	$ -	$ -
Total Investments, at fair value	$ 1,937,530	$ 1,937,530	$ -	$ -

December 31, 2024	**Total**	**Level 1**	**Level 2**	**Level 3**
Registered investment companies	$ 705,614	$ 705,614	$ -	$ -
Total Investments, at fair value	$ 705,614	$ 705,614	$ -	$ -

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY THIRD-PARTY SERVICE PROVIDERS

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, related to investments from participants held as of December 31, 2025 and 2024, and net appreciation (depreciation) in fair value investments, and interest and dividends for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company and ADP, a qualified institution.

The Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to this certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

The following table shows the balances certified by the custodian on December 31, 2025 and 2024:

	12/31/2025	12/31/2024
Registered investment companies	$ 1,937,530	$ 705,614
Appreciation of investments	144,498	-
Dividend income	64,081	-
Participant loans	34,987	5,865
Loan interest	$ 953	$ -

NOTE 5 - TAX STATUS

The IRS has determined and informed the Plan by a letter dated October 6, 2020, that the Plan and related trust were designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan sponsor is responsible for reviewing the annual Required Amendments List issued by the IRS for individually designed plans to retain qualified tax status. The Plan management believes that the Plan and the related trust is currently designed and operated in compliance with the applicable requirements of the IRC and continues to be tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Reliance. Reliance is a service provider of the Plan, therefore, transactions in these investments are party-in-interest transactions. Fees paid to Reliance by the Plan include fees paid as a reduction of the return on each fund for the year ended December 31, 2025.

NOTE 6 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

Plan records are maintained by Pentegra. Pentegra serves as the Plan recordkeeper and provides administrative services totaled $5,418 for the year ended December 31, 2025.

ADP is the Plan administrator. ADP administers the Plan, therefore, transactions are party-in-interest transactions. Fees paid to ADP by the Plan totaled $7,246 for the year ended December 31, 2025.

Campbell Jones Cohen CPAs performs the audit for the Plan. Campbell Jones Cohen CPAs is a service provider of the Plan, therefore, transactions are party-in-interest transactions. Fees paid to the firm for the year ended December 31, 2025 were paid by the Plan sponsor.

All of these party-in interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan holds various investment securities. Investment securities, in general are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would remain 100% vested in their employer contributions.

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS

During the Plan year ended December 31, 2025, participant contributions totaling $94,232 were not remitted to the Plan within the period prescribed by DOL regulations. As such, these transactions represented nonexempt prohibited transactions between the Company and the Plan as identified in the Schedule of Delinquent Participant Contributions - Form 5500, Schedule H, Part IV, Line 4a. The Company is in the process of remitting the lost earnings on the participant contributions.
