Independent Auditors' Report

To the Plan Administrator
Nuvance Health 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Nuvance Health 403(b) Plan, (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. Baker Tilly US, LLP is a licensed CPA firm that provides assurance services to its clients. Baker Tilly Advisory Group, LP and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion om the financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a period of one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 and Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year), as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF THE PLAN

PLAN DESCRIPTION

The Nuvance Health 403(b) Plan (the "Plan") was established effective July 1, 1986. Nuvance Health ("Nuvance", "Employer" or the "Company") is the sponsor of the Plan. The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Nuvance Health Benefits Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

On February 28, 2024, Nuvance Health entered into an affiliation agreement with Northwell Health, Inc. ("Northwell"), pursuant to which Northwell or an affiliated entity would become the active parent and sole corporate member of Nuvance Health. This transaction was subject to the receipt of regulatory approvals and the satisfaction of closing conditions. Effective May 1, 2025, the parties closed the transaction and Northwell, Inc. (which is the ultimate sole corporate member of Northwell) became the sole corporate member of Northwell Health System, Inc., which became the parent entity of Nuvance Health.

In July 2026, the Board of Directors of Nuvance approved the transition of investment management responsibilities from Nuvance to Northwell Health, Inc. All other responsibilities and oversight of the Plan remain with Nuvance.

GENERAL

The Plan is a defined contribution profit sharing plan covering all employees of Nuvance and its affiliates who are not students providing services described in Internal Revenue Code ("IRC") Section 3121(b)(10) and who are not eligible under another 401(k) plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

CONTRIBUTIONS

Each year, participants may contribute up to 100% of pretax annual compensation, not to exceed the Internal Revenue Service ("IRS") limit, as defined in the Plan agreement. Employer contributions are no longer permitted in the Plan.

REVENUE CREDIT ACCOUNT

The Plan has a revenue credit account, which is funded by the Custodian. Revenue credit accounts are used to pay administrative expenses. For the year ended December 31, 2025, there were revenue sharing contributions of $60,215 and $66,264 was paid in administrative expenses. Revenue credits available for future use totaled $5,233 and $10,767 as of December 31, 2025 and 2024, respectively.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

VESTING

Participants are immediately vested in their contributions plus actual earnings thereon.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts up to a maximum equal to the lesser of $50,000 or 50 percent of the present value of their non-forfeitable accrued benefit. Note terms range from 1 to 5 years or, for a reasonable period in excess of 5 years when the note proceeds are used for the purchase of a primary residence. Plan provisions require that notes shall be adequately secured, bear a reasonable rate of interest, and that payments of principal and interest should be made at least quarterly. The interest rates were 4.25% - 10.25% on outstanding loans at December 31, 2025. Principal and interest is paid ratably through payroll deductions.

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, retirement, or for other reasons, a participant may receive a lump-sum amount equal to the vested value of the participant's account. If a terminated participant's vested balance is less than or equal to $7,000, the amount may be automatically distributed in the form of rollover to an individual retirement account designated by the Company.

HARDSHIP WITHDRAWALS

The Plan allows for hardship withdrawals in accordance with the IRS regulations as specified within the Plan agreement.

PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts. The assets available after the payment of any Plan expenses shall be distributed to the participants in accordance with the value of their accounts as of the date of termination.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Participants direct employee contributions in investment options offered by the Plan. Each participant's account is credited with the participant contributions and an allocation of Plan earnings and is charged with an allocation of Plan expenses. The allocations are based on participant earnings or account balances, as defined.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments, except for the investment contract and fixed income accounts described below, are stated at fair value, as determined by management based on information provided by Fidelity Management Trust Company ("Fidelity"), Transamerica Financial Life Insurance Company, Inc. ("TFLIC"), Lincoln Life and Annuity Company of New York ("Lincoln"), Metropolitan Life Insurance Company ("MetLife"), Brighthouse Life Insurance Company ("Brighthouse"), Mutual of America Life Insurance Company ("MOA"), American General Life Insurance Company ("AGLIC"), Voya Retirement Insurance and Annuity Company ("Voya"), and Empower Retirement LLC ("Empower"), collectively the Trustees. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

The Plan invests in a fully-benefit responsive investment contract through Principal and fixed income accounts through TFLIC, Lincoln, MetLife, Brighthouse, MOA, Voya, and Empower. The contract and fixed income accounts are included in the financial statements at contract value, as reported to the Plan by the Trustees. Contract value represents contributions made under contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION (CONTINUED)

Unrealized gains/(losses) from the guaranteed investment contract and fixed income accounts are not included in the statements of changes in net assets available for benefits as the contract and fixed income accounts are recorded at contract value for purposes of net assets available for benefits.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments include the Plan's gains and losses on investments bought and sold as well as held during the year.

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain amounts reported in the financial statements and accompanying notes. Accordingly, actual results could differ from those estimates.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are stated at their outstanding balances, plus accrued and unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

RECENT ACCOUNTING STANDARDS

The Setting Every Community Up for Retirement Enhancement Act of 2022 (SECURE 2.0) was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management adopted mandatory provisions effective for the year ended December 31, 2025, and continues to evaluate the impact of the adoption and implementation of this legislation on the Plan. The application of SECURE 2.0 did not have a material effect on the Plan's financial statements.

SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 15, 2026, representing the date on which the financial statements were available to be issued.

Other than the disclosure in Note 1, there are no other subsequent events that have been identified requiring recognition or disclosure in the financial statements.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEES

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2025 and 2024, and net appreciation in fair value of investments, dividends and interest and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustees and qualified institutions.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP, are described as follows:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than quoted prices included in Level 1, such as quoted prices for markets that are not active or other inputs that are observable or can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed investments: Primarily consist of mutual funds, common stocks and cash and cash equivalents. Mutual funds and common stocks are valued on the basis of readily determinable market prices. Cash and cash equivalents include cash and money market funds. The fair values of these investments are based on market prices of the shares held by the Plan at year end. Accordingly, these fair value measurements are classified as having used Level 1 inputs.

Cash and cash equivalents: Consist of cash and interest-bearing deposits with maturities of three months or less. Fair value is based on cost plus accrued interest.

Pooled separate accounts: Valued at participant unit value of share held by the Plan at year end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Investment Assets (Fair Value) as of December 31, 2025			
	Level 1	Level 2	Level 3	Total

NOTE 5 – INVESTMENT CONTRACT AND FIXED INCOME ACCOUNTS

The Plan has a guaranteed investment contract with Principal who maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Principal is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of Principal or otherwise. The crediting interest rate is based on a formula agreed upon with Principal, but may not be less than 1 percent. The interest rate credited to participants reflects the amortization of realized and unrealized gains and losses in the underlying investment contracts over the duration of the entire portfolio and may not reflect the actual returns achieved in the portfolio. From time to time, the crediting rate may be significantly greater or less than current market interest rates. Such interest rates are reviewed on a semi-annual basis for resetting. Generally, there are not any events that could limit the ability of the Plan to execute transactions at contract value within 90 days.

The guaranteed investment contract does not permit Principal to terminate the agreement prior to the scheduled maturity date.

The Plan’s ability to receive amounts due is dependent on Principal's ability to meet its financial obligations. Principal's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 5 – INVESTMENT CONTRACT AND FIXED INCOME ACCOUNTS (CONTINUED)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. These events may be different under each contract. Such events include:

1. amendments to the Plan documents (including complete or partial Plan termination or merger with another plan);
2. changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions;
3. bankruptcy of the Company or other Company events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan;
4. the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; or,
5. premature termination of the contract.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with Principal that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. These events may be different under each contract. Such events include:

1. an uncured violation of the Plan's investment guidelines;
2. a breach of material obligation under the contract;
3. a material misrepresentation; or,
4. a material amendment to the agreement without the consent of Principal.

The Plan invests in Insurance Fixed Accounts (the "accounts"), which are benefit-responsive investment contracts with TFLIC, Lincoln, MOA, Brighthouse, Voya, Empower, and MetLife. TFLIC, Lincoln, MOA, Brighthouse, Voya, Empower, and MetLife maintain the contributions in a general account (the "Fixed Fund"). The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Contract value represents deposits made to the Fixed Fund, plus interest credited under the terms of the accounts, less any withdrawals. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The interest crediting rate is determined annually and is primarily based on the current yield to maturity of the underlying investments, plus or minus amortization of the difference between the market value and the contract value of the underlying investments over the duration of the underlying investments at the time of computation. The accounts adjust the crediting interest rate on an annual basis.

NOTE 5 – INVESTMENT CONTRACT AND FIXED INCOME ACCOUNTS (CONTINUED)

Under the terms of the accounts, participants are generally permitted to make benefit distributions at contract value. However, participant elected withdrawals may be subject to a withdrawal charge if made for any reason other than the following: (1) disability, (2) death, (3) severance from employment, (4) hardship, (5) loans, (6) minimum required distributions, (7) lifetime installment payments or (8) at contract suspension, election of the 5 annual installment payment option.

Participants are generally permitted to make transfers at contract value from the Fixed Fund to non-competing funds made available under the participant's accounts. Such transfers are subject to a 90-day equity wash provision. Any amounts transferred from the Fixed Fund to non-competing funds will be subject to a 5% withdrawal charge if subsequently transferred to a competing fund or withdrawn within 90 days, except if the withdrawal is due to one of the above permitted reasons.

NOTE 6 – INCOME TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform with the sample language provided by the IRS. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under Section 403(b). The plan administrator believes that the Plan has been designed to comply with and is operating in accordance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than not would not be sustained upon examination by the applicable taxing authorities. The Plan did not take any uncertain tax positions as of December 31, 2025 and 2024. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2025 and 2024, Plan investments were managed by the Trustees, and therefore, these transactions qualify as party-in-interest transactions. The Plan allows participants to take loans against their account balances, which also qualify as exempt party-in-interest transactions. The Plan paid the Trustees certain expenses related to administrative and investment services which qualify as party-in-interest transactions.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

Additionally, certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. These transactions are party-in-interest transactions under ERISA.

Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through a revenue credit account, rather than a direct payment. The Trustees receive revenue from investment fund service providers for services the Trustees provide to the funds. This revenue is used to offset certain amounts owed to the Trustees for their administrative services to the Plan. If the revenue received by the Trustees from such investment fund service providers exceed the amount owed for its services, the Trustees remit the excess to the Plan's trust on a quarterly basis. The Plan or plan sponsor may make a payment to the Trustees for administrative expenses not covered by revenue credits.

NOTE 8 – DELINQUENT CONTRIBUTIONS

For the year ended December 31, 2024, the Plan identified an employee deferral in the amount of $338 that was not remitted timely to the Plan, in accordance with the Department of Labor's Rules and Regulation 29 CFR 2510.3-102. This delinquent contribution along with lost earnings were transmitted to the Plan during 2025.

NOTE 9 – CONCENTRATION

As of December 31, 2025 and 2024, the Plan had investments of $94,022,566 and $82,380,609, that were concentrated in one fund.
