INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of the
Diesel USA, Inc. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Diesel USA, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Diesel USA, Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diesel USA, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diesel USA, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diesel USA, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diesel USA, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and Delinquent Participant Contributions as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DIESEL USA, INC. 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Diesel USA, Inc. 401(k) Savings Plan (the Plan), is provided for general information purposes only. Participants should refer to the Plan document for a more detailed explanation of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Diesel USA, Inc., Staff USA, Inc., Marni USA, Corp., Jil Sander USA, Inc., and Margiela USA, Inc. (the Company) who have attained 21 years of age and have completed 1 month of service by the next plan entry date. Effective April 1, 2016, the Plan was amended to also exclude employees covered by a collective bargaining agreement and to include non-resident aliens.

Contributions

Participants may elect to defer a percentage of their eligible compensation on a pre-tax and/or Roth after-tax basis contributions, subject to limitations under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, including the increased catch-up contribution available to participants who attain ages 60 through 63 during the Plan year. Participants may also contribute amounts representing distributions from other qualified plans or a rollover IRA (rollover contributions). Participants may direct the investment of their account balance into various investment options offered by the Plan. The Plan allows for a discretionary matching contribution. During 2025, the Company matched 50% of the first 5% of eligible compensation that participants contributed to the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of the Company’s contributions and Plan earnings and charged with withdrawals and an allocation of administrative expenses and Plan losses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTE 1: DESCRIPTION OF THE PLAN - CONTINUED

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of the participant's account plus earnings thereon is based on the vesting schedule below:

Years of Service	Vested Percentage
1	25%
2	50%
3	75%
4	100%

Participants' interest in their accounts shall become 100% vested and nonforfeitable without regard to their credited years of service if they are employed by the Company on or after age 65, incur a permanent disability, die while employed by the Company, or if the Plan is terminated.

Forfeitures

In accordance with the Plan document, forfeitures of non-vested employer contributions and earnings thereon are used to pay for administrative expenses of the Plan or to reduce future employer contributions. At December 31, 2025 and 2024, forfeited non-vested accounts totaled $71,793 and $73,705, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 and a maximum equal to the lesser of (a) $50,000 reduced by the highest outstanding loan balance during the previous 12 months, or (b) 50% of their vested account balance. A participant may have a maximum of two loans outstanding at any time. The loans bear interest at a rate equal to the prime rate plus 1%. Generally, loans must be repaid within five years, unless for the purchase of a primary residence.

Payment of Benefits

The Plan has provisions for in-service, hardship, disability, death and termination benefits for those participants who are eligible to receive such benefits. Distributions can be lump-sum payments or substantially equal installments.

NOTE 1: DESCRIPTION OF THE PLAN - CONTINUED

Administration

The Plan is administered by the Company. Empower (formerly Great-West) served as the Plan's recordkeeper, and Empower Trust Company, LLC (formerly Great-West Trust Company, LLC) served as trustee of the Plan, through March 16, 2025. Effective March 17, 2025, ADP, Inc. (ADP) became the Plan's recordkeeper and ADP Retirement Trust Services, LLC (ADPRTS) became the custodian of the Plan's assets. The plan administrator makes its employees aware that they are eligible to participate in the Plan and distributes materials, the Summary Plan Description and enrollment packet. ADP assists employees with investment selection and distributions. The guaranteed interest account issued by Empower Annuity Insurance Company of America continued to be held by the Plan following the transition.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual basis of accounting.

Investment Valuation and Income Recognition

Except for the guaranteed interest account issued by Empower (see Note 5) and funds issued at net asset value per share (see Note 4), investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities and changes therein. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Excess Contributions Payable
At December 31, 2025 and 2024, the Plan does not have a liability for amounts refundable by the Plan to participants for contributions made in excess of amounts allowed under the IRC.

Payment of Benefits
Benefits are recorded when paid.

Expenses
Effective March 17, 2025, the Plan transitioned recordkeeping services from Empower to ADP. Recordkeeping and investment advisory fees under the ADP arrangement are charged to participant accounts and are included in administrative expenses in the accompanying statements of changes in net assets available for benefits.

NOTE 3: FAIR VALUE MEASUREMENT

ASC 820-10 establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

Following is a description of the valuation methodologies used for investments measured at fair value.

Registered Investment Companies: Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1).

NOTE 3: FAIR VALUE MEASUREMENT - CONTINUED

Common Collective Trust: Valued at the net asset value (NAV) of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

There have been no changes in the methodologies used at December 31, 2025 and 2024.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at fair value are summarized as of:

	Investments at Fair Value as of December 31, 2025	
	Level 1	Total
Registered Investment Companies	$ 14,911,471	$ 14,911,471
	$ 14,911,471	**$ 14,911,471**

	Investments at Fair Value as of December 31, 2024	
	Level 1	Total
Registered Investment Companies	$ 14,196,136	$ 14,196,136
	$ 14,196,136	**$ 14,196,136**

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 4. NET ASSET VALUE (NAV) PER SHARE

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value Using Net Asset Value per Share December 31, 2025	
	Fair Value *	Unfunded Commitment
Putnam Stable Value Fund - Class 25 (a)	$ 140,063	$ -

	Fair Value Using Net Asset Value per Share December 31, 2024	
	Fair Value *	Unfunded Commitment
Putnam Stable Value Fund - Class 25 (a)	$ -	$ -

* The fair values of the investments have been estimated using the net asset value of the investment.

(a) Strategies seek to invest in a variety of investment contracts offered by major insurance companies and other approved financial institutions and in certain types of fixed income securities.

NOTE 5: BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a guaranteed interest account (GIA) with Empower Annuity Insurance Company of America (Empower), formerly Great-West Life & Annuity Insurance Company. The GIA is a traditional investment contract held in Empower's general account. Empower guarantees repayment of principal and interest credited under the contract. The contract is not backed by specific assets held in the Plan's name. Accordingly, the Plan's interest represents a claim against Empower's general account and is subject to Empower's credit risk.

NOTE 5: BENEFIT-RESPONSIVE INVESTMENT CONTRACT - CONTINUED

The contract is fully benefit-responsive and is reported at contract value. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus credited interest, less participant withdrawals, transfers, and administrative expenses. Participants may ordinarily withdraw or transfer all or a portion of their investment at contract value. At December 31, 2025 and 2024, the GIA's contract value was $614,789 and $734,693, respectively. No valuation reserves were recorded for the issuer's credit risk or any other reason.

Interest is credited at a rate established by Empower in accordance with the contract's provisions. The crediting rate is reviewed periodically and is subject to the minimum guaranteed rate specified in the contract.

Certain events may limit the Plan's ability to transact at contract value with Empower. Such events may include amendments to the Plan, complete or partial Plan termination, merger with another plan, changes to competing investment options or equity wash provisions, bankruptcy or other significant events affecting the Plan sponsor, or the failure of the Plan to maintain its tax-qualified status or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event that would limit the Plan's ability to transact at contract value is probable.

NOTE 6: PLAN TERMINATION

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 7. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8: TAX STATUS

The Plan adopted a standardized form of a volume submitter plan sponsored by Automatic Data Processing (ADP). The prototype plan has received an opinion letter, dated October 6, 2020, from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions and the Department of Labor; however, there are currently no audits for any tax periods in progress.

NOTE 9: FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN

Empower Trust Company, LLC, the Plan's trustee through March 16, 2025, and ADPRTS, the Plan's custodian effective March 17, 2025, have certified to the completeness and accuracy of the investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024, schedule of assets (held at end of year) as of December 31, 2025, and the investment activity (including interest and dividend income and net appreciation in fair value of investments) and interest income on notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2025, each for the period during which it held the Plan’s assets.

NOTE 10: PARTY-IN-INTEREST TRANSACTIONS

Certain employees of the Company provide administrative services to the Plan, and are not reimbursed for their services from the Plan. Empower served as the Plan's recordkeeper and trustee through March 16, 2025, and ADP and ADPRTS served as the Plan's recordkeeper and custodian, respectively, effective March 17, 2025. The Plan also holds a guaranteed interest account issued by Empower Annuity Insurance Company of America and an investment in the Empower S&P Mid Cap 400 Index Fund, which is managed by an affiliate of Empower. Accordingly, transactions with these entities, including fees paid for recordkeeping and other services, qualify as party-in-interest transactions. Notes receivable from participants also qualifies as party-in-interest transactions.

NOTE 11: SUBSEQUENT EVENTS

In preparing the financial statements, management has evaluated events and transactions for potential recognition or disclosure through October 10, 2026, the date that the financial statements were available to be issued.
