Independent Auditors' Report

The Plan Administrator
Greenfield World Trade Inc. 401(k) Plan
Weston, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements

We have performed an audit of the financial statements of the Greenfield World Trade Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 (in liquidation), the related statement of changes in net assets available for benefits for the year then ended (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2025 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and for the year then ended stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2025 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2025 Financial Statements* section of our report:

- **the amounts and disclosures in the 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).**
- **the information in the 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).**

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2025 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

As described in Note 1a to the financial statements, Greenfield World Trade Inc. was sold to a holding company, Legacy Companies, LLC. Due to the acquisition, the Plan Sponsor approved a plan of liquidation and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis of accounting used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the 2025 financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the 2025 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2025 financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2025 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2025 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2025 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2025 financial statements.

In performing an audit in accordance with GAAS, we:

- **Exercise professional judgment and maintain professional skepticism throughout the audit.**
- **Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.**
- **Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.**
- **Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.**

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2025 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Auditors' Report on the 2024 Financial Statements

Predecessor auditors performed an audit of the 2024 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for the Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated April 9, 2026, indicated that (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with GAAP, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) Description of plan

The following description of the Greenfield World Trade Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

(a) General

The Plan was a defined contribution plan which was adopted on November 1, 2018 to provide retirement benefits for employees of Greenfield World Trade Inc. (the "Plan Sponsor"). The Plan covered substantially all employees who are age 21 or older and completed 3 months of service ("participants"). Eligible employees could begin participating in the Plan on the first payroll date following when eligibility requirements were met. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In June 2025, Greenfield World Trade Inc. was sold to a holding company, Legacy Companies LLC. In October 2025, the Plan Sponsor resolved to terminate the Plan. Pursuant to this agreement and participants' direction, net plan assets were rolled over to the Legacy Companies LLC 401(k) Plan or Individual Retirement Accounts during October, November and December 2025. As a result, the Plan changed its basis of accounting from the ongoing basis used in presenting the 2024 financial statements to the liquidation basis used in presenting the 2025 financial statements.

(b) Contributions

Participants could voluntarily make qualified retirement contributions to the Plan which were deductible for federal income tax purposes under Section 401(k) of the Internal Revenue Code (IRC). Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants directed the investment of their contributions into various investment options offered by the Plan. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions.

The Plan Sponsor matched 50% of participant contributions that did not exceed 2% of compensation, as defined in the plan document.

Plan Sponsor and participant contributions could not exceed the maximum amount allowable for income tax purposes.

(c) Participant accounts

Each participant's account was credited or charged with the participant's contributions and allocations of Plan Sponsor's contributions, investment earnings or losses, and administrative expenses. Allocations were based on participant compensation or account balances as defined in the plan document. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account balance.

(d) Vesting

Participants were immediately vested in their elective salary deferral plus actual earnings (losses) thereon. Vesting in the Plan Sponsors matching contribution was based on years of continuous service. Participants began vesting after two years of credited service and 20% thereafter became fully vested after six years of credited service.

(e) Notes receivable from participants

Each participant could borrow from his or her fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of his or her vested account balance. The notes were secured by the balances in the respective participants' accounts and bear interest at fixed rates which were commensurate with local prevailing rates at the time the notes were issued as determined quarterly by the plan administrator. Principal and interest were collected ratably through payroll deductions or by a direct payment by the participant to the recordkeeper.

(f) Payment of benefits

On termination of service due to death, permanent disability, a participant could elect to receive a lump-sum payment equal to his or her entire account balance. For termination of service due to other reasons, a participant would be entitled to receive only the vested interest in his or her account as a lump-sum distribution. In-service withdrawals of all or a portion of a participant's vested account balance could have be made by participants who have attained the age of 59½.

(g) Forfeited accounts

Forfeitures were created when participants terminated employment prior to becoming fully vested in the Plan Sponsor contribution portion of their accounts. Such forfeitures reduced the Plan Sponsor's contributions to the Plan or used to pay Plan expenses.

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $0 and $5,402, respectively. During 2025 and 2024, Plan Sponsor contributions were reduced by $28,616 and $26,383, respectively, from forfeited nonvested accounts. Following the Plan's termination during 2025, the remaining forfeiture balance was allocated to eligible participants in connection with final distributions, resulting in a zero forfeiture balance at December 31, 2025.

(h) Hardship withdrawals

The Plan permitted distributions in the event of a hardship, as defined in the plan document. These distributions were taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals were limited to the participant's vested account balance, excluding earnings on salary deferrals and Plan Sponsor contributions.

(i) Administrative expenses

Certain expenses of maintaining the Plan were paid directly by the Plan Sponsor and were excluded from these financial statements. Fees related to the processing of distributions were charged directly to the applicable participants' accounts and were included in administrative expenses. Investment related expenses were included in net appreciation in fair value of investments.

(2) Summary of significant accounting policies

(a) Basis of accounting

As described in Note 1a of the financial statements, the Plan Sponsor elected to terminate the Plan effective October 31, 2025. In accordance with accounting principles generally accepted in the United States of America (GAAP), the plan has changed its basis of accounting as of and for the year ended December 31, 2025, from the going concern basis to the liquidation basis.

(b) Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividend income was recorded on the ex-dividend date. Net appreciation included the Plan’s gains and losses on investments bought and sold as well as held during the year.

(c) Notes receivable from participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants were reclassified as distributions based upon the terms of the plan document.

(d) Payment of benefits

Benefits were recorded when paid.

(e) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(f) Events occurring after reporting date

The Plan Sponsor has evaluated events and transactions that occurred between December 31, 2025, and October 14, 2026, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Information related to the investments and notes receivable from participants reported and disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including the fair value of investments and notes receivable from participants held at December 31, 2025 and 2024, net appreciation in fair value of investments, dividend income and interest on notes receivable from participants for the years ended December 31, 2025 and 2024, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by ADP Retirement Trust Services, LLC.

(4) Fair value measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 and Level 3 inputs are not applicable to the Plan.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

(i) ***Mutual funds*****: Valued at the net asset value (NAV) of shares held by the Plan at year end based on quoted prices in an active market.**

(ii) ***Collective trust funds*****: Carried at fair value using NAV as a practical expedient. Valued at the NAV of units held by the Plan at year-end as posted by the fund, which is considered by plan management to be the best approximation of fair value. There are no restrictions on the redemption of investments held in the fund.**

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level the Plan's assets within the fair value hierarchy as of December 31, 2024:

	Fair Value Measurements as of December 31, 2024 Using the Following Inputs			
	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy - mutual funds	$ 13,314,807	$ -	$ -	$ 13,314,807
Investments measured at NAV as a practical expedient (a)				634,232
Investments at fair value				$ 13,949,039

(a) Certain investments are measured at net asset value as a practical expedient to estimate fair value and, therefore, has not been classified in the fair value hierarchy.

The following table summarizes investments for which the fair value is measured using the NAV practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments.

Description	Fair Value 12/31/2025	Fair Value 12/31/2024	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Collective trust funds	$ -	$ 634,232	n/a	Daily	None

(5) Income tax status

The Plan Sponsor adopted a pre-approved profit sharing plan, which received a favorable opinion letter from the Internal Revenue Service (IRS) on October 6, 2020, which stated that the pre-approved plan was designed in accordance with the applicable sections of the IRC. The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and is therefore, qualified and exempt from taxation.

(6) Related party and party-in-interest transactions

As described in Note 1, the Plan paid expenses to various service providers and held notes receivable from participants which qualify as party-in-interest transactions.
