Independent Auditor's Report

Retirement Plan Committee
Johnson Outdoors Retirement and Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Johnson Outdoors Retirement and Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate .

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Schedules H, Part IV, Line 4a and 4i – Delinquent Transactions and Schedules of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF THE PLAN

The following description of Johnson Outdoors Retirement and Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a tax qualified defined contribution plan sponsored by Johnson Outdoors Inc. (the "Company" or "Employer") and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") and the Internal Revenue Code ("IRC"). A retirement plan committee comprised of representatives of the Company have fiduciary oversight of the Plan.

2. Participation

The following employers participate in the Plan:

- Johnson Outdoors Inc.
- Johnson Outdoors Watercraft Inc.
- Johnson Outdoors Marine Electronics, Inc.
- Johnson Outdoors Gear, Inc.
- Johnson Outdoors Diving LLC

The Plan allows all employees in covered employment to participate in the Plan and receive all applicable employer contributions on the first day of employment with one of the above named participating employers.

3. Contributions

Eligible participants may make voluntary pre-tax and after-tax contributions of their base compensation (as defined by the Plan), subject to certain statutory limits. Participant contributions made with tax-deferred dollars under Section 401(k) of the IRC are excluded from the participant's current taxable income for federal income tax purposes. No federal income tax is paid on the tax-deferred contributions and growth thereon until the participant makes a withdrawal from the Plan. An employee is automatically enrolled in the Plan at 6% of eligible compensation as Roth contributions unless the participant elected a different amount or elected not to participate. Participants must make an annual election to opt-out of auto-escalation, or participants' contributions will be automatically escalated by 1% of Roth contributions, after the first of every year, up to a maximum of 15% of Roth contributions.

Participants may also choose to make contributions on an after-tax basis through a Roth 401(k) option. Contributions and earnings for the Roth 401(k) option are not subject to taxation at the time of distribution, as long as the distribution is a "qualified distribution" made no earlier than five years after the first Roth 401(k) contribution to the Plan. A qualified distribution is a distribution after separation of service and due to death, disability or after age 59½. The participant's contribution rate may be adjusted at the discretion of the Plan administrator if a reduced rate is necessary to maintain Section 401(k) benefits.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants ages 60-63 may make contributions of the greater of (1)$10,00 or (2) 150% of the regular catch-up contribution amount, indexed for inflation. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company's matching contribution is equal to 50% of the first 6% of a participant's compensation contributed by the participant to the Plan. The Company made matching contributions of $2,162,038 in 2025.

In addition, the Company may make a discretionary nonelective retirement contribution to the Plan to be allocated to the accounts of eligible participants. To be eligible for this contribution, the participant must be employed on the last day of the Plan year, or have terminated employment due to death, disability or retirement at age 55 or over. The amount of such contributions, if any, is at the discretion of the Compensation Committee of the Board of Directors. The Company made discretionary retirement contributions of $727,780 in 2025.

4. Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, an allocation of the Company's discretionary retirement contribution based on regular employee earnings for the period, if applicable, an allocation of Plan investment returns based upon the participant's net account balance, and an allocation of expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

5. Vesting

Participant contributions, Company matching contributions, discretionary retirement contributions and investment earnings thereon are 100% vested at all times.

6. Payment of Benefits

Upon retirement or permanent disability, participants may elect to receive the value of their account. Upon termination, with balances below $1,000, participants accounts are automatically distributed to them, or with balances between $1,000 and $7,000, participant accounts are automatically rolled over into an IRA. In accordance with the SECURE 2.0 super catch-up contribution limit, an employee may contribute an additional $11,250 between the ages of 60 to 63. Once an employee turns 64 years old, the contribution limit reverts back to the standard age 50-plus limit. Upon termination, with balances $5,000 and over, participants may elect to receive the value of their account. Participants may elect installment or partial payments upon retirement, termination or permanent disability. Upon death, the account balance will be paid to the participant's beneficiary or estate. Prior to termination of service, participants may also elect to receive a hardship withdrawal distribution, as defined in the Plan. A participant who has attained age 59-1/2, but who has not terminated employment, is entitled to have the whole or any part of their accounts paid to him or her.

7. Notes Receivable from Participants

Participants may borrow from their account a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. However, if there was an outstanding loan in the previous 12 months the amount of the highest outstanding loan balance will be deducted from the maximum amount the participant is allowed to borrow. Loans have a fixed term for repayment not to exceed 60 months. Loans are secured by the balance in the participant's account and bear interest rates based on the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions. The outstanding balance of any loan may be prepaid at any time without penalty.

8. Investment Options

Participants may invest their account balances into a variety of investment options offered by the Plan. Participants may change their investment options daily. During 2025 participants in the Plan had the ability to self-direct their funds into the following investment options:

American Funds Balanced Fund

9. Plan Termination

Although the Company has not expressed any intent to terminate the Plan, it may do so at any time upon proper resolution by the Board of Directors. The Company may also terminate discretionary retirement contributions to the Plan. In the event of Plan termination, the Plan Trustee shall continue to administer the trust until otherwise directed by the Board of Directors. Upon termination of the trust, participants or their beneficiaries will receive the full value of their account.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting and in conformity with accounting principles generally accepted in the United States of America ("GAAP").

2. Investments Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's valuation policies are determined by the Company's retirement plan committee. There have not been any changes in policies used at December 31, 2025 and 2024. The shares of mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The Plan's interest in the collective trusts are valued based on the NAV of the units of the common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accounted for on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. Administrative Expenses and Investment Management Fees

Certain expenses incurred in the administration of the Plan and expenses incurred in connection with the sale, investment and reinvestment of Plan assets are paid by the Plan. During 2025, all participant accounts were charged $11.25 per quarter to pay for a portion of the Plan's ongoing administration. Fees charged by the Plan's investment advisor are paid by participants on a pro-rata formula based on account balance as a proportion of total plan assets. Such fees totaled $60,000 in 2025. Expenses incurred for attorney and audit fees related to the administration of the Plan are paid by the Company.

4. Use of Estimates

The preparation of the financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect the amounts reported in assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

5. Payment of Benefits

Benefits are recorded when paid.

6. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

7. Contributions

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which participant compensation is earned.

NOTE C - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy which prioritized the inputs to valuation techniques. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. Under this guidance, valuation techniques must maximize the use of relevant observable inputs and minimize the use of unobservable inputs. This guidance establishes a fair value hierarchy based on three levels of inputs, of which the first two are considered observable and the last unobservable.

Level 1 - Quoted prices in active markets (e.g. NYSE, NASDAQ, etc.) for identical assets or liabilities. These are typically obtained from real-time quotes for transactions in active exchange markets involving identical assets.

Level 2 - Inputs, other than quoted prices included within Level 1, which are observable for the asset or liability, either directly or indirectly. These are typically obtained from readily available pricing sources for comparable instruments and inputs derived from observable market data by correlation or other means.

Level 3 - Unobservable inputs, where there is little or no market activity for the asset or liability. These inputs reflect the reporting entity's own assumptions of the data that market participants would use in pricing the asset or liability, based on the best information available in the circumstances.

Investments at Fair Value

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024, respectively. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

As of December 31, 2025

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 65,954,517	$ -	$ -	$ 65,954,517
Investments valued at NAV (a)				120,977,085
Investments at fair value				$ 186,931,602

As of December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 79,759,071	$ -	$ -	$ 79,759,071
Investments valued at NAV (a)				89,170,737
Investments at fair value				$ 168,929,808

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent), as a practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The valuation techniques used to measure fair value of the mutual funds and collective trust funds are included in note B-2.

In order to assess the appropriate classifications of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. The significance of transfers between levels is evaluated based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. There were no transfers in or out of Level 3 for the year ended December 31, 2025.

Investments Measured Using Net Asset Value per Share Practical Expedient

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions of these investments. The redemption notice period is applicable only to the Plan.

	2025

NOTE D - INFORMATION CERTIFIED BY PLAN TRUSTEE

The following is a summary of the Plan's asset information as of December 31, 2025 and 2024, and for the year ended December 31, 2025, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified as complete and accurate by T. Rowe Price Trust Company, a qualified institution:

- Mutual funds of $65,954,517, collective trusts of $120,977,085 and notes receivable from participants of $2,127,899, as included in the Statements of Net Assets Available for Benefits as of December 31, 2025. Mutual funds of $79,759,071, collective trusts of $89,170,737 and notes receivable from participants of $2,275,995, as included in the Statements of Net Assets Available for Benefits as of December 31, 2024.

- Net appreciation in fair value of investments of $19,836,266, dividends of $3,636,164 and interest on notes receivable from participants of $188,117 as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2025.

NOTE E - INCOME TAX STATUS

The Plan restated and adopted a Pre-approved Defined Contribution Plan sponsored by T. Rowe Price Retirement Plan Services, Inc. The Plan has received an advisory letter from the Internal Revenue Service dated August 19, 2020, as to the acceptable qualified status. The Plan advisory letter has been relied upon by the Plan upon adoption of the pre-approved plan.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

All transactions involving the investments administered by T. Rowe Price, the trustee and recordkeeper, , and other transactions with the Company or plan participants are considered permitted party-in-interest transactions. Fees paid by the plan for administrative expenses paid to T. Rowe Price amounted to $77,185.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE G - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and, that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - RECONCILIATION OF THE FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2025 and 2024:

	2025	2024
Net assets available for benefits per the financial statements	$ 190,090,591	$ 172,188,494
Differences in:		
Investments, participant loans	2,127,899	2,272,995

Net assets available for benefits per the Form 5500	$ 190,090,591	$ 172,188,494

NOTE I – PROHIBITED TRANSACTIONS

During 2025, the Plan sponsor inadvertently failed to deposit approximately of participant contributions and loan payments $264,752 and $34,955, respectively, within the required timeframe as stated by the United States Department of Labor (DOL) regulations. The Plan sponsor deposited lost earnings in the amount totaling approximately $644 to correct this failure in 2026. The Plan sponsor filed Form 5330 and intends to pay applicable excise tax to the IRS. The correction and any excise taxes, if applicable will be made from the Plan sponsor's assets and not from assets of the Plan.

NOTE J – SUBSEQUENT EVENTS

The Plan Administrator has evaluated subsequent events through October 15, 2026, the date the financial statements were available to be issued. There were no subsequent events.
