INDEPENDENT AUDITORS' REPORT

To: The Plan Administrator of
Universal Insurance Profit Sharing
and Savings Plan-US

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Universal Insurance Profit Sharing and Savings Plan-US, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Universal Insurance Profit Sharing and Savings Plan-US' financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RSM Puerto Rico is a member of the RSM network and trades as RSM. RSM is the trading name used by the members of the RSM network. Each member of the RSM network is an independent accounting and consulting firm which practices in its own right. The RSM network is not itself a separate legal entity in any Jurisdiction.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Universal Insurance Profit Sharing and Savings Plan-US and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Universal Insurance Profit Sharing and Savings Plan-US' ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Universal Insurance Profit Sharing and Savings Plan-US' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Universal Insurance Profit Sharing and Savings Plan-US' ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 and Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

UNIVERSAL INSURANCE PROFIT SHARING AND SAVINGS PLAN-US

NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

1) Plan description:

The following brief description of the Universal Insurance Profit Sharing and Savings Plan-US (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

A) General – The Plan is a defined contribution plan covering all employees of the entity listed below. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Empower Trust Company, LLC (formerly Great-West Trust Company, LLC) is the Custodian for the Plan. Other relevant information is as follows:

Effective date	:	January 1, 2004
Plan year	:	December 31
Normal retirement	:	Attainment of age 60
Early retirement	:	Attainment of age 55 with at least five years of service
Eligibility	:	Employees who have completed one thousand (1,000) hours of service within twelve (12) consecutive months and at least are 18 years old.

Plan Restatement - Effective January 1, 2025, Universal Insurance Holdings of North America, Inc. became the Plan Sponsor and an adopting employer. The restated Plan adoption document identifies the Plan Sponsor as a member of a controlled group that also includes Universal North America Insurance Company, Universal Insurance Managers, Inc., Singular Insurance Agency, and Synera Claims & Risk Solutions, LLC. Each member of the controlled group adopted the Plan with the approval of the Plan Sponsor.

Universal Insurance Managers, Inc. has participated in the Plan since its inception. Synera Claims & Risk Solutions, LLC was established in 2025 and began participating in the Plan during the same year. For purposes of these financial statements, the Plan Sponsor and the participating members of the controlled group are collectively referred to as the “Employer”.

Effective January 1, 2025, the Plan permits qualified birth or adoption distributions as a separate distribution event.

B) Contributions – Pre-tax contributions are limited to $23,500 for the year ended December 31, 2025. Participants may make voluntary after-tax contributions to the Plan up to 10% of their compensation, subject to the annual contribution limits established by the US Internal Revenue Code.

For the year ended December 31, 2025, the total annual contributions made by the Employer and participants shall not exceed the lesser of $70,000 or the total compensation paid by the Employer to participant during the plan year. In addition, a participant who has attained age 50 by the end of a calendar year, may elect to make additional voluntary contributions (catch-up contributions). Catch up contributions will not be taken into account in applying any matching contribution under the Plan. These contributions are limited to $7,500.

The Employer shall make a matching contribution equal to $.50 per $1.00 of the participant’s deferral; contribution up to 6% of a participant’s compensation. In addition, the Employer may contribute a discretionary amount during each Plan year determined by the Employer.

C) Investment options – The Plan allows participants to direct the investment of their contributions into various investment options available under the Plan.

D) Notes receivable from participants – Participants may borrow from their accounts a minimum of $500 up to the lesser of 50% of their vested account or $50,000 reduced by the highest outstanding loan balance during the previous 12 months. The Plan allows a participant to have only one note outstanding at a time. The note is secured by the balance of the participant's account and bears interest at Prime Rate plus one. The note must be repaid over a period not to exceed five (5) years, unless the loan qualifies as a home loan. A "home loan" is a loan used to acquire a dwelling unit which, within a reasonable time, the Participant will use as a principal residence. The note is repaid ratably through payroll deductions and allocated to the various investment funds based on the participant's contribution percentages.

E) Participant accounts – Individual accounts are maintained for each of the Plan's participants to reflect the participants' and Employer's contributions as well as the participant's share of the discretionary contribution of the Employer and any administrative expenses paid by the Plan. Allocations are based on the proportion that each participant's account balance bears to the total of all participants' account balances. The benefit to which a participant is entitled to is the benefit that can be provided from the participants vested accounts.

F) Vesting – Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Vesting in the Employer's contributions, including matching and non-elective profit-sharing contributions, is based on years of vesting service. A participant is credited with one year of vesting service for each appliable 12-month vesting computation period during which the participant completes at least 1,000 hours of service. The vesting percentages applicable to the Employer's contributions are summarized as follows:

Years of Vesting Service	Vested Percentage
Less than 2 years	0%
2 years but less than 3 years	25%
3 years but less than 4 years	50%
4 years but less than 5 years	75%
5 years or more	100%

G) Payment of benefits – On termination of service due to death, disability, or retirement, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest or annual installments over a fixed period of time, if balance is greater than $5,000. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

H) Distributions – The Plan Administrator, pursuant to the election of the Participant, shall direct the Trustee to distribute to a participant or such participant's beneficiary the amount (if any) to which the Participant (or Beneficiary) has become entitled under the Plan in one or more of the following methods:

- One lump-sum payment in cash (this shall be the normal form of payment, except as otherwise provided below).

- Substantially equal annual or more frequent cash installments over a period not extending beyond the life expectancy of the participant (or the joint life expectancy of the participant and their designated beneficiary).

- Partial withdrawals, with a minimum of $1,000.

- An annuity contract purchased with the participant's entire vested account balance (subject to spousal consent and Qualified Joint and Survivor Annuity rules, if applicable).

Any distribution to a participant whose total vested account balance exceeds $5,000 requires the participant's written consent (or approved electronic election) if the distribution commences while the benefit is immediately distributable. A benefit is immediately distributable if any portion may be distributed prior to the later of the participant's Normal Retirement Age (age 60 under the Plan) or age 65.

If the vested account balance is $5,000 or less upon termination of employment, distribution may be made without participant consent: balances of $1,000 or less are paid in a lump sum cash distribution, while balances between $1,001 and $5,000 are automatically rolled over to an individual retirement account (IRA) established on the participant's behalf, unless affirmative distribution instructions are received.

The Plan permits a participant to receive a qualified birth or adoption distribution of up to $5,000 during the one-year period beginning on the date the participant's child is born or the participant's legal adoption of an eligible adoptee is finalized. An eligible adoptee is an individual, other than a child of the participant's spouse, who has not attained age 18 or is physically or mentally incapable of self-support. The $5,000 limit applies in the aggregate to qualified birth or adoption distributions from all plans maintained by the Employer.

I) Forfeited accounts – Forfeitures represent non-vested portions of contributions of the Employer on the day of a participant's death or termination, in accordance with the Plan's vesting provisions. Forfeitures may be used to restore forfeitures, reduce employer contributions or to pay Plan administrative expenses. As of December 31, 2025 and 2024, there were forfeited non-vested accounts amounting to approximately $295,000 and $371,000, respectively. During the year ended December 31, 2025, the Plan used approximately $112,000 of forfeited non-vested accounts to reduce employer contributions. The balance of unallocated forfeitures will be applied in accordance with the Plan provisions in subsequent periods.

2) Summary of significant accounting policies:

A) Basis of accounting – The accompanying financial statements have been prepared in accordance with the accrual basis of accounting.

B) Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

C) Notes receivable from participants – Are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

D) Investment valuation and income recognition – Investments in mutual funds and collective trust funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price.

Collective trust funds are measured at fair value using NAV, as a practical expedient. The NAV is based on the fair value of the fund's underlying assets, less its liabilities, divided by the number of units outstanding.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan has a group fixed deferred annuity contract that invests contributions in a Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is a general account product. Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's group fixed deferred annuity contract is a fully benefit-responsive investment contract and is reported at contract value.

Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

E) Contributions – Employer and participants' contributions are recorded in the Plan year in which the Employer makes the payroll deductions.

F) Benefits – Benefit payments to participants are recorded when paid.

G) Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. Fees related to the administration of the notes receivable from participants are charged directly to the participant's account and are reported as administrative expenses. Investments related expenses are included in net appreciation of investments.

3) Information certified by Empower Trust Company, LLC (the Custodian):

Plan's net assets information as of December 31, 2025 and 2024 and for the year ended December 31, 2025, included throughout the Plan's financial statements and supplemental schedule, was prepared by or derived from information provided by the Custodian and furnished to the Plan Administrator.

The Plan Administrator has obtained certifications from the Custodian that information provided to the Plan Administrator by the Custodian related to Plan's assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information that appears throughout the financial statements and supplemental schedule related to the following assets:

Description	**2025**	2024
Mutual funds at fair value	**$ 11,688,132**	$ 11,184,545
Collective trust funds at fair value	**$ 4,683,134**	$ 3,862,154
Group annuity contracts at contract value	**$ 1,691,884**	$ 1,075,481
Notes receivable from participants	**$ 338,498**	$ 299,755

The Custodian also certified the completeness and accuracy of $1,686,341 of net appreciation on investments stated at fair value and $644,476 of interest and dividends related to the aforementioned assets, and interest income of $25,658 from notes receivable from participants for the year ended December 31, 2025.

4) Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The valuation techniques are based upon observable or unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's market assumptions. These two types of inputs create the following fair value hierarchy:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

As of December 31, 2025 and 2024, investments in mutual funds registered with the Securities and Exchange Commission and held by the Plan are classified as Level 1 type investments within the fair value hierarchy.

As of December 31, 2025 and 2024, collective trust funds were measured at fair value using the NAV as a practical expedient. Accordingly, these investments are not categorized within the fair value hierarchy.

5) Group annuity contract:

The Plan entered into a Group Fixed Deferred Annuity Contract with Empower Annuity Insurance Company of America (Empower), through a Key Guaranteed Portfolio Fund, a general account product of Empower that meets the fully benefit-responsive investment contract criteria, and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

The contract value, as reported to the Plan by Empower represents (a) contributions made under the contract plus earnings; less (b) the sum of any amounts distributed and administrative fees. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Based on Empower excessive trading policy, participant transfers may be restricted for up to 30 days in the event of excessive participant trading. Transactions are processed as soon as practicable after resolution of closed or disrupted financial exchanges or markets.

The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Interest credit rate is reset quarterly.

There is no guaranteed interest rate under this contract; however, such rate will never be less than 0%. The actual average yield earned by the Plan at December 31, 2025 and 2024 was 1.45% and 1.41%, respectively.

The Plan's ability to receive amounts due is dependent on Empower's ability to meet its financial obligations. Empower's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with Empower. Such events include (1) a complete or partial Plan termination or merger with another plan, (2) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures) that cause a significant withdrawal from the Plan, or (3) premature termination of the contract, among others. The Administrator believes no events are probable of occurring that might limit the ability of the Plan to transact at contract value with Empower and that also would limit the ability of the Plan to transact at contract value with the participants.

Either the Plan or Empower may terminate the Group Annuity Contract (other than Plan termination), with at least ninety (90) days' advance written notice to the other party. The contract termination date shall be any business day on or after the expiration of the ninety (90) day notification period. If the parties fail to determine a mutually agreeable contract termination date, the contract termination date will be the 90th business day after the date written notice of contract termination is received at Empower's administrative office, or the ninetieth (90th) business day after Empower mails notice of contract termination to the Plan last known address. Upon termination of the group annuity contract, and at least sixty (60) days before the contract termination date, the Plan may choose one of the following options:

- Receive the payout of the fund in a lump sum with a market value adjustment.
- Receive the payout of the fund in a lump sum at book value. If this option is selected, Empower may defer payment to a date no longer than 12 months in the future.
- Receive the payout in twenty (20) quarterly installments
- Mutually agree in writing to any other payout option allowable under applicable law.

6) Tax status:

The Plan has obtained determination letters, the most recent dated June 30, 2020 from the US Department of the Treasury, to the effect that the Plan is exempt from income taxes according to Section 401(a) of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination of taxing authorities. The Plan Administrator evaluated the tax positions taken by the Plan and concluded that the Plan as of December 31, 2025 and 2024, had maintained its tax exempt status and had taken no uncertain tax positions that would require adjustments or disclosures to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

The Plan is subject to routine audits by the Internal Revenue Service (IRS). As of December 31, 2025, the years 2021 and thereafter remained subject to examination; however, there are currently no audits for any tax period in progress.

7) Risks and uncertainties:

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. Individual participant's accounts bear the risk of loss resulting from fluctuations in fund values.

8) Party-in-interest transactions:

The Employer, Pension Plus, Inc. (third-party administrator), and RSM Puerto Rico, are parties-in-interest as defined by ERISA. In addition, the Plan invests in mutual funds and collective trusts funds that pertain to Empower Trust Company, LLC, and in group annuity contracts with Empower Annuity Insurance Company of America. There were no prohibited party-in-interest transactions as of and for the year ended December 31, 2025, except for the late remittance of participant contributions and loan repayments described in Note 10.

9) Plan termination:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer's contributions.

10) Non-exempt transactions:

During 2025, the Plan Sponsor inadvertently failed to remit participant contributions and loan repayments totaling $124,417 within the time frame required by the DOL regulations. As of the date of the financial statements were available to be issued, the related lost earnings had not been remitted to the Plan. The Plan Sponsor intends to remit the lost earnings to the Plan during 2026, and to file Form 5330 and pay the applicable excise tax to the IRS. The lost earnings and any excise tax will be paid from the Plan Sponsor's assets and not from Plan assets.

11) Reconciliation of financial statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2025 and 2024 to Form 5500:

Description	**2025**	2024
Net assets available for benefits per the financial statements	**$ 18,442,431**	$ 16,405,209
Less: Notes receivable from participants that have been deemed distributed	**(67,010)**	(43,685)
Net assets available for benefits per Form 5500	**$ 18,375,421**	$ 16,361,524

The following is a reconciliation of change in net assets available for benefits for the year ended December 31, 2025, per the financial statements to Form 5500:

Description	Amount
Change in net assets available for benefits per the financial statements	$ 2,037,222
Plus: Notes receivable from participants that has been distributed and were offset as part of the distributions	11,826
Less: Notes receivable from participants that has been deemed distributed	(35,151)
Change in net assets available for benefits per Form 5500	$ 2,013,897

The Plan continues to present the notes receivable from participants that have been deemed distributed as a Plan's asset, until a distributable event occurs.

12) Subsequent events:

On September 16, 2026, the Plan was restated, effective January 30, 2026 to reflect the following changes:

- Change the name of the Plan Sponsor and adopting employer to One Alliance Insurance Holdings of North America, Inc. (formerly Universal Insurance Holdings of North America, Inc.).
- Change the Plan's name to One Alliance North America Profit Sharing & Savings Plan.
- Reclassify Synera Claims & Risk Solutions, LLC from the controlled group to the affiliated service group.
- Identify One Alliance Insurance Managers, Inc. (formerly Universal Insurance Manager, Inc.) and Atrio Insurance Group, LLC as the remaining members of the controlled group.
- Designate a committee appointed by the Plan Sponsor to serve as the Plan Administrator.

The Plan Administrator is not aware of additional subsequent events, which would require recognition and/or disclosure in the financial statements. The Plan Administrator has evaluated subsequent events through October 14, 2026, the date on which the financial statements were available to be issued.
