Independent Auditors' Report

To the Plan Administrator of

403(b) THRIFT PLAN FOR EMPLOYEES OF CIRCLE THE CITY

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed the audit of the financial statements of ***403(b) Thrift Plan for Employees of Circle the City*** ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2025 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section:

- The amounts and disclosures in the accompanying 2025 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2025 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated July 28, 2025, indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedules, other than the information in the 2024 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of the 403(b) Thrift Plan for Employees of Circle the City (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan established by Circle the City (the "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

ADMINISTRATION

The plan administrator is responsible for oversight of the Plan. The plan administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Employer's Board of Directors. The Plan's custodian, Mutual of America Life Insurance Company ("Mutual of America"), is responsible for the custody and management of the Plan's assets and also acts as the third-party administrator who processes and maintains the records of participant data.

ELIGIBILITY

Employees become eligible to contribute elective deferrals and receive Employer contributions on their first day of employment. Employees must be at least 21 years of age to receive Employer contributions.

PLAN CONTRIBUTIONS

There are two types of salary deferral options available to participants: Pre-tax 403(b) deferrals and post-tax ROTH 403(b) deferrals. Participants may contribute, for any calendar year, up to the lesser of 100% of their compensation or the maximum allowable under the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Employees who complete 15 years of service before the end of the plan year are eligible to make catch-up contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation and their contributions invested in the Mutual of America Interest Accumulation Account. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of contributions into various investment options offered by the Plan.

The Employer has elected to make matching contributions to the Plan. For the Plan years ended December 31, 2025 and 2024, the matching contributions equal 100% of the first 2% and 50% of between 2% and 4% of compensation deferred by participants. The Employer may, at its discretion, elect to make non-elective contributions to the Plan. Each plan year the Board of Directors will determine the amount of the employer base contribution (if any) that will be made for all eligible participants. Contributions will be allocated to the accounts of eligible participants on the basis of the ratio that each eligible participant's compensation bears to the total compensation of all participants for the plan year and will be made whether or not the employee is making contributions. There were no discretionary non-elective contributions to the Plan for the year ended December 31, 2025.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, an allocation of the Employer's matching contributions, and an allocation of plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. Income is allocated daily based on the shares in the participant's account. The benefit to which a participant is entitled is the benefit that can be provided by the participant's account.

VESTING

Participants are immediately vested in their voluntary contributions. A participant's vested interest in the Employer's contributions is determined based on credited years of service, as reflected in the following vesting schedule.

Less than 1 year of service	0% Vested
1 year of service	25% Vested
2 year of service	50% Vested
3 year of service	75% Vested
4 year of service or more	100% Vested

Any part of the employer contributions which is not vested will be forfeited when the participant receives the distribution of the vested balance and will thereafter be used to reduce the Employer's contributions or administrative expenses.

DISTRIBUTIONS

Upon retirement, disability or death, a participant or beneficiary receives the entire amount credited to the participant's account in either a lump sum or, at the participant's election, in annual installments. Upon termination, other than by retirement, disability, or death, a participant becomes eligible to receive the current value of the participant's vested account in a lump-sum payment. If a participant terminates employment and the participant's account balance does not exceed $7,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between $1,000 and $7,000, the Plan sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance held with Mutual of America. The maximum number of loans that a participant may have outstanding is limited to one loan. Principal and interest is repaid ratably through payroll deductions. Note terms are up to five years, except for notes to fund the purchase of a principal residence, for which the note may be repaid over a reasonable period that may not exceed ten years. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the plan administrator. At December 31, 2025 and 2024, interest rates charged were 5.85%. Delinquent notes receivable are reclassified as distributions based upon the terms of the plan document.

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

FORFEITED ACCOUNTS

There were $84,303 in forfeitures used to reduce employer contributions to the Plan for the years ended December 31, 2025. As of December 31, 2025 and 2024, there were $2,408 and $2,034, respectively, in forfeited non-vested accounts available to be used to pay for plan administrative expenses or reduce future employer contributions to the Plan.

SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through October 15, 2026, which is the date the financial statements of the Plan were available to be issued.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting except for the distributions paid to participants which are presented on the cash basis of accounting. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because the contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The financial statements include the fully benefit-responsive investment contract and its related activity on a contract value basis.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of certain assets, liabilities, and disclosures. Accordingly, the actual amounts could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments consists of the realized gains or losses and the unrealized appreciation or depreciation on investments of those investments.

DISTRIBUTIONS

Distributions are recorded when paid. At December 31, 2025 and 2024, there were no benefits processed and approved for payment, but not paid.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

EXPENSES

Certain administrative expenses of the Plan may be paid by the Employer. Other expenses may be paid from plan assets and are deducted from participant accounts in accordance with the plan document.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

Mutual of America, the custodian, has reported and certified as to the completeness and accuracy of the investment information for purposes of preparing the financial statements and supplemental schedule related thereto. This information includes investments held and notes receivable from participants at December 31, 2025 and 2024 and net appreciation/(depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2025. In accordance with the procedures stated in 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the audit of an independent public accountant need not extend to any statement or information prepared and certified by the custodian. The plan administrator, therefore, has instructed the independent public accountants to exclude the information certified by the custodian from the scope of their audit.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan applies FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*. FASB ASC 820 provides the framework for measuring fair value and the disclosures about fair value measurements of assets and liabilities. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: - quoted prices for similar assets or liabilities in active markets; - quoted prices for identical or similar assets or liabilities in inactive markets; - inputs other than quoted prices that are observable for the asset or liability ; - inputs that are derived principally from or corroborated by observable market data correlation or other means. If the asset or liability has a specified (contractual) term, the
Level 3	Unobservable inputs significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

POOLED SEPARATE ACCOUNTS

Valued at the net asset value per share ("NAV") or equivalent based on units of pooled separate accounts. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the pooled separate account less its liabilities. The NAV is measured by the custodian or investment manager on a daily basis. Participant transactions, including purchases and sales, may occur daily. Were the Plan to initiate a full redemption of the pooled separate accounts, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

Investments at fair value as of December 31, 2025:

Investment Type	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts*:	$ -	$ -	$ -	$ 8,520,886

Investments at fair value as of December 31, 2024:

Investment Type	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts*:	$ -	$ -	$ -	$ 6,484,487

* In accordance with fair value measurement guidance, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented as investments in the statements of net assets available for benefits.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share (or its equivalent) as of December 31, 2025 and 2024:

Investments at fair value as of December 31, 2025:

Investment Type	Total	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled Separate Accounts:	$ 8,520,886	-	Daily	None

Investments at fair value as of December 31, 2024:

Investment Type	Total	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled Separate Accounts:	$ 6,484,487	-	Daily	None

NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a fully benefit-responsive investment contract with Mutual of America. The general account portion of this contract, or the Interest Accumulation Account, represents a deposit administration contract, and the assets in this account are commingled with other assets of the insurance company. The account is reported at contract value and credited with interest at the rate specified in the contract, but may not be less than 1% nor greater than 3%, and is charged with the purchase price of annuities when participants retire and with any incidental benefits (death, disability, and withdrawal) disbursed directly from the account. The average yield and crediting yield was approximately 2.45% and 2.85% for the years ended December 31, 2025 and 2024, respectively. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events may limit the ability of the Plan to transact at contract value such as: (1) complete or partial plan termination or merger with another plan, (2) plan sponsor events such as bankruptcy, spinoffs, divestitures, layoffs, or retirement incentive programs, (3) the liberalization of plan withdrawal or transfer rules, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Upon occurrence of any of these events, a market value adjustment may apply. Plan management does not believe the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 6 – PLAN TAX STATUS

The Plan obtained a favorable opinion letter from the Internal Revenue Service dated March 31, 2017, stating that the Plan was designed in accordance with the applicable regulations of the IRC. The Plan has been amended since receipt of the opinion letter. The Plan sponsor and the Plan administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

NOTE 8 – TRANSACTIONS WITH PARTIES-IN-INTEREST

Plan investments are with Mutual of America, who is the custodian as defined by the Plan. Any purchases and sales of these funds are done in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Fees paid by the Plan to Mutual of America and related companies for investment management are deducted from earnings and included in the statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments. Other administrative fees are paid by the Employer on behalf of the Plan. Fees paid by the Plan that qualify as party-in-interest transactions totaled $3,899 for the year ended December 31, 2025.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits as reported in the financial statements to the Form 5500 as of December 31:

	2025	2024
Net assets available for benefits per the financial statements	$ 8,879,159	$ 6,785,858
