Independent Auditors' Report

To the Participants and Plan Administrator of
Vestis Wellness Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Vestis Wellness Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (in liquidation) as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits (in liquidation) for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting

As discussed in Notes 1 and 2 to the financial statements, the Plan Sponsor made the decision on October 1, 2024, to terminate the Plan upon liquidation of all remaining funds within the trust. In accordance with accounting principles generally accepted in the United States of America, the Plan's basis of accounting used in presenting the financial statements is liquidation basis. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) and Schedule H, Line 4(j) - Schedule of Reportable Transactions, as of or for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of the Plan

The following description of the Vestis Wellness Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan was a welfare benefit plan for eligible participants and their dependents who were in a sponsored health coverage plan of Vestis Uniforms and Workplace Supplies, Inc. (the Company). The Plan provided wellness programs for eligible employees of the Company. The Company collected premiums from covered participants and their dependents who had elected smoker status to fund wellness programs provided by the Plan. These premiums were considered contributions to the Plan. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On January 1, 2014, the Company established a trust to facilitate the collection of the premiums of the Plan.

On October 1, 2024, the Plan's Trust was amended effective August 15, 2024, to change the Company name from Aramark Uniform Services, Inc. to Vestis Uniforms and Workplace Supplies, Inc. Further, the Plan name was changed effective September 26, 2023, to the Vestis Wellness Plan. The amendment also provided for the discontinuance of funding of the Plan effective December 31, 2024, and the exhaustion of the Trust's assets through providing wellness benefits under the Plan.

Participant Premiums/Contributions

Participants and qualifying covered spouses were required to pay the smoker's election premium, if applicable. These premiums were contributed to the Plan's trust account. Premium rates for participants were determined annually by the Company, in accordance with the plan document.

Wellness Benefits

The Plan was established to promote wellness for participants through the funding of wellness programs. These wellness programs provided the participant with benefits such as smoking cessation assistance, behavioral and employee assistance help, as well as subsidized health screens and other participant wellness expenses. These expenses are reflected in the Statement of Changes in Net Assets Available for Benefits (in Liquidation).

Wellness benefits covered by the Plan for participants were determined annually by the Company, in accordance with the plan document.

2. Summary of Significant Accounting Policies

Basis of Accounting

As a result of the resolution to terminate the Plan, the Plan considers liquidation to be imminent and, therefore, the financial statements of the Plan are presented on the liquidation basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from these estimates.

Cash and Cash Equivalents and Income Recognition

Cash and cash equivalents consist of a highly liquid short-term investment with original maturities of three months or less.

Interest income is recorded on the accrual basis.

Administrative Expenses

The Plan's expenses were paid either by the Plan or the Company, as provided by the plan document. Expenses that were paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that were paid by the Plan were recorded as administrative expenses in the accompanying Statement of Changes in Net Assets Available for Benefits (in Liquidation).

Subsequent Events

The Plan evaluated subsequent events for recognition or disclosure through October 15, 2026, the date the financial statements were available to be issued.

3. Information Certified by Trustee

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA for 2025 and 2024. Accordingly, PNC Bank, N.A., the trustee of the Plan and a qualified institution, has certified to the completeness and accuracy of all investments reported in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2025 and 2024 (in Liquidation) and the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2025, the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits (in Liquidation) and the information reported in the supplemental Schedule H, Line 4(j) - Schedule of Reportable Transactions for the year ended December 31, 2025.

4. Related-Party and Party in Interest Transactions and Administration of Plan Assets

PNC Bank, N.A., the trustee, invests funds received from contributions and interest income and makes payments for wellness benefits on behalf of the Plan. Certain administrative functions of the Plan were performed by employees of the Company. No such employee receives compensation from the Plan.

5. Tax Status

The Trust established under the Plan to hold the Plan's assets was qualified pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC), and accordingly, the Trust's interest income was exempt from income taxes. The Plan's Trust had obtained a favorable tax ruling from the Internal Revenue Service (IRS), and the plan administrator believes that the Plan, as amended, was currently being operated in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan was qualified and the related trust was tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Risks and Uncertainties

The Plan invests in a highly liquid cash equivalent investment with a value of $1,481,272 and $1,771,817 as of December 31, 2025 and 2024, respectively. At December 31, 2025 and 2024, the Company maintained cash and cash equivalents at a certain financial institution in excess of federally insured limits. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits (in Liquidation).

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024, to Form 5500:

	2025	2024
Net assets available for benefits per the financial statements	$ 1,440,997	$ 1,834,231
Plus accrued administrative expenses expected to be incurred in liquidation	150,275	86,200
Less accrued interest income expected to be earned in liquidation	(110,000)	(154,000)
Net assets available for benefits per Form 5500	$ 1,481,272	$ 1,766,731

The following reconciles the decrease in net assets per the financial statements for the year ended December 31, 2025, to Form 5500:

Decrease in net assets per the financial statements, including adjustments to liquidation basis	$ 393,234
Less change in accrued administrative expenses expected to be incurred in liquidation	(64,075)
Less change in accrued interest income expected to be earned in liquidation	(44,000)
Decrease in net assets per Form 5500	$ 285,159
