INDEPENDENT AUDITORS' REPORT

To the Trustee and Administrative Committee of
Ampam Parks Mechanical, Inc. Profit Sharing Plan:

Opinion

We have audited the accompanying financial statements of Ampam Parks Mechanical, Inc. Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits in liquidation as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits in liquidation for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan in liquidation as of December 31, 2025 and 2024, and the changes in its net assets available for benefits in liquidation for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As discussed further in Note 1 to the financial statements, the Board of Directors adopted a resolution to terminate the Plan effective August 6, 2023. As a result of the termination, it was determined that liquidation of the Plan was imminent, and the Plan adopted the liquidation basis of accounting in presenting the 2025 and 2024 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

AMPAM PARKS MECHANICAL, INC. PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025
(IN LIQUIDATION)

NOTE 1 – Plan Description and Basis of Presentation

The following description of AMPAM Parks Mechanical, Inc. Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for complete information.

AMPAM Parks Mechanical, Inc. (the Company) established the Plan effective January 1, 2019. The Plan was designed to operate as a leveraged employee stock ownership plan (ESOP), and to comply with the requirements of Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986 (IRC) and was subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Termination

On August 8, 2023, the Company's Board of Directors and the Plan's independent trustee (Trustee) approved a transaction in which the Plan sold the shares held by the Plan to an unrelated third party (herein, the transaction). Prior to the transaction's closing date, the ESOP was terminated effective August 6, 2023 (herein, the termination date or Plan termination), and the Plan's name was changed to the AMPAM Parks Mechanical, Inc. Profit Sharing Plan. On the termination date, all participants with an account balance remaining in the Plan became fully vested in their accounts, regardless of status or years of vested service. Participants became eligible for distributions of 90% of their account balances, payable as a lump sum or direct rollover in no more than two installments. In 2023, the Trustee processed and made the initial distributions to the Plan's participants. On May 5, 2025, the Internal Revenue Service (IRS) issued a determination letter approving the Plan's termination effective August 8, 2023. In 2025, the Trustee processed and made the final distributions to the Plan's participants.

Eligibility

Effective August 8, 2023, the Plan was terminated and eligibility for participation ceased. No new participants were admitted after the termination date.

NOTE 1 – Plan Description and Basis of Presentation (Continued)

Employer Contributions

In connection with the Plan termination, Plan eligibility was frozen, and contributions were discontinued, except as required by applicable law or at the request of the IRS.

Payment of Benefits

In connection with the Plan termination, the amount distributed to participants was based upon the account valuation date immediately preceding the distribution. The initial distribution of participants' account balances was first processed in 2023 in one lump sum for 90% of the participant's account value. The final distribution of participants' account balances was processed in 2025 in one lump sum for 10% of the participant's remaining account value.

Administrative Expenses

As provided in the plan agreement, administrative expenses were paid either by the Plan or by the Company.

Vesting

In connection with the Plan termination, all participants became 100% vested in account balances.

NOTE 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). In connection with the Plan termination, the Plan financial statements have been prepared on the liquidation basis of accounting.

NOTE 2 – Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Allocation of Plan Earnings

Plan earnings (losses) for the year are allocated to each participant's account based on the ratio of the participant's beginning of the year account balance to all participants' beginning of the year account balances.

Income Recognition

At December 31, 2024, the Plan's assets were held in an interest-bearing IntraFi Cash Service account, which allocated funds across multiple FDIC-insured institutions. As of December 31, 2024, in accordance with the liquidation basis of accounting, the Plan accrued interest income of approximately $73,845 through the date of liquidation.

Payment of Benefits

Benefits were recorded when paid.

Subsequent Events

The Company's management has evaluated subsequent events from December 31, 2025 through October 8, 2026, the date the financial statements were available to be issued.

NOTE 3 – Administration of Plan Assets

The Plan's assets, which consisted of interest-bearing cash as of December 31, 2024, were held by the Trustee in a trust. The Trustee managed the Plan's assets and operations. Certain administrative functions were performed by officers or employees of the Company. No such officer or employee received compensation from the Plan for these functions.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 – Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024.

Interest-bearing cash: Valued at cost plus accrued interest, which approximates fair value.

There were no investments held by the Plan as of December 31, 2025. The following table sets forth by level within the fair value hierarchy, the Plan's assets at fair value measurements as of December 31, 2024:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	$ 3,068,799	$ -	$ -	$ 3,068,799
Investments at fair value	$ 3,068,799	$ -	$ -	$ 3,068,799

NOTE 5 – Related-Party and Party-in-Interest Transactions

The Plan has a number of service providers for administrative and fiduciary services. Such providers are parties-in-interest under ERISA. During the year ended December 31, 2025, the Plan paid $10,000, $99,966, and $48,000 to service providers for trustee, third-party administrator, and accounting services, respectively. These amounts totaling $157,966 are reflected as accrued liquidation costs as of December 31, 2024 on the statements of net assets available for benefits. No additional liquidation costs were accrued as of December 31, 2025.

NOTE 6 – Tax Status

The Plan obtained a determination letter on April 28, 2020, in which the IRS stated that the Plan is in compliance with the applicable requirements of the Internal Revenue Code. As disclosed in Note 1, on May 5, 2025, the IRS issued a determination letter approving the Plan's termination effective August 8, 2023. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – Reconciliation of the Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 to the Form 5500:

Net assets available for benefits per the financial statements	$ 2,984,678
Less accrued interest income	(73,845)
Add accrued liquidation costs	157,966
Net assets available for benefits per the Form 5500	$ 3,068,799

NOTE 7 – Reconciliation of the Financial Statements to the Form 5500 (Continued)

The following is a reconciliation of net decrease in net assets per the financial statements to net income per the Form 5500 for the year ended December 31, 2025:

Net decrease in net assets per the financial statements	$ (2,984,678)
Add accrued interest income at December 31, 2024	73,845
Less accrued liquidation costs at December 31, 2024	(157,966)
Net income per the Form 5500	$ (3,068,799)
