**Report of Independent Auditors**

The Participants and Plan Administrator
Kualoa Ranch Hawaii, Inc. 401(k) Savings Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the accompanying financial statements of the Kualoa Ranch Hawaii, Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

"Accuity" is the brand name under which Accuity LLP and Accuity Advisors, LLC provide professional services. Accuity LLP and Accuity Advisors, LLC practice as an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable laws, regulations, and professional standards. Accuity LLP is a licensed independent CPA firm that provides attest services to its clients, and Accuity Advisors, LLC provides tax and business consulting services to their clients. Accuity Advisors, LLC, is not a licensed CPA firm.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

**Supplemental Schedule Required by ERISA**

The supplemental schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

"Accuity" is the brand name under which Accuity LLP and Accuity Advisors, LLC provide professional services. Accuity LLP is a licensed independent CPA firm that provides attest services to its clients, and Accuity Advisors, LLC provides tax and business consulting services to their clients. Accuity Advisors, LLC, is not a licensed CPA firm.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. Description of Plan

The following description of the Kualoa Ranch Hawaii, Inc. 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

**General**
The Plan is a voluntary defined contribution plan covering employees of Kualoa Ranch Hawaii, Inc. (the "Company"). The Company provides benefits to eligible employees, as stated in the plan agreement. The Plan is subject to the provisions of the Internal Revenue Code ("IRC") and the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

**Administration of Plan Assets**
The Company has appointed Hicks Pension Group LLC to act as a third-party administrator to manage the operations and perform administrative functions pursuant to an Administrative Services Agreement between the Company and the third-party administrator. Empower Trust Company, LLC ("Empower") serves as the Plan's custodian and Empower Annuity Insurance Company of America ("EAICA") provides an insurance product and serves as an insurer.

**Eligibility**
Employees become eligible to participate in the Plan and eligible for employer contributions once they have completed two consecutive months of service with 165 hours of service earned over the two-month time frame and are age 18 or older. The entry date is the first day of the month coinciding with or next following the date on which employees satisfy the eligibility requirements.

**Contributions**
Participants may elect to make pre-tax and Roth elective deferrals up to the maximum allowed by the IRC, which was $23,500 in 2025. Participants who attain age 50 before the close of the year may also elect to make additional catch-up contributions to the Plan not to exceed the amount allowable under current income tax regulations, which was $7,500 in 2025. Participants attaining age 60–63 are allowed to make a super catch-up of up to $11,500.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Such contributions are deposited in the appropriate investment funds in accordance with each participant's direction and the Plan's provisions.

The Company provides safe harbor matching contributions of 100% of the participant's deferral contributions to the Plan up to a maximum of 5% of the participant's eligible compensation. The Company may also make a discretionary profit sharing contributions to the Plan which is based on a non-integrated allocation formula as defined by the Plan. To be eligible for the discretionary profit sharing contributions, participants must be employed by the Company on the last day of the Plan year and must have completed 1,000 hours of credited service in the Plan year. The Company did not elect to make a discretionary profit sharing contribution for the Plan year ended December 31, 2025.

**Participant Accounts**
Each participant's account is credited with the participant's contributions, employer matching contributions, and safe harbor contributions, and allocations of (a) the Company's discretionary profit sharing contribution, if any, and (b) plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is

the benefit that can be provided from the participant's vested account. Participants direct the investments of their contributions into various investment options offered by the Plan.

**Vesting**
Participants are immediately vested at all times in account balances attributed to participant contributions and safe harbor contributions plus actual earnings or losses thereon. Participants become 100% vested in any employer matching or discretionary profit sharing contributions after completing five years of eligible service in accordance with the following schedule:

| Years of Service | Vested Percentage |
|---|---|
| Less than 1 year | 0% |
| 1 year but less than 2 years | 20% |
| 2 years but less than 3 years | 40% |
| 3 years but less than 4 years | 60% |
| 4 years but less than 5 years | 80% |
| 5 years or more | 100% |

**Payment of Benefits**
The vested amount in each participant's account is payable upon normal retirement, disability, death, or termination of the Plan by the Company. Distribution options are available to the participants as determined by the plan agreement. Participants may withdraw all or a portion of their vested balance upon demonstration of financial hardship and compliance with other restrictions in the Plan.

**Notes Receivable from Participants**
Participants may borrow from their accounts a minimum of $1,000 up to a maximum of the lesser of: (1) $50,000 less the highest outstanding loan balance during the past 12 months, or (2) 50% of the vested portion of their account balance, as defined in the loan policy. The Plan allows each participant one outstanding loan at a time. Loan terms are generally five years or less, but may be up to fifteen years for the purchase of a primary residence. The loans are secured by the participant's vested account balance and bear an interest rate of 1% over the prime rate published in the Wall Street Journal on the date the loan is distributed. As of December 31, 2025, loans to participants bear interest at various rates ranging from 4.17% to 9.50% and mature at various dates through September 2030. Loan repayments are generally made ratably through payroll deductions.

Participant loans shall generally be deemed in default if a scheduled payment is missed and is not received by the end of the calendar quarter subsequent to the calendar quarter in which the missed payment occurred.

**Administrative Expenses**
All reasonable administrative costs and expenses may be paid from plan assets, unless some or all are paid by the Company. Administrative expenses recorded in the Plan during the year ended December 31, 2025 totaled $65,067, and includes loan origination fees, annual loan maintenance fees, and distribution fees, which are charged directly to the respective participants' account and contract asset charges and asset fees, which are allocated to the participants as stated in the Plan service agreement.

## 2. Summary of Significant Accounting Policies

### Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

### Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### Investment Valuation and Income Recognition

Investments of the Plan are held by the custodian and invested based upon instructions received from participants. The Plan's investments are stated at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized appreciation (depreciation) in the fair value of investments is based on the difference between the fair value of assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

### Risks and Uncertainties

The Plan invests in various types of investment securities. Investment securities in general are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the plan agreement. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

### Payment of Benefits

Benefits are recorded when paid.

### Subsequent Events

The Plan has evaluated subsequent events through October 14, 2026, the date at which the accompanying financial statements were available to be issued, and determined that there are no other items to disclose.

**3. Information Certified by the Custodian and Insurer**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian, Empower and the insurer, EAICA, have certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

| **December 31** | **2025** | **2024** |
|---|---|---|
| Investments at fair value | $ 10,367,419 | $ 8,680,888 |
| Investment at contract value | 76,934 | 204,041 |
| Notes receivable from participants | 190,323 | 171,309 |

| **Year Ended December 31** | **2025** |
|---|---|
| Net appreciation in fair value of investments | $ 1,358,028 |
| Dividend income | 34,889 |
| Interest income | 1,858 |
| Interest income on notes receivable from participants | 15,727 |

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

**4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the accounting guidance are described as follows:

- **Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- **Level 2** – Inputs to the valuation methodology include:
  - Quoted market prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- **Level 3** – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

- **Mutual funds** – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.

- **Collective trust funds** – Valued at their NAV as reported by the fund. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Each collective trust provides for daily redemptions by the Plan at reported NAV per share, with no advance notification requirement. There are no unfunded commitments or redemption restrictions associated with these funds. The funding strategies of Great Gray American Funds Class I utilizes a multi-asset objective target date strategy. The asset allocation strategy shifts systematically over time consistent with the projected retirement year in the fund's name.

The preceding measurements described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth the Plan's investments at fair value as of December 31, 2025 and 2024:

| | Investments at Fair Value as of December 31, 2025 | | | |
|---|---|---|---|---|
| | **Level 1** | **Level 2** | **Level 3** | **Total** |
| Mutual funds | $ 837,868 | $ - | $ - | $ 837,868 |
| Investments measured at net asset value [(a)] | - | - | - | 9,529,551 |
| | $ 837,868 | $ - | $ - | $ 10,367,419 |

| | Investments at Fair Value as of December 31, 2024 | | | |
|---|---|---|---|---|
| | **Level 1** | **Level 2** | **Level 3** | **Total** |
| Mutual funds | $ 457,671 | $ - | $ - | $ 457,671 |
| Investments measured at net asset value [(a)] | - | - | - | 8,223,217 |
| | $ 457,671 | $ - | $ - | $ 8,680,888 |

[(a)] Certain investments that are measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

**5. Fully Benefit-Responsive Investment Contract**

The Plan holds a fully benefit-responsive group annuity contract, the Empower Investments Fixed Account – Series Class I ("EI Fixed Account"), with EAICA. EAICA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

This general account meets the fully benefit-responsive criteria and therefore is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the Plan. Contract value, as reported to the Plan by EAICA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of EAICA or otherwise. The contract value of the investment contract at December 31, 2025 and 2024 was $76,934 and $204,041, respectively. The crediting interest rate is based on a formula agreed upon with the issuer and is reviewed on a quarterly basis for resetting. The average yield earned by the Plan was 1.45% and 1.41% for 2025 and 2024, respectively.

Certain events limit the ability of the Plan to transact at contract value with EAICA. Such events include premature termination of the contracts by the Plan, layoffs, partial or completed plan termination,

bankruptcy, mergers, and early retirement incentives. The Plan does not believe that any such events which would limit the Plan's ability to transact at contract value with the participants are probable.

**6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in their accounts.

**7. Related Party Transactions**

Notes receivable from participants are considered party-in-interest transactions. Plan investments during the year included the EI Fixed Account that is managed by EAICA, the insurer and therefore these transactions qualify as party-in-interest transactions. Any purchases and sales of these funds are performed on the open market at fair value. Total administrative fees paid to Empower or one of its affiliates for the year ended December 31, 2025, amounted to $18,670. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

The Company receives revenue sharing credits used to offset certain investment advisory and third-party administrator fees. During the year ended December 31, 2025, $38,197 of revenue sharing credits were used to offset investment advisory and third-party administrator fees. The Company or the Plan may make administrative expense payments not covered by revenue sharing.

**8. Tax Status**

The Plan is based on the non-standardized pre-approved profit sharing/money purchase/CODA plan sponsored by Hicks Pension Group LLC, the third-party administrator. The Internal Revenue Service ("IRS") informed Hicks Pension Group LLC by a letter dated December 17, 2021, that the non-standardized pre-approved profit sharing/money purchase/CODA plan upon which the Plan is based is designed in accordance with the provisions of the IRC. The Plan has not yet applied for its own determination letter and has subsequently been amended; however, in the opinion of the plan administrator, the Plan is currently being operated in compliance with the applicable requirements of the IRC and thus qualifies the Plan for tax exempt status.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes that the Plan is no longer subject to income tax examinations for years prior to 2022.

**9. Forfeitures**

At December 31, 2025 and 2024, forfeited non-vested accounts totaled $45,164 and $38,477, respectively. Forfeited non-vested accounts are retained in the Plan and may be used to pay for administrative expenses or to reduce future employer contributions. No forfeitures were used for the year ended December 31, 2025.

**10. Reconciliation of Financial Statements to Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

| December 31 | 2025 | 2024 |
|---|---|---|
| Net assets available for benefits per the financial statements | $ 10,634,676 | $ 9,056,238 |
| Less: Defaulted loans deemed on Form 5500 | (5,603) | (6,890) |
| Net assets available for benefits per the Form 5500 | $ 10,629,073 | $ 9,049,348 |

The following is a reconciliation of the increase in net assets per the financial statements to the Form 5500:

| Year Ended December 31 | 2025 |
|---|---|
| Increase in net assets per the financial statements | $ 1,578,438 |
| Change in deemed distributions | 1,287 |
| Increase in net assets per the Form 5500 | $ 1,579,725 |
