Independent Auditor's Report

To the Trustee and Benefit Committee
T C Construction Company, Inc.
Health and Welfare Trust Plan

Opinion

We have audited the accompanying financial statements of the T C Construction Company, Inc. Health and Welfare Trust Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits and benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of the T C Construction Company, Inc. Health and Welfare Trust Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Benefits Committee
T C Construction Company, Inc.
Health and Welfare Trust Plan

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. Description of Plan

The following brief description of the T C Construction Company, Inc. Health and Welfare Trust Plan (the "Plan") is provided for general information purposes only. For additional information concerning the Plan's provisions, participants should refer to the Summary Plan Description.

General

The Plan is a self-insured health and welfare benefit plan established by T C Construction Company, Inc. (the "Company" or "Employer") on January 1, 2018, to provide certain welfare benefits to eligible employees and to their dependents. The Plan's benefits are self-insured and paid from the assets of the Trust Fund, which is funded by Employer contributions. Group term life, certain medical (MediExcel) and stop-loss coverage are provided through insurance contracts purchased by the Trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Benefits

The Plan provides health benefits (medical, dental, vision and prescriptions) for eligible employees of the Company and their dependents. All covered employees receive life insurance coverage. The life insurance benefit is funded by a life insurance contract purchased by the Plan. The Plan also provides health benefits to certain active members if they have accumulated, in the current year, credit amounts in excess of hours required for current coverage.

In accordance with the Consolidated Omnibus Budget Reconciliation Act (COBRA), the Plan provides for continuation of benefits for certain terminated employees up to eighteen (18) months following termination of employment or reduction in hours, extendable to 29 months for disability and up to 36 months for certain other qualifying events. Qualified beneficiaries pay the cost of continuation coverage, up to 102% (150% during a disability extension). The cost of these benefits is paid by the terminated employees or their dependents.

Eligibility

Employees become eligible on the first of the month following a 60-day waiting period. The Employer pays 100% of the cost of single-employee medical and ancillary coverage, assuming that a minimum number of hours are worked during the two-month period. Contributions are made from the first eligible hour worked.

Contributions

The Company contributes amounts sufficient to pay premiums and benefits and to maintain actuarially determined reserves, plus 3% of the employee-only premium for non-prevailing-wage employees to cover administration. Additional contributions are received from terminated employees to continue their benefits under the COBRA provisions. The Plan maintains stop-loss insurance that reimburses claims above a specified individual threshold. Stop-loss premiums are included in insurance premiums. Recoveries of $283,746 in 2025 are netted against claims paid. Stop-loss recoveries receivable were $192,199 at December 31, 2025.

1. Description of Plan (continued)

Contributions (Continued)

The Plan receives contributions from the Employer based on withholdings taken from employees per salary reduction elections as provided by Section 125 of the Internal Revenue Code.

Insurance Contracts

Insurance contracts with MediExcel, Stop-Loss and Group Term Life are fully insured and excluded from plan assets.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting which is in accordance with accounting principles generally accepted in the United States of America (GAAP). Employee and Employer contributions were recognized in the period that contributions are due.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, benefit obligations and changes therein, claims incurred but not reported (IBNR), claims payable, liabilities and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Benefit Obligations

The Plan liability for estimated health claims incurred but not reported is calculated using a lag method based on historical claims payment patters, which calculates the average lag time between when a medical claim is incurred and when it is actually submitted to the Plan for payment. This lag time is then applied to the claims submitted to the Plan for payment during the year and the result is the estimated health claims incurred during the Plan year that will be submitted for payment following the end of the Plan year when it is actually paid by the Plan. Claims incurred but not reported totaled $287,256 and $110,794, and claims payable totaled $192,199 and $0, at December 31, 2025 and 2024, respectively. The Plan liability for Accumulated Eligibility Credits is based on a monthly prevailing wage contribution per hour by the employer, and reduced by a calculation for medical premiums, subject to a maximum balance per employee of $2,000.

Benefit Payments

Benefit payments are recorded when paid. Claims incurred but unpaid are included in benefit obligations.

2. Significant Accounting Policies (continued)

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 12, 2026, the date the financial statements were available to be issued.

3. Administrative Expenses

The Plan has agreements with various service providers to provide administrative services, claims adjudication, COBRA administration and other services. In addition, the Plan pays fees for services provided through other contracts. Administrative expenses consist of the following for the year ended December 31, 2025:

Third-party administrator and claims processing fees	$	357,836
Other services and costs		85,730
Total Administrative Expenses	$	443,566

4. Termination of the Plan

Under certain conditions, the Plan may be terminated. Although the Company has not expressed an intention to do so, upon termination the Trust's assets will be applied (a) to pay administrative and professional expenses of termination, (b) to pay benefits for claims arising before the termination date, and (c) to provide life, sick, accident or other benefits within the meaning of IRC Section 501(c)(9), without discrimination in favor of officers, shareholders or highly compensated employees. No assets revert to the Employer.

5. Income Taxes

The Trust received a favorable determination letter from the Internal Revenue Service stating that it is exempt from federal income tax under IRC Section 501(c)(9) effective January 1, 2018. and, as such, is exempt from taxation.

The Plan believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.

6. Related Party and Party in Interest Transactions

The Company funds contributions in sufficient amounts in order for the Plan to pay all premiums and claims processed by the third-party administrator (MVI Administrators). Related party and party in interest transactions were as follows:

MVI Administrators (administration)	$	243,673
McGriff Insurance Services, Inc. (insurance broker)		45,000
HealthComp, LLC (claims administration and network access)		114,163
Shepherd Mullin Richter & Hampton LLP (legal services)		28,773
Other services and costs		11,957
Total Administrative Expenses	$	443,566

The Plan had accounts payable of $10,842 for legal services at December 31, 2025.

7. Cash Concentration

The Plan maintains its cash with one financial institution deemed to be creditworthy. The Plan's cash is insured by the Federal Deposit Insurance Corporation ("FDIC") up to the legal limits. The Plan has not experienced any losses on its cash deposit.
