Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Law Offices of Robert S. Gitmeid & Associates 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

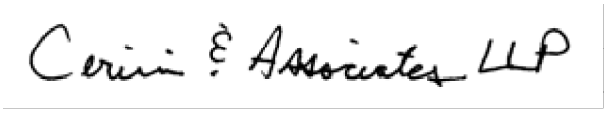

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2025

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Law Offices of Robert S. Gitmeid & Associates 401(k) Profit Sharing Plan and Trust (the "Plan") is presented to assist in understanding the Plan's financial statements and supplemental information. These financial statements, supplemental information, and notes are representations of the Law Offices of Robert S. Gitmeid & Associates, PLLC's (hereinafter, the "Employer" or the "Plan Sponsor") management, which is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America, and have been consistently applied in the preparation of the financial statements and supplemental schedule.

Basis of Accounting:
The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates:
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition:
Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 3 and 4 for a further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year. During the year ended December 31, 2025, the Plan's net investment income (including gains and losses on investments bought and sold, as well as held during the year) was $1,251,755.

Participant Notes Receivable:
Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Payment of Benefits:
Benefits are recorded when paid to the Plan's participants.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Events Occurring After Report Date:
The Plan Sponsor evaluated events and transactions that occurred between January 1, 2026 and October 15, 2026, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. No such events or transactions were noted.

NOTE 2 – DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:
The Plan is registered with the Internal Revenue Service ("IRS") as a prototype, non-standardized, profit-sharing plan with a cash or deferred arrangement.

The Plan is a defined contribution plan covering all employees of the Plan Sponsor who have completed one month of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

John Hancock Trust Company ("JHTC") serves as the Plan custodian for the period January 31, 2025 through December 31, 2025. Reliance Trust Company ("RTC") served as the Plan custodian for the year ended December 31, 2024 and ADP Retirement Trust Services ("RTS") served as the Plan custodian for the period January 1, 2025 to January 31, 2025. The Plan Sponsor used Automatic Data Processing ("ADP") for its administrative and recordkeeping services for the year ended December 31, 2024 and for the period January 1, 2025 to January 31, 2025. As of February 1, 2025, the Plan uses John Hancock Retirement for its recordkeeping services.

Contributions:
Each year, participants may contribute to the Plan a percentage of compensation, as defined, or a specific dollar amount. Employees may elect to defer a maximum amount not to exceed the annual thresholds established by the IRS. Participants who attained age 50 by the end of the Plan year were eligible to make catch-up contributions. Participants may also contribute amounts distributed from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan.

Automatically enrolled participants have their deferral rates set initially at 3% of eligible compensation and their contributions are invested in a balanced fund until changed by the participant.

NOTE 2 – DESCRIPTION OF THE PLAN *(continued)*

The Plan also allows participants to designate a portion of their contributions to be treated as "Roth" contributions. A contribution treated as a Roth contribution is subject to current federal income tax at the time it is contributed to the Plan. However, if certain requirements are satisfied prior to the distribution of such amounts from the Plan, distributions of amounts attributable to Roth contributions (including earnings thereon) will not be subject to federal income tax at the time of distribution.

The Plan provides for safe harbor employer matching contributions to deferring participants. The Plan Sponsor makes a safe-harbor matching contribution equal to 100% of the first 1% of eligible compensation deferred by a participant, plus 50% of participant deferrals between 1% and 6% of eligible compensation. The maximum safe-harbor matching contribution is 3.5% of eligible compensation. For the year ended December 31, 2025 the Plan Sponsor made matching contributions of $1,797,671. The Plan provides for additional employer contributions at the discretion of the Plan Sponsor, not to exceed 3.5%. There were no employer discretionary contributions for the year ended December 31, 2025. Contributions are subject to certain IRS limitations.

Participant Accounts:
Each participant's account is credited with the participant's contribution, an allocation of the Plan Sponsor's contribution, the Plan's earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:
Participants are vested immediately in their contributions and all Plan Sponsor contributions plus actual earnings thereon. As such there are no forfeitures.

Notes Receivable from Participants:
The Plan provides for participant loans at a minimum of $500 to a maximum of the lesser of $50,000 or 50% of a participant's account balance. The loans are secured by the balances in the participants' accounts and bear interest at rates ranging between 5.25% and 10.50%, which are commensurate with local prevailing rates as determined by the plan administrator at the time the loans were taken. Loans are repaid over a period selected by the participant, which extends no longer than five years, or thirty years if loan proceeds were for the purchase of a principal residence. Principal and interest are repaid ratably through payroll deductions.

Deemed Distributions:
When a participant fails to make loan repayments under the terms of the loan agreement, the loan is considered to be in default. A loan in default is considered a distribution from the Plan (deemed distribution) that could result in taxable income to the participant. There were no new deemed distributions recognized during the years ended December 31, 2025 and 2024.

In-Service Withdrawals:
In-service or hardship withdrawals are permitted by the Plan.

NOTE 2 – DESCRIPTION OF THE PLAN *(continued)*

Payment of Benefits:
Participants will reach the Plan's normal retirement age at the later of age sixty-five or the fifth anniversary of the first Plan year in which the employee became a participant. At the normal retirement age, participants will be entitled to one hundred percent of their vested account balances, but benefits may be deferred if the participants so elect. Participants are entitled to one hundred percent of their vested account balances upon separation of employment, and their estates are entitled to one hundred percent of the decedents' vested account balances upon death.

Required minimum distributions are made in accordance with applicable provisions of the Internal Revenue Code and the Plan document. Generally, participants must begin receiving required minimum distributions by April 1 of the calendar year following the later of the year in which they reach the applicable statutory age or the year in which they retire. The later retirement date does not apply to certain 5% owners. Effective for plan years beginning after December 31, 2023, designated Roth accounts are not subject to lifetime required minimum distributions.

Administrative Expenses:
Certain administrative expenses are paid by the Plan. The Plan Sponsor may also pay certain administrative expenses on behalf of the Plan. Investment-related expenses are reflected in net investment income.

Plan Amendments:
The Plan Sponsor has the right under the Plan to amend the Plan at any time. The Plan was last amended December 1, 2025 to allow eligible employees to enter the plan on the date eligibility requirements were met.

The Plan Sponsor has until the 2026 Plan year to amend the Plan to include mandatory and any voluntary SECURE Act and SECURE 2.0 Act provisions.

Plan Termination:
Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become one hundred percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan Sponsor utilizes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

NOTE 3 – FAIR VALUE MEASUREMENTS (*continued*)

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset and liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2025 and 2024.

Mutual Funds (Registered Investment Companies): Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at the price.

Common/Collective Trusts: Valued at the NAV of units held by the Plan at year-end. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 – FAIR VALUE MEASUREMENTS (*continued*)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 13,219,966	$ -	$ -	$ 13,219,966
Common/collective trusts	-	-	-	-
Total investments in fair value hierarchy	13,219,966	-	-	13,219,966
Investments measured at NAV (a)	-	-	-	-
Total investments at fair value	$ 13,219,966	$ -	$ -	$ 13,219,966

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 7,457,615	$ -	$ -	$ 7,457,615
Common/collective trusts	-	6,175	-	6,175
Total investments in fair value hierarchy	7,457,615	6,175	-	7,463,790
Investments measured at NAV (a)	-	-	-	814,809
Total investments at fair value	$ 7,457,615	$ 6,175	$ -	$ 8,278,599

(a) This category includes a common/collective trust fund that is designed to deliver safety and stability by preserving principal and accumulating earnings, valued at the NAV of units held by the plan at year end. The NAV is determined by the custodian of the fund and is based on the fair value of the underlying assets held by the fund. In accordance with Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurements*, certain investments are measured at fair value using the NAV per share (or its equivalent) practical expedient that have not been classified in the fair value hierarchy. The fair value amount presented in this table is intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 4 – FAIR VALUE OF INVESTMENTS THAT CALCULATE NAV PER SHARE

As stated above, some of the Plan's assets are invested in common/collective trust funds that are valued at NAV of units held by the Plan at year-end. There were no common/collective trust funds as of December 31, 2025. The following provides descriptions of investments whose fair value was estimated using NAV per share as of December 31, 2024:

NOTE 4 – FAIR VALUE OF INVESTMENTS THAT CALCULATE NAV PER SHARE *(continued)*

	2024 Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Stable asset value fund (a)	$ 6,175	$ -	Immediate	None
Index fund (b)	814,809	-	Immediate	None
Total common/collective trusts	$ 820,984	$ -		

(a) Stable Asset Value Fund: The primary investment objective of the fund is to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity.

(b) Index Fund: The investment objective of the fund is to approximate as closely as practicable, before expenses, the performance of the S&P 500 Index over the long term, while providing participants the ability to purchase and redeem units on an "as of" basis.

NOTE 5 – GROUP ANNUITY CONTRACT

The Plan holds investments in the John Hancock Stable Value Guaranteed Income Fund ("SVGI Fund"), a fully benefit-responsive Group Annuity Contract ("GAC") issued by John Hancock Life Insurance Company. The GAC is designed to preserve principal while providing a stated rate of return through a crediting rate established by the issuer. The credit rate is generally reviewed and reset semiannually and is subject to a guaranteed minimum credit rate of 1.00%.

Since the GAC is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to the GAC. Contract value, as reported by John Hancock Life Insurance Company, represents contributions made under the GAC, plus credited interest earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The contract value of the GAC was $21,593 as of December 31, 2025.

NOTE 6 – TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments are shares of mutual funds managed by the custodian and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included as part of net appreciation in fair value of investments.

NOTE 7 – TAX STATUS

The Plan Sponsor adopted a prototype, non-standardized, profit-sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, which states that the Plan is designed in accordance with the applicable requirements of the Internal Revenue Code.

NOTE 7 – TAX STATUS *(continued)*

Accounting principles generally accepted in the United States of America require the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor and IRS.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

NOTE 9 – INFORMATION CERTIFIED BY CUSTODIAN

Investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and participant loans receivable held at December 31, 2025 and net appreciation in fair value of investments, interest and dividends, and interest on participant loans receivable for the year ended December 31, 2025 was obtained by management and agreed to or derived from information certified as complete and accurate by JHTC, RTS, and RTC.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2025:

Net increase in net assets available for benefits per the financial statements	$ 5,214,322
Plus: Offset of deemed distribution loans	7,367
Net increase in net assets available for benefits per Form 5500	$ 5,221,689

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 *(continued)*

The following is a reconciliation of net assets available for benefits between the financial statements and Form 5500 as of December 31,:

	2025	2024
