Independent Auditor's Report

To the Board of Trustees and Benefits Committee
T C Construction Company, Inc.
Vacation and Sick Pay Trust Plan

Opinion

We have audited the financial statements of the T C Construction Company, Inc. Vacation and Sick Pay Trust Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Benefits Committee
T C Construction Company, Inc.
Vacation and Sick Pay Trust Plan

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. Description of Plan

The following brief description of the T C Construction Company, Inc. Vacation and Sick Pay Trust Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan and Trust Agreement and the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution health and welfare benefit plan established by T C Construction Company, Inc. (the "Company" or "Employer") effective October 1, 2019, to provide vacation and sick pay benefits to eligible employees. The Plan is funded through Employer contributions to a trust (the "Trust") that is exempt from tax as a voluntary employees' beneficiary association. Each participant's benefit is limited to the contributions credited to the participant's account. The Plan is administered by a Board of Trustees, which has engaged MVI Administrators Insurance Solutions, Inc. ("MVI") as contract administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees of the Company become participants in the Plan on their date of hire or rehire. Participation ends on the date employment ends. A rehired employee participates as a new participant, and prior participation is not considered.

Contributions

The Company contributes to the Trust an hourly rate, established by the Benefits Committee, for each hour worked by participants. Employer contributions are irrevocable and may be used only to pay vacation and sick pay benefits and administrative expenses of the Plan and Trust. Employee contributions are not permitted.

Benefits

Benefits are paid from the participant's account once the participant has accumulated 240 hours worked, and after each subsequent 240 hours. Benefit checks are issued monthly, on or about the third Thursday of each month, and are distributed through the Employer.

Plan Change

For the 2025 plan year, the Trustees approved a waiver of the 240-hour threshold, and all vacation and sick pay hours accrued by participants were paid regardless of the number of hours accumulated.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting which is in accordance with accounting principles generally accepted in the United States of America (GAAP). Employer contributions are recognized in the period in which they are due.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Benefits

Benefits are recorded when paid.

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 12, 2026, the date the financial statements were available to be issued.

3. Administrative Expenses

The Plan has agreements with various service providers to provide administrative services to the Plan. In addition, the Plan pays fees for services provided through other contracts. Administrative expenses consist of the following:

Third-party administrator	$	23,051
Other fees for services		5,600
Total Administrative Expenses	$	28,651

4. Termination of the Plan

Although it has not expressed any intention to do so, the Company may terminate the Plan by written notice to participants. In the event of termination, no portion of the Plan's assets may revert to the Company. Remaining assets will be used to pay benefits to participants and reasonable administrative expenses of the Plan, until exhausted.

5. Income Taxes

The Trust has received a determination letter from the Internal Revenue Service recognizing it as exempt from federal income tax under Section 501(c)(9) of the Internal Revenue Code. The Trust has also received a determination letter from the California Franchise Tax Board dated May 5, 2021, stating that it is exempt from California franchise and income tax under Revenue and Taxation Code Section 23701i, effective October 1, 2019. Although the Trust is exempt, it is subject to tax on any unrelated business taxable income.

Plan management has evaluated the Plan's tax positions and concluded that the Plan has taken no uncertain tax positions that require recognition or disclosure in the financial statements.

6. Related Party and Party in Interest Transactions

MVI provides administrative services to the Plan and is a party in interest. During 2025, the Plan paid MVI $23,051 for administrative services under an administrative services agreement effective October 1, 2019. MVI maintains the Plan's bank account for the benefit of the Trust and disburses benefit payments and administrative fees from that account.

The Company is the Plan sponsor and contributing employer and is a party in interest. Employer contributions receivable from the Company were $53,867 and $68,396 at December 31, 2025 and 2024, respectively. Certain officers or employees of the Company serve as Trustees and receive no compensation from the Plan.

7. Cash Concentration

The Plan maintains its cash in an account held by MVI for the benefit of the Trust at one financial institution. The Plan's cash is insured by the Federal Deposit Insurance Corporation ("FDIC") up to the legal limits. The Plan has not experienced any losses on its cash deposits.
