INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit
We have performed audits of the financial statements of Flogistix, LP 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (in liquidation) as of December 31, 2025, the statement of net assets available for benefits as of December 31, 2024, the related statement of changes in net assets available for benefits (in liquidation) for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger and Basis of Accounting
As discussed in Notes 2 and 5 to the financial statements, Flowco, LLC approved the merger of the Plan into the Flowco 401(k) Plan effective during 2025, and substantially all Plan assets were transferred to the Flowco 401(k) Plan on October 31, 2025. As a result, the Plan changed its basis of accounting for the year ended December 31, 2025 from the going concern basis to the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA
The supplemental schedule, Schedule H, Part IV 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Flogistix, LP 401(k) Plan (the Plan) is provided for general information purposes only. For more complete information, participants should refer to the current Plan agreement.

General
The Plan is a defined contribution retirement plan which provided for the participation of the employees of Flogistix, LP (the Company), who have completed one hour of service. Once eligibility requirements are met, employees are automatically enrolled. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and is intended to qualify under Section 401(k) of the Internal Revenue Code (IRC). Under the Plan, each participant has an account for his/her salary deferral contributions, employer matching contributions and for a separate discretionary employer contribution. Effective October 31, 2025, the Plan was merged into the Flowco 401(k) Plan (see Note 5).

Empower Annuity Insurance Company of America (EAIC) and Empower Trust Company, LLC (ETC) serve as the Plan's investment custodians and are responsible for executing all investment transactions.

Contributions
Participants may make salary deferral contributions through payroll deductions of not less than 1% up to 100% of their compensation (limited to certain amounts allowed under the IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, the Company makes matching contributions, which are applied to active participants who made salary deferral contributions to the Plan. The Plan has elected Safe Harbor, and the Company matches 100% of each employee's contribution up to 3% of compensation earned for the first level and up to 50% of each employee's contribution up to a maximum of 5% of compensation earned for the second level. Participant and Company contributions are subject to the provisions of the IRC and related regulations. Contributions to the Plan ceased following the October 17, 2025 payroll in connection with the Plan merger (see Note 5).

Participant Accounts
Each participant's account is credited with the participant's contributions and allocations of (a) eligible employer matching contributions, and (b) Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participant contributions and Company safe-harbor matching contributions plus actual earnings are immediately fully vested and non-forfeitable. In connection with the Plan merger, all participant accounts became 100% vested.

Forfeited Accounts
At December 31, 2025 and 2024, forfeited non-vested accounts totaled $-0- and $3,275, respectively. The 2024 balance was included in the guaranteed investment contract. During 2025, the Plan utilized $-0- of forfeitures to reduce employer match contributions or pay Plan expenses, and the remaining forfeiture balance of $3,315 was transferred to the Flowco 401(k) Plan in connection with the Plan merger.

NOTE 1 - DESCRIPTION OF PLAN (continued)

Notes Receivable from Participants
Participants may borrow from their Plan account a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Loan terms range from 1 to 5 years. The loans bear interest at rates based on the Prime lending rate as published in the Wall Street Journal at the time of the loan plus 1%. Principal and interest is paid ratably through payroll deductions. Participant loan balances were transferred as part of the October 31, 2025 asset merger. As a result, there were no participant loans outstanding at December 31, 2025.

Payment of Benefits
On termination of service for any reason, a participant may elect to receive the value of the vested interest in his/her account as a lump-sum distribution. In certain hardship situations, as described in the Plan adoption agreement, participants may withdraw part of their account balances while actively employed, but such withdrawals are limited to the amount dictated by the hardship. Participants' withdrawals are permitted from all participant accounts with a 100% vested balance.

Investment Management
Upon enrollment in the Plan, a participant may direct his/her contributions in any of the investment options currently available as determined and selected by the Plan's Administrative Committee. Participants may change their investment allocations daily, via phone or internet access to Empower Retirement.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation
As a result of the decision to merge the Plan into the Flowco 401(k) Plan during 2025 (see Note 5), the financial statements as of and for the year ended December 31, 2025 have been prepared using the liquidation basis of accounting. Under the liquidation basis of accounting, assets are measured at the amount of cash or other consideration the Plan expects to collect. The Plan's remaining asset at December 31, 2025, the guaranteed investment contract, is presented at contract value, which approximates the amount expected to be collected. The financial statements as of December 31, 2024 were prepared as a going concern on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits
Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Fees
Certain administrative costs including the trustee's fees and third-party custodian fees are paid by the Plan. Investment related expenses are included in net appreciation in fair value of investments.

Investment Valuation and Income Recognition
Investments at December 31, 2024 are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment custodian. The value of the guaranteed investment contract is determined as the value of contributions to the account, plus accrued interest, less distributions. Investments at December 31, 2025 are prepared at liquidation value.

Purchases and sales of securities are recorded on a settlement date basis. Interest income and dividends are recorded on the liquidation basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants
Notes receivable from participants at December 31, 2024 are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Contributions
Contributions from Plan participants and the matching contributions from the employer are recorded in the year in which the employee contributions are withheld from compensation.

Subsequent Events
The Plan Administrator has evaluated subsequent events through October 15, 2026, the date the financial statements were available to be issued. See Note 9 for management's evaluation of subsequent events.

NOTE 3 - INVESTMENT INFORMATION CERTIFIED BY THE INVESTMENT CUSTODIAN

The following is a summary of the asset information as of December 31, 2025 and 2024, included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the custodians Empower Annuity Insurance Company of America and Empower Trust Company, LLC and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodians that the information provided to the Plan Administrator by the custodians related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following Plan assets:

	2025	2024
Investments, at fair value:		
Mutual funds	$ -	$ 20,057,966
Guaranteed investment contract	$ 161,869	$ 110,557
Notes receivable from participants	$ -	$ 877,532

NOTE 3 - INVESTMENT INFORMATION CERTIFIED BY THE INVESTMENT CUSTODIAN (continued)

The custodian also certified the completeness and accuracy of $3,368,900 of net appreciation in fair value of investments, $60,803 of interest and dividends and $63,863 of participant loan interest related to the aforementioned assets for the year ended December 31, 2025.

NOTE 4 - TRANSACTIONS WITH PARTIES-IN-INTEREST

At December 31, 2025 and 2024, the Plan held investments in a guaranteed investment contract managed by EAIC. At December 31, 2024, the Plan also held notes receivable from participants managed by ETC. Thus, transactions within these investment funds qualify as party-in-interest transactions as defined by ERISA.

Administrative fees incurred and paid by the Plan to the administrator and recordkeeper, including managed account fees paid to Empower Advisory Group, LLC, aggregated to $136,948 in 2025. The Plan also paid the investment advisor $38,575 for advisory services. Transactions involving the administrator and investment managers qualify as party-in-interest transactions.

NOTE 5 - PLAN MERGER

In June 2024, the Company merged with three other entities to form Flowco LLC. In January 2025, an Initial Public Offering (IPO) was completed under Flowco Holdings Inc. for a partial interest in Flowco LLC. During 2025, Flowco LLC approved the merger of the Plan into the Flowco 401(k) Plan (EIN 99-4277935, PN 001) (the Flowco Plan) during 2025. On October 31, 2025, Plan assets of $23,765,039 were transferred to the Flowco Plan, and the forfeiture account balance of $3,315 was transferred on November 3, 2025, for total assets transferred of $23,768,354.

At December 31, 2025, the Plan's remaining assets of $161,869 were held in the Key Guaranteed Portfolio Fund, a general account product of EAIC. The investment contract contains provisions that prevent the immediate and full payout of the contract value for plan-initiated withdrawals. The remaining balance was transferred on August 31, 2026.

NOTE 6 - TAX STATUS

The Plan has not received a determination letter on their adoption of the pre-approved plan. The pre-approved plan received an advisory letter from the IRS dated November 14, 2022, stating that it is qualified under Section 401 of the Internal Revenue Code (IRC), and that any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the IRC. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code (the Code) to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

NOTE 6 - TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and has taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2022.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 8 - FAIR VALUE MEASUREMENTS (continued)

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Guaranteed investment contract: Total contributions to the account, plus all interest credited to the account, less any amounts transferred or distributed, less fees and expenses. Per EAIC, the fair value of the contract equals the contract value.

The following table summarizes the financial investments measured at fair value on a recurring basis at December 31:

	Assets at Fair Value 2025			
	Level 1	**Level 2**	**Level 3**	**Totals**
Mutual Funds	$ -	$ -	$ -	$ -
Guaranteed investment contract	-	161,869	-	161,869
Total Investments at Fair Value	$ -	$ 161,869	$ -	$ 161,869

	Assets at Fair Value 2024			
	Level 1	**Level 2**	**Level 3**	**Totals**
Mutual Funds	$ 20,057,966	$ -	$ -	$20,057,966
Guaranteed investment contract	-	110,557	-	110,557
Total Investments at Fair Value	$ 20,057,966	$ 110,557	$ -	$20,168,523

For the Plan year ended December 31, 2025, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year, and interest and dividends) appreciated in value by $3,429,703.

NOTE 9 - SUBSEQUENT EVENT

On August 31, 2026 the remaining Key Guaranteed Portfolio Fund balance of $161,869 was transferred to the Flowco Plan fully liquidating the plan.
