INDEPENDENT AUDITOR'S REPORT

The Trustees
Harmons Employee Welfare Benefit Plan

Opinion

We have audited the financial statements of Harmons Employee Welfare Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2025 and 2024, the related statements of changes in net assets available for benefits and of changes in plan benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial status of Harmons Employee Welfare Benefit Plan as of December 31, 2025 and 2024 and the changes in its financial status for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Harmons Employee Welfare Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Harmons Employee Welfare Benefit Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Harmons Employee Welfare Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Harmons Employee Welfare Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 – DESCRIPTION OF PLAN

General information about Harmons City, Inc. (the Company) for the Harmons Employee Welfare Benefit Plan is outlined below. Participants should refer to the Plan agreement for a more complete description of the provisions of the Plan.

General

Effective June 1, 1979, Harmons City, Inc. which operates grocery stores in Utah, adopted a group insurance plan which covers medical, dental, vision, life, and accidental death and disability benefits for eligible employees. The Plan provides health, dental, accidental death and disability benefits to substantially all employees of Harmons City, Inc. The Plan was a partially self-insured program designed to pool and spread health care risks of participants from inception to January 31, 2005. The medical health plan was changed to a fully-insured plan and was brought into the Trust from February 1, 2005 through December 31, 2011; the dental plan has always been self-insured and part of the Trust. Effective January 1, 2012, the insurance coverage for medical claims was changed from fully insured to partially self-insured. There were no changes made to vision, life, and accidental death and disability benefits which remain fully insured; dental claims remain self-insured. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The plan agreement has no provision for postretirement benefits.

Eligibility

Employees become eligible to participate in the health plan and dental care benefits on the first day of the month following two months of continuous full-time employment.

Contributions

The Plan is funded through contributions made by Harmons City, Inc. and employees covered under the Plan. The required monthly contribution is determined by the third-party administrator at the beginning of each plan year. The employees pay a set amount each month depending upon whether they are classified as single, two-party with dependents, or family; the Company pays the balance of the required monthly contribution.

Benefits

The Plan provides health benefits (medical, surgical, limited dental, vision, limited mental illness and hospital care benefits and benefits in the event of sickness, accident, or death) covering participants as described in the Plan's agreement and in the summary plan description. Life insurance in the amount of $20,000 is provided for eligible full-time employees and greater coverage is available at an individual employee cost.

Plan Benefits

Contributions received are held in a trust by the Trustee and are invested and reinvested to establish funding reserves for the payment of benefits, premiums, and other expenses of operating and maintaining the Plan. Benefits for medical, dental, vision, life, accidental death and disability, and specific and aggregate stop-loss coverage were either self-insured or provided by third-party providers. Money is transferred from the trust to the various providers as claim expenses and other premiums become due.

Participant Termination

Participant coverage will terminate in accordance with the provisions of the Plan as follows: (1) on the day in which enrollment terminates, (2) when average hours worked falls below 32 hours per week, or (3) the date a spouse or child fails to meet the eligibility requirements or is terminated.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Plan's financial statements are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Cash and Cash Equivalents

For reporting purposes, the plan considers all cash and cash equivalents which are not subject to withdrawal restrictions or penalties, and certificates of deposit with original maturities at the time of purchase of 90 days or less to be cash or cash equivalents.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan Administrator has evaluated subsequent events through October 15, 2026, which is the date the financial statements were available to be issued.

NOTE 3 – ADMINISTRATIVE COSTS

For 2025 and 2024, the Plan paid for the expenses associated with administering the Plan.

NOTE 4 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Principal Custody Solutions is the Plan record keeper and has administrator responsibilities. These functions qualify as parties-in-interest. Administrative fees paid by the Plan to Principal Custody Solutions were $21,250 and $12,500 for the years ended December 31, 2025 and 2024, respectively.

NOTE 5 – BENEFIT OBLIGATIONS

The Plan document provides for no postretirement benefits. The amount of benefit obligation outstanding as of December 31, 2025 and 2024 was provided by third-party health and dental providers. The amounts were based on information provided by their actuarial departments. The obligation amount was equal to the actual claims paid during the twelve-month period from January 1, 2025 through December 31, 2025 plus an estimate for incurred but not reported (IBNR) claims. It is at least reasonably possible that these estimates of claim obligations will differ from the actual amount to be incurred. The IBNR claims at December 31, 2025 and 2024 relate to both the health and dental plans.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the plan subject to the provisions set forth in ERISA.

NOTE 7 – TAX STATUS

The trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code. Accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service, and the Plan sponsor believes that the Plan, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various cash equivalents. Cash equivalents are exposed to various risks, such as interest rate and credit risks.
