To the Plan Participants and Plan Administrator
Bon Secours Mercy Health Retirement Savings Plan 401:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Bon Secours Mercy Health Retirement Savings Plan 401 (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2013 and September 30, 2022. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 2 to the financial statements, the Plan has not maintained sufficient accounting records and supporting documents related to certain annuity contracts and custodial accounts of current and former employees for certain plans merged into the Plan prior to January 1, 2013 and the Plan merged in effective September 30, 2022. The investment income and distributions related to such accounts are also not included in the accompanying statement of changes in net assets available for benefits. The amount of these annuity contracts and custodial accounts and the related income and distributions are not determinable. U.S.

KPMG LLP, a Delaware limited liability partnership, and its subsidiaries are part of the KPMG global organization of independent member firms affiliated with KPMG International Limited, a private English company limited by guarantee.

generally accepted accounting principles require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, it is inappropriate to and we do not express an opinion on this supplemental schedule.

(1) Description of Plan

The following description of the Bon Secours Mercy Health Retirement Savings Plan 401 (the Plan) provides general information about the Plan's provisions. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions

Bon Secours Mercy Health (the Company) is the plan sponsor. The Plan has been amended from time to time to reflect organizational changes and the merger of various predecessor retirement plans. Most recently, the Mercy Health Savings Plan 401 was merged into the Plan effective September 30, 2022, with respective assets and liabilities transferred to the Plan.

(a) General

The Plan is a defined contribution plan covering eligible employees of the Company and its participating employers and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). Employees are eligible for matching contributions if they are paid for at least 1,000 eligible hours during the calendar year and are employed on December 31. Employees become eligible for core contributions on the January 1 or July 1 entry date following six months of employment and must be paid for at least 1,000 eligible hours during the calendar year and be employed on December 31.

The Bon Secours Mercy Health Retirement Plan Committee (the Committee or the Plan Administrator) is responsible for the general administration of the Plan. Fidelity Management Trust Company, Brighthouse Life Insurance Company, and Lincoln National Life Insurance Company serve as the Plan trustees (collectively, the Trustees). Fidelity Workplace Services LLC serves as the recordkeeper of the Plan.

(b) Contributions

Participants may contribute up to 75% of eligible pay in 1% increments on a pretax, Roth, or traditional after-tax basis, subject to applicable Internal Revenue Code limitations.

Eligible participants receive an employer matching contribution equal to 50% of participant pretax and Roth contributions on the first 4% of eligible pay. The Company also provides an annual nonelective contribution of up to $1,500, prorated based on hours of service during the Plan year, subject to the eligibility requirements of the Plan.

Eligible employees are automatically enrolled at 1% of eligible pay unless they make an affirmative election otherwise. Participants who have not affirmatively elected a different contribution rate are generally subject to an annual 1% automatic increase until their contribution rate reaches 15%, in accordance with the terms of the Plan.

The Plan also accepts eligible rollovers and transfer contributions from other qualified retirement plans. Additional contribution and eligibility provisions are described in the Plan document.

(c) Participant Accounts

Each participant's account is credited with the participant's contribution or rollovers, the allocations of the Company's discretionary, non-elective, and matching contributions, and allocations of the Plan's earnings, and is charged with an allocation of administrative expenses. Plan earnings are allocated

based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Participant-Directed Investment Options

Upon enrollment in the Plan, a participant may direct contributions, specifying whole number percentages with the entire amount so allocated equal to 100%, to any investment option in the Plan available during the year.

(e) Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are 100% vested in the employer's matching contributions, non-elective contributions, and discretionary contributions, and any earnings on them, after the participant completes three years of vesting service (which is being paid 1,000 eligible hours in a calendar year).

(f) Forfeitures

Any employer contributions forfeited by participants who terminate employment prior to becoming fully vested are used first by restoring the amount of previous forfeitures and then by either reducing the amount of employer contributions or by paying Plan administrative expenses. As of December 31, 2025, and 2024, respectively, unallocated forfeited non-vested accounts were $267,387 and $705,889. Forfeitures used to reduce employer contributions and offset administrative expenses during 2025 were $500,000.

(g) Participant Loans

The Plan allows participants to apply for and obtain loans limited to 50% of the participant's vested account balance, not to exceed $50,000, from the vested balance of the participant's account. All loans must be repaid within five years unless the loan is used to finance the participant's primary residence, in which case, the Plan Administrator shall have the discretion to determine the repayment period for such loan. Each loan shall bear interest at a rate to be fixed by the Plan Administrator, and in determining the interest rate, the Plan Administrator shall take into consideration interest rates currently being charged by commercial lending institutions. Interest rates shall be fixed for the term of the loan at the time the loan is made, and the Plan Administrator shall determine periodically the interest rate to be charged on new loans.

(h) Payment of Benefits

On termination of service due to death, disability, or retirement, participants may elect to receive a distribution equal to the value of their vested interest in their account or defer receipt of their account balance until age 72. At the later of 72 or termination of employment, minimum required distributions are required to commence.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS), and a

participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

(i) Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan's provisions. Administrative expenses paid by the Plan include recordkeeping and trustee fees. Expenses relating to purchases, sales, or transfers of the Plan's investments are charged to the particular investment fund to which the expenses relate. All other administrative expenses of the Plan are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

(j) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their accounts.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

As discussed in Note 1, the Plan was established in 2001 and has had various other 401 plans merged or net assets of other 401 plans transferred into the Plan, since that time. Certain historical records and supporting documents related to certain participant accounts of current and former employees, related to plans merged prior to January 1, 2013 and the Mercy Health Savings Plan 401 merger effective September 30, 2022 were not sufficiently maintained. The Plan is not able to estimate the impact to which the financial statements may have been affected by these conditions.

(b) Payment of Benefits

Benefits are recorded when paid.

(c) Notes Receivable From Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are recorded when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or 2024. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded. Loans deemed to be distributions were approximately $132,421 for the year ended December 31, 2025, which is included in benefit payments in the statement of changes in net assets available for benefits.

(d) Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (U.S. GAAP) requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results could differ from those estimates.

(e) Investment Valuation and Income Recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See note 4 for further discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(3) Information Certified by the Trustees

Amounts contained in the accompanying financial statements and supplemental schedule, which was obtained or derived from information provided by the Plan Administrator, was certified by the Trustees as complete and accurate in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, is as follows:

- Investments at fair value
- Notes receivable from participants
- Net appreciation in the fair value of investments
- Interest and dividend income
- Interest income on notes receivable from participants
- Investment information included in note 4, excluding fair value levels
- Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year).

(4) Fair Value Measurements

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

- Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.
- Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable, either directly or indirectly, for substantially the full term of the asset or liability. Level 2 inputs include the following:
  - Quoted prices for similar assets and liabilities in active markets
  - Quoted prices for identical or similar assets or liabilities in markets that are not active

  - Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means

- Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

Following is a description of the valuation techniques and inputs used for each major class of assets measured at fair value by the Plan:

Money Market funds and Mutual Funds – Valued at the closing price reported on the major market on which the individual securities are traded.

Self-directed brokerage accounts – Valued at the quoted market price of publicly traded investments held by the Plan at year-end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets carried at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Money market	$ 8,149,514	—	—	8,149,514
Self-directed brokerage accounts	8,263,809	—	—	8,263,809
Mutual funds	290,165,137	85,504	—	290,250,641
Total assets at fair value	$ 306,578,460	85,504	—	306,663,964

The following table sets forth by level, within the fair value hierarchy, the Plan's assets carried at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Money market	$ 9,377,927	—	—	9,377,927

Total assets at fair value	$ 289,860,985	78,163	—	289,939,148

(Continued)

(5) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(6) Related-Party and Party-in-Interest Transactions

The Plan holds units of mutual funds managed by the Trustees. The related transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA.

(7) Tax Status

The Plan has received a determination letter from the IRS dated February 23, 2018, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. Although the Plan has been amended since receiving this determination letter, the Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) Subsequent Events

Management evaluated subsequent events for the Plan through October 15, 2026, the date the financial statements were available to be issued.
