INDEPENDENT AUDITORS' REPORT

To the Retirement Committee and Trustees
Gould Medical Group, Inc. 401(k) Profit Sharing Plan
Modesto, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Gould Medical Group, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Gould Medical Group, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of the report —

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Gould Medical Group, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gould Medical Group, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gould Medical Group, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gould Medical Group, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes at end of year as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GOULD MEDICAL GROUP, INC.
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of Gould Medical Group, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering employees of Gould Medical Group, Inc. (the "Group"). The Plan was established on January 1, 2002, and most recently amended to adopt the Fidelity Pre-approved Plan effective May 1, 2024. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions and Vesting:

Participants may direct any amount of their pre-tax annual compensation into the Plan up to the maximum limit established annually by the Internal Revenue Service. The employee may also contribute to the Plan on an after-tax basis. Participants direct the investment of their contributions into various investment options offered by the Plan. Participant contributions and earnings are fully vested and non-forfeitable at all times.

Discretionary nonelective employer contributions may be contributed at the option of the Group's board. The employer contributed 12% of the participant's annual compensation to the Plan up to the maximum limits established annually by the Internal Revenue Service. The Group's discretionary nonelective employer contributions and matching contributions have a three-year cliff vesting schedule, whereby participants become 100% vested after three years of service or upon death, disability or early retirement age of 55.

Participant Accounts:

Fidelity Workplace Services LLC, as agent for the trustee, Fidelity Management Trust Company, maintains an account for each participant. Each participant account is credited with the participant's contribution and allocation of Plan earnings. The earnings are based on the earnings of the investments selected by the participant. The participant directs the investment of their account into various investment options offered by the Plan.

Notes Receivable from Participants:

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loans are secured by the balance in the participant's account. Loans bear interest at a rate equal to the prime rate plus 2%, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Interest received is credited directly to the borrower's account.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Cont.)

Other Revenue:

The Plan receives revenue credits for amounts paid to the Plan under revenue sharing arrangements. Amounts are allocated to participants as a reverse fee which reduce the direct fees paid out of the Plan. The allocations of the revenue credits are made to eligible participants pro rata based on the participant's average daily balance in the respective fund as defined in the Plan.

Payment of Benefits:

Upon separation of service or other conditions as defined in the Plan, the participants or their beneficiaries are entitled to a lump sum cash payment equal to the value of the participant's vested interest in his or her account, or various options as defined in the Plan. The Plan permits hardship distributions to a participant in accordance with the Plan's hardship policies.

Administrative Expenses:

All Plan investment and trust management fees paid are charged against the Plan's assets. These fees are allocated to the participants' accounts in the same manner as the allocation of income and loss. Expenses related to specific participant transactions are charged to the respective participant's account.

Forfeited Account:

At December 31, 2025 and 2024, the forfeited non-vested account totaled $168,565 and $1,828,170, respectively. Amounts accumulated in the forfeiture account will be used to reduce future employer contributions. Forfeitures of $1,990,670 and $94,566 were used to reduce employer contributions during the years ended December 31, 2025 and 2024, respectively.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note is recorded as a benefit payment based upon the terms of the plan document.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Cont.)

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation in fair value of investments presented on the statement of changes in net assets available for benefits includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Revenue Credit Program:

The Plan participates in a revenue credit program offered by Fidelity. Under this program, a portion of the revenue generated by certain investment options is credited back to the Plan. These credits are used to offset plan recordkeeping fees and allocated back to eligible participants.

During the year ended December 31, 2025, the Plan received revenue credits totaling $411,505. Recordkeeping fees incurred during the same period were $98,774. The excess credits of $312,731 are presented as other income on the accompanying statement of changes in net assets available for benefits.

Benefits Paid to Participants:

Benefits are recorded when paid.

Use of Estimates:

The preparation of financial statements is in conformity with accounting principles generally accepted in the United States of America. Those standards require management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Date of Management's Review of Subsequent Events:

The Plan has evaluated subsequent events through October 15, 2026, the date on which the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

Note 3. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 measurements consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 measurements are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

Investments in registered investment companies (mutual funds) are stated at the respective fund's NAV, which is determined based on market values at the closing price on the last business day of the year. The NAV is a quoted price in an active market and classified within the Level 1 hierarchy.

Investments in self-directed brokerage accounts consist primarily of common stocks, mutual funds and exchange traded funds that are valued daily based on their quoted market prices and classified within the Level 1 hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Total	Fair Value Measurement Using Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2025		
Registered investment companies	$ 207,276,404	$ 207,276,404

NOTES TO FINANCIAL STATEMENTS

Note 4. Summary of Information Certified by Trustee (Unaudited)

The Plan's investments are held and administered by Fidelity Management Trust Company, as trustee. The Trustee of the Plan has provided certifications that the following information, which is contained in or used to develop the accompanying financial statements, is complete and accurate:

Investments, at fair value as of December 31, 2025 and 2024.

Notes receivable from participants as of December 31, 2025 and 2024.

Net appreciation in fair value of investments for the year ended December 31, 2025.

Interest and dividends for the year ended December 31, 2025.

Interest income on notes receivable from participants for the year ended December 31, 2025.

Other income for the year ended December 31, 2025.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Group has the right to terminate the Plan at any time subject to the provisions set forth in ERISA and the Internal Revenue Code. Upon termination of the Plan, the total net assets of the Plan are to be distributed to the participants in proportion to their account balances.

Note 6. Related Party and Party-in-Interest Transactions

Certain investments in the Plan are issued by an affiliate of Fidelity; and therefore, these transactions qualify as party-in-interest transactions. Also, during the 2025 and 2024 plan years, the trustee of the Plan provided participant-level services as defined by the Plan and; therefore, these transactions qualify as party-in-interest. These transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and the Internal Revenue Code.

Participants may borrow from their vested account balance. Such loan transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA and the Internal Revenue Code.

NOTES TO FINANCIAL STATEMENTS

Note 7. Income Tax Status and Plan Amendments

The Internal Revenue Service has determined and informed the sponsor of the pre-approved plan by a letter dated June 30, 2020, that the plan is designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has not received an individual determination letter, the plan administrator and management believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code; and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the Plan's tax returns remain open for three to four years for income tax examination.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

INDEPENDENT AUDITORS' REPORT

To the Retirement Committee and Trustees
Gould Medical Group, Inc. 401(k) Profit Sharing Plan
Modesto, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Gould Medical Group, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Gould Medical Group, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of the report —

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Gould Medical Group, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gould Medical Group, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gould Medical Group, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gould Medical Group, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes at end of year as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GOULD MEDICAL GROUP, INC.
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of Gould Medical Group, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering employees of Gould Medical Group, Inc. (the "Group"). The Plan was established on January 1, 2002, and most recently amended to adopt the Fidelity Pre-approved Plan effective May 1, 2024. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions and Vesting:

Participants may direct any amount of their pre-tax annual compensation into the Plan up to the maximum limit established annually by the Internal Revenue Service. The employee may also contribute to the Plan on an after-tax basis. Participants direct the investment of their contributions into various investment options offered by the Plan. Participant contributions and earnings are fully vested and non-forfeitable at all times.

Discretionary nonelective employer contributions may be contributed at the option of the Group's board. The employer contributed 12% of the participant's annual compensation to the Plan up to the maximum limits established annually by the Internal Revenue Service. The Group's discretionary nonelective employer contributions and matching contributions have a three-year cliff vesting schedule, whereby participants become 100% vested after three years of service or upon death, disability or early retirement age of 55.

Participant Accounts:

Fidelity Workplace Services LLC, as agent for the trustee, Fidelity Management Trust Company, maintains an account for each participant. Each participant account is credited with the participant's contribution and allocation of Plan earnings. The earnings are based on the earnings of the investments selected by the participant. The participant directs the investment of their account into various investment options offered by the Plan.

Notes Receivable from Participants:

Participants may borrow from their accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loans are secured by the balance in the participant's account. Loans bear interest at a rate equal to the prime rate plus 2%, which are commensurate with local prevailing rates as determined quarterly by the plan administrator. Interest received is credited directly to the borrower's account.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Cont.)

Other Revenue:

The Plan receives revenue credits for amounts paid to the Plan under revenue sharing arrangements. Amounts are allocated to participants as a reverse fee which reduce the direct fees paid out of the Plan. The allocations of the revenue credits are made to eligible participants pro rata based on the participant's average daily balance in the respective fund as defined in the Plan.

Payment of Benefits:

Upon separation of service or other conditions as defined in the Plan, the participants or their beneficiaries are entitled to a lump sum cash payment equal to the value of the participant's vested interest in his or her account, or various options as defined in the Plan. The Plan permits hardship distributions to a participant in accordance with the Plan's hardship policies.

Administrative Expenses:

All Plan investment and trust management fees paid are charged against the Plan's assets. These fees are allocated to the participants' accounts in the same manner as the allocation of income and loss. Expenses related to specific participant transactions are charged to the respective participant's account.

Forfeited Account:

At December 31, 2025 and 2024, the forfeited non-vested account totaled $168,565 and $1,828,170, respectively. Amounts accumulated in the forfeiture account will be used to reduce future employer contributions. Forfeitures of $1,990,670 and $94,566 were used to reduce employer contributions during the years ended December 31, 2025 and 2024, respectively.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note is recorded as a benefit payment based upon the terms of the plan document.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Cont.)

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation in fair value of investments presented on the statement of changes in net assets available for benefits includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Revenue Credit Program:

The Plan participates in a revenue credit program offered by Fidelity. Under this program, a portion of the revenue generated by certain investment options is credited back to the Plan. These credits are used to offset plan recordkeeping fees and allocated back to eligible participants.

During the year ended December 31, 2025, the Plan received revenue credits totaling $411,505. Recordkeeping fees incurred during the same period were $98,774. The excess credits of $312,731 are presented as other income on the accompanying statement of changes in net assets available for benefits.

Benefits Paid to Participants:

Benefits are recorded when paid.

Use of Estimates:

The preparation of financial statements is in conformity with accounting principles generally accepted in the United States of America. Those standards require management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Date of Management's Review of Subsequent Events:

The Plan has evaluated subsequent events through October 15, 2026, the date on which the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

Note 3. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 measurements consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 measurements are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

Investments in registered investment companies (mutual funds) are stated at the respective fund's NAV, which is determined based on market values at the closing price on the last business day of the year. The NAV is a quoted price in an active market and classified within the Level 1 hierarchy.

Investments in self-directed brokerage accounts consist primarily of common stocks, mutual funds and exchange traded funds that are valued daily based on their quoted market prices and classified within the Level 1 hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Total	Fair Value Measurement Using Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2025		
Registered investment companies	$ 207,276,404	$ 207,276,404
Self-directed brokerage accounts:

NOTES TO FINANCIAL STATEMENTS

Note 4. Summary of Information Certified by Trustee (Unaudited)

The Plan's investments are held and administered by Fidelity Management Trust Company, as trustee. The Trustee of the Plan has provided certifications that the following information, which is contained in or used to develop the accompanying financial statements, is complete and accurate:

Investments, at fair value as of December 31, 2025 and 2024.

Notes receivable from participants as of December 31, 2025 and 2024.

Net appreciation in fair value of investments for the year ended December 31, 2025.

Interest and dividends for the year ended December 31, 2025.

Interest income on notes receivable from participants for the year ended December 31, 2025.

Other income for the year ended December 31, 2025.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Group has the right to terminate the Plan at any time subject to the provisions set forth in ERISA and the Internal Revenue Code. Upon termination of the Plan, the total net assets of the Plan are to be distributed to the participants in proportion to their account balances.

Note 6. Related Party and Party-in-Interest Transactions

Certain investments in the Plan are issued by an affiliate of Fidelity; and therefore, these transactions qualify as party-in-interest transactions. Also, during the 2025 and 2024 plan years, the trustee of the Plan provided participant-level services as defined by the Plan and; therefore, these transactions qualify as party-in-interest. These transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and the Internal Revenue Code.

Participants may borrow from their vested account balance. Such loan transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA and the Internal Revenue Code.

NOTES TO FINANCIAL STATEMENTS

Note 7. Income Tax Status and Plan Amendments

The Internal Revenue Service has determined and informed the sponsor of the pre-approved plan by a letter dated June 30, 2020, that the plan is designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has not received an individual determination letter, the plan administrator and management believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code; and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the Plan's tax returns remain open for three to four years for income tax examination.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
