INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Broadcom Employee Benefits Plan

Opinion

We have audited the financial statements of Broadcom Employee Benefits Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2025, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan (modified cash basis) as of December 31, 2025, and the changes in net assets available for benefits (modified cash basis) for the year then ended, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

(Continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule (modified cash basis) of Schedule H, Line 4j – Schedule of Reportable Transactions is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(Continued)

In our opinion, the information in the accompanying schedule (modified cash basis) is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Compilation Report on the 2024 Financial Statement

Management is responsible for the accompanying financial statement of Broadcom Employee Benefits Plan, which comprises the statement of net assets available for benefits (modified cash basis) as of December 31, 2024, and the related notes to the financial statement in accordance with the modified cash basis of accounting described in Note 2. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the 2024 financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any form of assurance on this financial statement.

NOTE 1 - DESCRIPTION OF PLAN

The following is only a summary of the Broadcom Employee Benefits Plan (the "Plan") and its provisions. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General: The Plan provides medical, prescription drug, dental, vision, life insurance, accidental death and dismemberment, disability and certain other welfare benefits to eligible employees of Avago Technologies U.S. Inc. (the "Company") and participating affiliates and their eligible dependents. Eligible employees generally become eligible to participate in the Plan in accordance with the eligibility provisions contained in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plan provides both self-funded and fully insured welfare benefits. During 2025, self-funded benefits primarily included medical, prescription drug and dental benefits. Certain medical coverage and various life, disability, vision and other welfare benefits were provided through fully insured arrangements.

The Company has engaged Alight Solutions ("Alight") to provide benefits administration services, including participant enrollment, eligibility administration and communication of eligibility information to the Plan's third-party administrators and insurance carriers. During 2025, Anthem administered the payment of self-funded medical benefits, Express Scripts, Inc. ("ESI") administered the payment of self-funded prescription drug benefits, and Delta Dental administered the payment of self-funded dental benefits. Kaiser Permanente and various other insurance carriers administered certain fully insured benefits provided under the Plan.

Effective July 1, 2025, the LSI Corporation Retiree Group Life Insurance Plan (the LSI Plan) was merged into the Plan. As a result of the merger, the Plan received net assets totaling $26,758,954 from the LSI Plan trust, referred to as the Agere Systems Inc. Postretirement Life Insurance Benefit Trust (the Trust). The Trust was amended to allow payments from the trust for purposes of paying for certain benefits provided for under the Plan. JPMorgan Chase Bank, N.A. served as trustee of the Trust. The assets in the Trust were subsequently utilized in full to pay for Plan benefits, and there were no assets left in the trust as of December 31, 2025. Effective December 31, 2025, the Plan was amended to remove the Trust funding provisions added in connection with the merger. As a result, the Trust no longer served as a funding vehicle for the Plan after December 31, 2025.

Contributions: The Plan provides that both the Company and employees make contributions to provide health and welfare benefits to eligible participants. Employee contributions are generally made through payroll deductions and are based on the coverage elected by each participant. For self-funded benefit programs, Alight determines the employee and employer funding requirements based on participant elections and communicates those amounts for payroll withholding and benefit funding. Employer contributions fund the remaining cost of self-funded benefits and employer-paid insured benefits. Premiums for certain fully insured benefits are based on rates established by the applicable insurance carriers. Employees may also elect certain voluntary insurance benefits, the premiums for which are generally paid through payroll deductions.

Plan Expenses: Expenses of the Plan, including claims administration fees, trustee fees, and other expenses incurred in connection with the administration of the Plan, are generally paid by the Plan. Certain administrative, management and legal services provided to the Plan are paid directly by the Company.

Unaudited 2024 Information: Amounts presented as of December 31, 2024 have not been audited by independent accountants.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Plan Termination: Although it has not expressed any intention to do so, the Company reserves the right under the Plan to modify the benefits provided to participants, discontinue its contributions, or terminate the Plan at any time, subject to the provisions of ERISA.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The financial statements of the Plan are prepared on a modified cash basis of accounting, which differs from accounting principles generally accepted in the United States of America. Therefore, contributions and interest income are recorded when received; administrative expenses are recorded when paid. Similar to the accrual basis of accounting, benefits and premiums are recorded when paid by the Plan. Pharmacy rebates are recorded when received and approximately $28.3 million of rebates have been netted with benefits paid in the accompanying statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2025.

Investment Valuation: The Plan's investments were stated at fair value. There were no investments held as of December 31, 2025 or 2024. Purchases and sales of securities were recorded on a settlement-date basis. Interest and dividend income is recorded when received.

Use of Estimates: The preparation of financial statements requires management to make significant estimates and assumptions that affect the reported disclosures of the claims incurred but not reported as of the plan year end and the reported amounts of additions, deductions, and changes in the claims incurred but not reported during the reporting period. Actual results could differ from those estimates. It is at least reasonably possible that a significant change may occur in the near term for the estimates of claims incurred but not reported.

Risks and Uncertainties: During the period July 1, 2025 through December 31, 2025, the Plan held investments through the Agere Trust. These investments were exposed to various risks, including interest rate risk, credit risk and overall market volatility.

Claims Incurred but Not Reported: Claims incurred but not reported are estimated by an actuary based on enrollment data and actual claims lag data provided by Anthem, Delta Dental, and ESI. These amounts include an estimate of claims payable that were processed prior to year-end but not paid by the Plan until after year-end.

(Continued)

NOTE 3 - BENEFIT OBLIGATION

The Plan's benefit obligation includes an estimate of claims reported but not paid and claims incurred but not reported. The benefit obligation as of December 31, 2025 and changes therein for the year then ended is as follows:

Claims payable and claims incurred but not reported:	
Balance at beginning of year	$ 37,272,000
Claims and premiums incurred	362,194,443
Claims and premiums paid	(366,423,443)
Balance at end of year	$ 33,043,000

The Plan's deficiency of net assets over benefit obligations at December 31, 2025 relates primarily to claims incurred but not reported, the funding of which is made based on actual claims filed. It is expected that the deficiency will be funded through contributions from Broadcom and future employee contributions.

NOTE 4 - TAX STATUS

The Plan includes a cafeteria plan under Section 125 of the Internal Revenue Code (the "Code"), which allows eligible participants to pay certain employee contributions on a pre-tax basis. In addition, certain benefits provided under the Plan are intended to qualify for favorable tax treatment under other applicable provisions of the Code. Management believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan continues to qualify for its intended tax treatment.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 5 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Company, and certain others. The Plan held investments issued by JPMorgan Chase Bank, N.A. As JPMorgan Chase Bank, N.A. is a custodian of the Plan's assets, these are considered party-in-interest investments.

Certain trustee and recordkeeping fees were paid to JPMorgan Chase Bank, N.A. by the Plan. In addition, fees were also paid to certain parties-in-interest for claims administration, audit services, and other consulting services. These transactions are also considered party-in-interest transactions.

NOTE 6 - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition and disclosure through October 15, 2026, which is the date the financial statements were available to be issued.
