The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

***Opinion***
In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

***Auditor's Responsibilities for the Audit of the Financial Statements, continued***
We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter-Supplemental Schedule Required by ERISA***
The supplemental schedule H, Line 4i – schedule of assets (held at end of year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTE 1. PLAN DESCRIPTION

The following description of the Bennett & Pless, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General
The Plan is a tax deferred defined contribution plan covering substantially all full-time employees of Bennett & Pless, Inc. and its subsidiary Bennett & Pless Leicht LLC (collectively referred to as "the Company") who are 21 years of age and who have completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions
Each year, participants may contribute a percentage of pretax and post-tax annual compensation, not to exceed statutory limitations as set by law, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and a collective trust fund as investment options for participants. The Company may make discretionary match and/or profit sharing contributions. A participant is eligible to receive all of the above employer contributions upon attaining age 21 and after completing 3 months of service. During the year, the Company contributed a matching contribution equal to 50% of the first 6% of base compensation that a participant contributes to the Plan.

Participant Accounts
Each participant's account is credited with the participant's elective deferral contributions, the Company's matching contribution and an allocation of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All of the net assets available for benefits are participant directed.

Participants' Investment Options
Participants must direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options any time throughout the year via direct phone access and the participant's online portal.

Vesting
Participants are immediately 100% vested in their contributions. Vesting in the Company's discretionary matching and profit sharing contribution is based on years of service in accordance with the following schedule:

| Years of Service | Vested Percentage |
|---|---|
| Less than 1 | 0% |
| 1 | 20% |
| 2 | 40% |
| 3 | 60% |
| 4 | 80% |
| 5 | 100% |

Notes Receivable from Participants
Participants may borrow a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of the participant's vested account balance. Loans are secured by the participant's account balance and bear interest rates, determined at the time of issuance, set at 2% above the prime rate. Repayments of the loans are made in substantially equal payroll deductions amortized over the life of the loan. The loan must be repaid within five years unless the loan is used to purchase a primary residence, in which case the repayment period may not extend beyond fifteen years from the date of the loan. The principal amount of the loan, together with all accrued interest, shall immediately become due when the participant is no longer employed by the Company. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

**NOTE 1. PLAN DESCRIPTION, continued**

Payment of Benefits
On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments. All accounts with a vested balance of $5,000 or less will be distributed immediately. All accounts with a vested balance over $5,000 will be rolled over to a Plan Administrator appointed Individual Retirement Account unless the participant elects otherwise. The Plan also allows certain in-service distributions, as described by the Plan document.

Forfeited Accounts
At December 31, 2025 and 2024, forfeited nonvested accounts totaled $17,766 and $16,437, respectively. These accounts were partially used during the year ended December 31, 2025, and will be used in the future to reduce administrative expenses and employer matching contributions.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting
The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits
Benefits are recorded when paid.

Contributions
Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which participant compensation is earned.

Notes Receivable From Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued**

Subsequent Events
Subsequent events have been evaluated for potential recognition and/or disclosure through October 14, 2026 This represents the date the financial statements were available to be issued.

**NOTE 3. CERTIFICATION OF ASSETS AND INCOME**

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by the ADP Retirement Trust Services, LLC (ADP) for the year ended December 31, 2025 and Reliance Trust Company (Reliance) for the year ended December 31, 2024, the trustees and custodians of the Plan, as complete and accurate to the best of their knowledge, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplementary schedule.

Assets held and certified by ADP (2025) and Reliance (2024) at December 31:

| | 2025 | 2024 |
|---|---|---|
| Mutual funds, at fair value | $ 14,246,235 | $ 10,604,175 |
| Collective trust fund, at net asset value | 237,082 | 167,572 |
| Notes receivable from participants | 275,127 | 125,770 |
| | $ 14,758,444 | $ 10,897,517 |

Investment and interest income certified by ADP for the year ended December 31, 2025:

| | Net Appreciation in Fair Value | Interest, Dividends, and Other Income |
|---|---|---|
| Mutual funds, at fair value | $ 1,615,979 | $ 431,118 |
| Collective trust fund, at net asset value | 6,084 | - |
| Notes receivable from participants | - | 20,827 |
| | $ 1,622,063 | $ 451,945 |

**NOTE 4. FAIR VALUE MEASUREMENTS**

The Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**NOTE 4. FAIR VALUE MEASUREMENTS, continued**

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

*Mutual funds:* Valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Collective trust fund:* Valued at the NAV of units of the collective trust as provided to the plan administrator by the trustee of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawals from the trust in order to ensure that securities' liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE 4. FAIR VALUE MEASUREMENTS, continued**

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

| | Assets at Fair Value as of December 31, 2025 | | | | |
|---|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | NAV(a) | Total |
| Mutual funds | $14,246,235 | $ - | $ - | $ - | $14,246,235 |
| Collective trust fund | - | - | - | 237,082 | 237,082 |
| Total assets at fair value | $14,246,235 | $ - | $ - | $ 237,082 | $14,483,317 |

| | Assets at Fair Value as of December 31, 2024 | | | | |
|---|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | NAV(a) | Total |
| Mutual funds | $10,604,175 | $ - | $ - | $ - | $10,604,175 |
| Collective trust fund | - | - | - | 167,572 | 167,572 |
| Total assets at fair value | $10,604,175 | $ - | $ - | $ 167,572 | $10,771,747 |

(a) These funds were measured at NAV per share in accordance with FASB ASC Subtopic 820-10, as amended by FASB Accounting Standards Update (ASU) 2015-07 and have not been classified in the fair value hierarchy. The fair value amounts presented permit reconciliation of the fair value hierarchy to the line item presented in the statement of net assets available for benefits.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The following table sets forth additional disclosures of the Plan's investments whose fair value is measured using NAV per share (or its equivalent) as of:

| | Fair Value Estimated Using Net Asset Value Per Share | | | |
|---|---|---|---|---|
| | December 31, 2025 | | | |
| Investment | Fair Value | Unfunded Commitment | Redemption Frequency | Redemption Notice Period |
| Collective trust fund | $ 237,082 | $ - | Daily | None |

| | Fair Value Estimated Using Net Asset Value Per Share | | | |
|---|---|---|---|---|
| | December 31, 2024 | | | |
| Investment | Fair Value | Unfunded Commitment | Redemption Frequency | Redemption Notice Period |
| Collective trust fund | $ 167,572 | $ - | Daily | None |

Investment Strategy of Collective Trust Fund

The investment is the Invesco Stable Asset Fund – ADPZ Class. The primary investment objective of the fund is to seek to preserve principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity.

## NOTE 5. PLAN TERMINATION

The Company anticipates and believes that the Plan will continue without interruption but has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

## NOTE 6. TAX STATUS

The Plan has adopted a non-standardized pre-approved profit sharing plan with a cash deferral arrangement, which received a favorable determination letter from the Internal Revenue Service on October 6, 2020, which stated that the Plan is designed in accordance with applicable sections of the IRC. The Plan has since been amended. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

FASB ASC requires the Plan Administrator to annually evaluate the Plan's tax positions, including accounting and measurement of uncertain tax positions. For the year ended December 31, 2025, the Plan Administrator concluded that no uncertain tax positions had been taken that would require adjustment to or disclosure in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the federal, state, or local tax authorities for years before 2022.

## NOTE 7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ADP and/or its affiliates are the Plan's trustee, custodian, third party administrator and recordkeeper, and therefore transactions with ADP qualify as exempt party-in-interest transactions. Administrative expenses paid directly to ADP from Plan assets totaled $5,978 for the year ended December 31, 2025. ADP may have received indirect compensation from various sources during the year as defined in their service contracts.

Other service providers, including the Plan's investment advisor, also received direct compensation during the year which is allowed by the Plan and qualifies as an exempt party-in-interest transaction. Total direct compensation paid to the Plan's investment advisor was $27,145 for the year ended December 31, 2025.

Notes receivable from participants also qualify as exempt party-in-interest transactions.

## NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## NOTE 9. SECURE 2.0 ACT

The Securing a Strong Retirement Act of 2022 (SECURE 2.0 Act) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates. The Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly.
