Independent Auditor's Report

To the Plan Administrator
Cascade Living Group, Inc. 401(k) Plan
Bothell, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Cascade Living Group, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2025, and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification(s), comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 and the Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to

prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of the Cascade Living Group, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of Plan provisions.

General

The Plan is a defined contribution retirement plan covering substantially all employees of Cascade Living Group, Inc. and its participating subsidiaries (collectively, the Company) and is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan is administered by an employee of the Company, who is the Plan Administrator and Trustee.

Eligibility

In general, unless specifically excluded by provisions of the Plan, employees of the Company are eligible to participate after the completion of at least 500 Hours of Service during the first six months or completion of an year of service whichever is earlier, provided they are 21 years of age. Additionally, in order to receive employer contributions, if any, the employee must be employed on the last day of the Plan year (unless the employee retires, dies, or becomes disabled during the Plan year). Employees may enroll quarterly on the first day of the first, fourth, seventh, and tenth month of the Plan Year, when they reach eligibility, if employed on that date.

Contributions

Participants

In general, eligible employees may elect to contribute 100% of eligible compensation, both pre-tax and Roth. Employees who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers from other qualified plans).

Employer

The Plan provides that the Company may make a non-elective contribution to the Plan each year in an amount determined by the Company at its discretion (referred to as a profit-sharing contribution). Any non-elective contribution is allocated based upon eligible compensation, as defined by the Plan. The Plan also provides that the Company may make matching contributions to the Plan at its discretion. Matching contributions are based upon participants' eligible contributions made during the year. Matching contributions amounting to $458,243 were made for the 2025 Plan year.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's respective account is credited with the participant's contributions, the Employer's contributions allocated on behalf of the participant, and the participant's share of the Plan's earnings, if any, and is charged with the participant's share of expenses. The Plan's earnings

and expenses are charged according to the participant's relative account balances in the investment options. Certain fees, if applicable, are also charged to participant accounts.

Participants direct the investment of both their contributions and their allocation of Company contributions into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions to the Plan and related earnings. Contributions from the Company and related net earnings become vested to the participant based on the following schedule of years of service:

Completed Years of Service	Vested (%)
Less than 1	-
1 but less than 2	25
2 but less than 3	50
3 but less than 4	75
4 or more	100

Additionally, a participant becomes 100% vested when the participant reaches normal retirement age or dies while in the service of the Company or becomes disabled while a participant. Normal retirement age is 65.

Forfeitures

The portion of a terminated participant account that is not vested (forfeitures) will be used to pay expenses of the Plan or to reduce employer contributions, if any. There were no forfeitures in 2025 or 2024.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or other reasons, a participant or the participant's beneficiary upon their consent may receive a lump-sum amount equal to the value of the participant's vested interest in their account provided their vested account balance is in less than $5,000 on the date the Participant terminates employment. A participant who terminates employment with a vested account balance exceeding $5,000 may receive a distribution of their vested account balance in any form permitted on the date the participant terminates employment.

Upon termination of service, vested benefits of $1,000 or less will be paid out in a lump-sum distribution, and vested benefits over $1,000 but less than $5,000 will be rolled into an individual retirement account held by a third-party custodian unless otherwise elected by the participant. If the vested account balance exceeds $5,000, no distribution will be made from the plan without the consent of the participant until the attainment of Normal Retirement age (or age 62, if later).

Distributions are generally only allowed after termination of employment with the Company; however, distributions can be made during a participant's employment under certain hardship provisions as defined within the Plan document.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America, using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the Custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade-date basis. Interest and dividend income, if any, is recorded on the accrual basis. The Plan presents in the Statement of Changes in Net Assets Available for Benefits the net appreciation or depreciation in the fair value of its investments, which consists of realized gains or losses and the unrealized appreciation or depreciation on those investments.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses related to the operation and maintenance of the Plan, as well as certain investment and transaction fees, are paid by the Plan. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain transaction fees related to distributions are charged directly to the participant's account. Investment related expenses charged by the funds are included in net appreciation/depreciation in fair value of investments.

3. Certified Investment Information

Certain information disclosed in the accompanying financial statements and Schedule H, Line 4i - Schedule of Assets (Held at End of Year), related to investments held as of December 31, 2025 and 2024, and net appreciation in fair value of investments for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (USA) (John Hancock), custodian of the plan and a qualified institution.

4. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Pooled Separate Accounts - Reported at fair value using the net asset value (NAV), which is determined by the administrators of the accounts and is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets (primarily mutual funds), less any liabilities, and then divided by the number of shares or units outstanding. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. There are generally no restrictions on redemption or the ability to sell the investments, and redemption notice periods are almost immediate. There are no unfunded commitments related to investments. Investments held at year end are primarily invested in conservative and moderate growth funds, which seek growth of capital and current

income while managing volatility. The investments in pooled separate accounts are direct filing entities.

In accordance with FASB Subtopic 820-10, investments measured at NAV per unit (or its equivalent), as a practical expedient for fair value, have not been classified in the fair value hierarchy.

There have been no changes in the methodologies used at December 31, 2025 or 2024.

The preceding methods described may produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Related Party and Party-in-Interest Transactions

As Custodian of the Plan, John Hancock is a party-in-interest as defined by ERISA. Certain Plan investments are in pooled separate accounts managed by the Custodian. The fees paid to the Custodian qualify as party-in-interest transactions permitted by the Department of Labor's Rules and Regulations and are exempt under ERISA. Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain other parties.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan for these services.

6. Risks and Uncertainties

The Plan holds various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

7. Plan Termination

The Company expects to continue the Plan indefinitely but reserves the right to terminate or amend the Plan at any time. However, no such amendment or termination shall deprive any participant of any vested interest in the Plan. Upon termination, the obligation of the Company to make contributions to the Plan shall cease and all amounts credited to the participants' accounts shall be fully vested. The Company may then direct management of the Plan to either distribute the funds to the participants or continue the trust, with distributions to be made pursuant to the Plan.

8. Tax Status

The Plan document is a pre-approved defined contribution plan. The Internal Revenue Service (IRS) determined and informed Definiti LLC in a letter dated June 30, 2020, that the pre-approved plan was designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes the

Plan is designed and is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified Tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
