INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
MUFG Bank, Ltd. Retiree Health Reimbursement Account Plan

Opinion

We have audited the financial statements of MUFG Bank, Ltd. Retiree Health Reimbursement Account Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of Plan's benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in Plan's benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and Plan's benefit obligations as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and changes in its Plan's benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

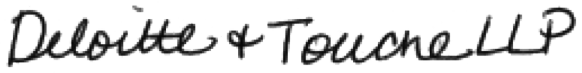

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore

is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

RETIREE HEALTH REIMBURSEMENT ACCOUNT PLAN

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2025 AND 2024, AND FOR THE YEAR ENDED DECEMBER 31, 2025

1. DESCRIPTION OF THE PLAN

The following description of the MUFG Bank, Ltd. Retiree Health Reimbursement Account Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General—The Plan was established on December 1, 2022, for the purpose of providing health insurance premium subsidies for post-65 Medicare-eligible retirees and dependents through a private health exchange. The participating employers in the Plan include MUFG Bank, Ltd. (MUFG, the "Bank") and certain MUFG affiliates (collectively, the "Company"). The Plan permits eligible post-65 Medicare eligible retirees and eligible post-65 dependents to obtain reimbursement of eligible health expenses on a nontaxable basis from their Retiree Health Reimbursement Account (HRA). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration—The Human Capital Management Committee oversees the activities of the Benefit Plans Committee (the "Committee" and the "Plan Administrator"), which oversees the activities of the Plan. The responsibilities of the Committee include interpreting the terms of the Plan, determining eligibility for coverage and benefits under the Plan, preparing investment guidelines, designating investment managers, and monitoring investments and investment manager performance.

Benefits and Eligibility—The Plan reimburses participants for eligible health expenses, as defined by the Plan, including medical and prescription drug insurance premiums, Medicare Part B premiums, dental premiums, vision premiums, and eligible out-of-pocket health expenses, such as copays and deductibles. Eligible health expenses may not include expenses reimbursed or reimbursable under any other plan or insurance arrangement.

To be eligible for coverage under the Plan, a retiree must have attained age 65, enrolled in Medicare, and have been eligible as an active or enrolled as a retired pre-65 participant in the MUFG Bank, Ltd. Health Benefit Plan (the "Health Plan") or its predecessors. An eligible dependent is a spouse, domestic partner, or, under certain circumstances, an unmarried child of a participant in the Plan or the Health Plan who has attained age 65, enrolled in Medicare, and was a covered dependent under the Health Plan or its predecessors.

Funding—In January of each year the Company establishes a specified annual subsidy for Plan participants. The amount of the subsidy is set at the Company's discretion and may change from year to year. Participants may receive reimbursement for their eligible health expenses up to the amount in their HRA. The HRA will be reduced by the amount of any expenses for which participants have been reimbursed under the Plan. Participants are not permitted to make any contributions directly into their HRAs.

HRAs represent notional accounts. Individual HRAs are not funded and do not bear interest or accrue any earnings, and participants' balances are not vested. Funding is established as claims are submitted, approved, and reimbursed. Benefits under the Plan are funded from the Company's general assets or the 401(h) account, as described below.

401(h) Account—Certain participants are covered under the MUFG Bank, Ltd. Retirement Plan (the "Retirement Plan"), which includes a health benefit component in addition to pension benefits. The Retirement Plan funded a portion of the postretirement obligation for retirees, qualified dependents and spouses, and beneficiaries in accordance with Section 401(h) of the Internal Revenue Code (IRC). A separate account was established and is maintained in the Retirement Plan trust for such contributions. In accordance with Section 401(h) of the IRC, the investments in the 401(h) account may not be used for, or diverted to, any purpose other than providing health benefits for eligible retirees and their eligible beneficiaries. The related obligation for health benefits is not included in the Retirement Plan's accumulated plan benefits obligation but rather is reflected as an obligation in the financial statements of the Plan.

Termination—Although it has not expressed any intent to do so, the Bank has the right to terminate the Plan subject to the provisions of ERISA. In the event of termination, the Company will contribute the necessary amounts to fund all claims incurred prior to the date of termination.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates—The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual amounts could differ from those estimates.

Risks and Uncertainties—401(h) assets are invested in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

The Plan's benefit obligations are reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimations and assumptions in the near term could materially affect the financial statements.

Health Reimbursements Paid—Health reimbursements are recorded when paid by the third-party claims processor. Amounts due to claims processors that have been approved but not reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits.

Investment Valuation and Income Recognition—401(h) investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Administrative Expenses—Direct health and welfare benefits administration expenses paid to third-party administrators are considered Plan expenses. Other administrative expenses, including audit and tax preparation fees, are paid by the Company on behalf of the Plan.

Postretirement Benefits—The postretirement benefit obligation represents the actuarial present value of those estimated future benefits that are attributed by the terms of the Plan to employee service rendered to the date of the financial statements. Postretirement benefits include future benefits expected to be paid to

or for currently retired employees and their beneficiaries and dependents. No benefits are provided to active employees or their beneficiaries and dependents. The postretirement benefit obligation represents the amount that is to be funded by contributions from the Company and the Retirement Plan 401(h) account.

The actuarial present value of the expected postretirement benefit obligation is determined by the Plan's actuary and is the amount that results from applying actuarial assumptions to the estimated HRA contributions payable per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements, such as for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

Subsequent Events—Subsequent events were evaluated through October 15, 2026, the date the financial statements were available to be issued.

3. ACTUARIAL PRESENT VALUE OF BENEFIT OBLIGATIONS

The significant actuarial assumptions used in the valuations of benefit obligations of the Plan as of December 31, 2025 and 2024, are as follows:

	2025	2024
Health care cost trend rate:		
Medical	3.60 %	3.60 %
Dental and vision	3.75/3.00	3.50/3.00
Discount rate	5.16	5.34
Mortality	Pri-2012 white collar headcount weighted mortality table with generational projections based on MP-2021 mortality improvement projection scale	

		Pre-2006 Hires		
		Age + Service		
Rates of Retirement—2025 and 2024	**Age**	**≥ 80**	**< 80**	**Post-2006 Hires**
	55–59	15 %	10 %	10 %
	60–63	20	15	15
	64	30	15	15
	65–67	30	25	25
	68	30	30	30
	69	45	30	30
	70+	100	100	100

The health care cost trend rate assumption has a significant effect on the amounts reported in the accompanying financial statements. If the assumed rate increased by one percentage point, the obligation would increase as of December 31, 2025 and 2024, by $7,694,865 and $6,864,006, respectively.

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. If the Plan were to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of postretirement benefit obligations.

4. FEDERAL INCOME TAX STATUS

The Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for income taxes has been included in the financial statements.

5. 401(H) ACCOUNT

A portion of the Plan's obligations is funded through contributions to the Retirement Plan in accordance with IRC Section 401(h). In the financial statements of the Plan and the Retiree HRA Plan, the 401(h) account is allocated between the plans on a pro rata basis based on each plan's respective share of the combined benefit obligation, as determined by the plans' actuary in the actuarial valuation report.

The 401(h) account ownership interests, components of net assets, and the related changes in net assets allocated to the Plan and the Health Plan as of December 31, 2025 and 2024, and the year ended December 31, 2025, were as follows:

401(h) Account Ownership Interest	**2025**	**2024**
MUFG Bank, Ltd. Retiree Health Reimbursement Account Plan (Plan)	78 %	75 %
MUFG Bank, Ltd. Health Benefit Plan (Health Plan)	22 %	25 %

Statements of 401(h) Account Net Assets Available for Benefits		
Investments at fair value	$ 155,526,602	$ 152,090,323
Interest receivable	189,180	192,029
Net due to brokers for securities purchased	(911,674)	(816,288)
Net assets held in 401(h) account	$ 154,804,108	$ 151,466,064

401(h) Account Ownership Interest Allocation		
Plan's allocation	$ 120,747,204	$ 113,599,548
Health Plan's allocation	34,056,904	37,866,516

Statement of Changes in 401(h) Account Net Assets Available for Benefits	**2025**
Interest and dividends	$ 3,696,435
Other income	7,837
Net appreciation in fair value of investments	12,063,105
Investment management expenses	(103,966)
Administrative expenses	(26,852)
Benefits paid	(12,298,515)
Net increase in 401(h) account	$ 3,338,044
Plan's interest in 401(h) account income—net of benefit payments	$ 14,484,235
Benefit payments made from 401(h) account	(7,336,579)
Plan's interest in increase of 401(h) account	$ 7,147,656

The disclosure of investments in the 401(h) account is included in the notes to the financial statements of the MUFG Bank, Ltd. Retirement Plan as of December 31, 2025 and 2024, and for the year ended December 31, 2025.

6. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2025 and 2024, is as follows:

	2025	2024
Net assets available for benefits per the financial statements	$ 120,723,317	$ 113,569,617
Net assets held in 401(h) account	(120,747,204)	(113,599,548)
Net assets per Form 5500	$ (23,887)	$ (29,931)

The reconciliation of benefits paid to participants and decrease in net assets per the financial statements to Form 5500 for the year ended December 31, 2025, is as follows:

Claims paid-net of refunds per the financial statements	$ 8,297,825
Less benefit payments made from 401(h) account	(7,336,579)
Benefits paid to participants per Form 5500	$ 961,246
Increase in net assets per the financial statements	$ 7,153,700
Less increase in Plan's share of 401(h) account	(7,147,656)
Net income per Form 5500	$ 6,044
