INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Aspire General Insurance Services 401(K) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed an audit of the accompanying financial statements of Aspire General Insurance Services 401(K) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Aspire General Insurance Services 401(K) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Aspire General Insurance Services 401(K) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Aspire General Insurance Services 401(K) Profit Sharing Plan & Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Aspire General Insurance Services 401(K) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Aspire General Insurance Services 401(K) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) as of December 31, 2025 and delinquent participant contributions for the year the ended (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF THE PLAN

The following description of Aspire General Insurance Services 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the plan documents for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution plan sponsored by Aspire General Insurance Services LLC (the "Company", "Employer", or "Plan Sponsor"), is designed to qualify under Section 401(a) and related provisions of the Internal Revenue Code ("IRC"). The Plan was established on January 1, 2018 and most recently amended effective April 1, 2025. The Plan is designed to provide eligible participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination of employment, or financial hardship. The Plan is subject to the provisions of the Department of Labor's ("DOL") Rules and Regulations for Reports and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent laws and the IRC.

An expansion of Setting Every Community Up for Retirement Enhancement ("SECURE") Act of 2019 ("SECURE 2.0") was signed into law on December 29, 2022, as part of the Consolidated Appropriations Act of 2023. Effective June 12, 2025, the Plan administratively adopted Section 311, Section 314, and Section 331 of SECURE 2.0. The Plan has not been formally amended to adopt these provisions as of the date the financial statements were available to be issued.

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. Fidelity Management Trust Company ("FMTC" or "Custodian") is responsible for the custody and management of the Plan's assets, while Fidelity Investments ("Fidelity") manage participant accounts and participant related transactions. Fidelity is an affiliate of FMTC.

Eligibility

Effective April 1, 2025, the Plan was amended to expand eligibility and allow employees to participate after attaining age twenty-one (21) and completing one (1) month of service. Prior to the amendment, employees were eligible to participate after attaining age twenty-one (21) and after completing three (3) months of service. Entry dates are the first day of each month after the employee meets the eligibility requirements. Eligible participants are automatically enrolled to defer 3% of their pay unless they elect a different percentage, including zero. Management believes the amendment enhanced employee access to retirement benefits and did not materially affect the Plan's net assets available for benefits at December 31, 2025.

1. DESCRIPTION OF THE PLAN (continued)

Contributions

Under the terms of the Plan, participating employees may contribute up to 90% of their eligible pre-tax or after-tax (as Roth contributions) compensation not to exceed the amount of allowable under federal limitations, which was $23,500 for 2025. Participants age 50 or over may also contribute an additional $7,500 in catch-up contributions to the Plan for 2025, and participants age 60 through 63 during the Plan year may contribute an additional $11,250 in catch-up contributions to the Plan for 2025. Participants may also rollover amounts representing distributions from other qualified retirement or profit sharing plans. All eligible employees are automatically enrolled in the Plan at a pre-tax deferral rate of 3% of eligible compensation.

The Company is authorized to make Safe Harbor Employer matching contributions every year equal to 100% of first 1% of the participant's deferral contributions, and 50% of the next 5% of the participant's deferral contributions. Contributions are subject to certain limitations, as defined by the Plan.

Participant accounts

Each participant's account is credited with the participant's contributions, rollover contributions, the Company's contributions, and the Plan's earnings, and charged with the Plan's losses and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investments of their contributions into various investment options offered by the Plan.

Vesting

Participants are immediately vested in all salary deferrals, plus actual earnings thereon. Discretionary non-elective employer contributions, and earnings thereon, are 20% vested after two (2) years of service and increase by 20% each additional year until becoming fully vested after six (6) years of service. Employer matching contributions, and earnings thereon, are 100% vested after two (2) years of service.

The vesting schedule for the discretionary non-elective employer contribution is as follows:

Years of Service	Percentage
Less than 2	0 %
2	20 %
3	40 %
4	60 %
5	80 %
6	100 %

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits

Participants are eligible to receive a distribution from the Plan upon retirement, termination of employment, attainment of age 59 ½, attainment of early retirement age and six years of vesting service, disability, or to a beneficiary upon a participant's death. If a participant's account balance is less than or equal to $1,000 upon termination, the balance is distributed in a lump-sum distribution unless a direct rollover into another qualified benefit plan is requested. Balances greater than $1,000 and less than or equal to $7,000, are automatically rolled over into an individual retirement account unless a lump-sum distribution is requested by the terminated participant. If a participant's account balance is greater than $7,000 upon termination, the participant can consent to a distribution paid in the form of a lump-sum cash payment, installment payments, a direct rollover into another qualified plan, or to postpone payment to a later date and remain in the Plan as described in the plan documents.

The Plan also allows participants to take a hardship distribution, subject to a $500 minimum amount, to satisfy certain immediate and heavy financial needs, as defined in the Plan documents. Immediate and heavy financial needs include: (1) medical expenses; (2) purchase of a principal residence; (3) to prevent eviction from principal residence; (4) to pay for education expenses; (5) funeral expenses; or (6) repair damage on principal residence.

Notes receivable from participants

Participants may borrow not less than $1,000 and up to a maximum equal to the lesser of 50% of their vested account balance or $50,000. Notes receivable from participants ("participant loans") must be repaid within five (5) years, unless the participant's loan is used to acquire a primary residence, in which case the repayment term must be repaid within ten (10) years. A loan becomes immediately due upon a Participant's termination of employment or death. Participants may only have two (2) outstanding loans at a time. Participant loans are secured by the respective participant's vested account balance, and are based on the rates available for similar loans from commercial lending institutions at the time of issuance. Principal and interest are generally paid ratably through payroll deductions with payments made each pay period. Outstanding participant loans at December 31, 2025, bear interest at annual rates of between 4.25% and 9.50%, and mature at various dates through December 2030.

Administrative expenses

Certain administrative expenses of the Plan, including reordering and audit fees, were paid directly by the Company for the year ended December 31, 2025. Investment fees, which may vary according to the individual funds selected, are paid indirectly out of the assets of the Plan and impact Plan earnings.

1. DESCRIPTION OF THE PLAN (continued)

Administrative expenses (continued)

Participants may be charged for some or all the costs and expenses of operating the Plan. Such expenses include, but are not limited to investment expenses and costs to process distributions, loans, and domestic relations orders. Generally, the Company pays for any administrative expenses of the Plan. The Plan is not required to reimburse the Company for expenses paid on its behalf.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting and financial statement presentation

The accompanying financial statements have been prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and the reported amount of changes in net assets during the reporting period. Accordingly, actual results may differ from those estimates. Significant items subject to such estimates and assumptions include the fair value of investments.

Investment valuation and income recognition

Investments held by a defined contribution plan are required to be reported at fair value (see Note 4). Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the Custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair market value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions and contributions receivable

Contributions are recorded based on the date the contributions or repayments have been separated from a participant's pay (pay date). The Plan records receivables for contributions based upon the contribution recognized, less amounts received by the Plan as of the last day of the plan year. Discretionary employer matching contributions, if any, are recorded in the year they are earned.

Contributions representing participant rollovers from other qualified plans are recorded based on the date the contributions are received by the Custodians.

Forfeited accounts

The Plan provides that forfeitures of Employer discretionary contributions of terminated participants' nonvested accounts may be used to pay Plan expenses at the direction of the plan administrator. Any remaining forfeitures reduce the Employer's matching contributions. During the year ended December 31, 2025, no amounts from plan forfeitures were used to offset plan expenses or employer contributions. At December 31, 2025 and 2024, the forfeiture account amounted to $86,959 and $14,105, respectively.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses was recorded as of December 31, 2025 and 2024. Delinquent participant loans are recorded as deemed distributions based upon the terms of the Plan documents.

Payment of benefits

Benefit payments are recorded when paid.

Administrative expenses

Administrative expenses are recorded when incurred.

Subsequent events

The Plan has evaluated subsequent events through October 14, 2026, the date the financial statements were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The plan administrator, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of ERISA. Accordingly, the Custodian, determined to be qualified a institution by the plan administrator, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants as shown in the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024.
- Net appreciation in fair market value of investments, dividend and interest income as shown on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025.
- Investments and notes receivable from participants reflected on the schedule of assets (held at end of year) as of December 31, 2025 ("supplemental schedule").
- Interest income on notes receivable from participants as shown on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025.

Accordingly, as requested by the plan administrator, the Plan's independent auditor performed no procedures on the certified information other than to agree the certified information to the related information included in the financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's market assumptions.

- Level 1 - quoted prices in active markets for identical assets or liabilities;
- Level 2 - inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- Level 3 - inputs are unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

4. FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used as of December 31, 2025 and 2024.

Registered investment companies (mutual fund investments)

Mutual fund investments are valued at the net asset value ("NAV") of shares held by the Plan at year end which are determined and published and is the basis for current transactions. These investments are classified within Level 1 of the valuation hierarchy.

Collective trusts

Investments in the collective investment funds are valued at the NAV of units of a bank collective trust. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less fees and expenses, divided by the number of outstanding units. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan was to initiate a full redemption of the collective investment funds, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidation is carried out in an orderly business manner. The collective trusts have no unfunded commitments and can be redeemed daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Level 1	Level 2	Level 3	Fair Value
Mutual funds	$ 9,702,821	$ -	$ -	$ 9,702,821
Investments measured at net asset value				1,443,616
				$ 11,146,437

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Level 1	Level 2	Level 3	Fair Value
Mutual funds	$ 4,788,606	$ -	$ -	$ 4,788,606
Investments measured at net asset value				1,378,752
				$ 6,167,358

Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table includes a summary of the Plan's investments measured at fair value based on NAV per share as a practical expedient as of December 31, 2025:

Investment Type	Fair Value	Unfunded Commitments	Redemption Terms	Redemption Notice Period
Collective trusts	$ 1,443,616	N.A.	Daily	Daily

4. FAIR VALUE MEASUREMENTS (continued)

The following table includes a summary of the Plan's investments measured at fair value based on NAV per share as a practical expedient as of December 31, 2024:

Investment Type	Fair Value	Unfunded Commitments	Redemption Terms	Redemption Notice Period
Collective trusts	$ 1,378,752	N.A.	Daily	Daily

5. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:

	2025	2024
Net assets available for benefits per the financial statements	$ 11,569,295	$ 6,363,491
Adjust: miscellaneous differences	1	2
Net assets available for benefits per the Form 5500	$ 11,569,296	$ 6,363,493

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Form 5500 at December 31, 2025:

Net increase to net assets available for benefits per the financial statements	$ 5,205,804
Less: miscellaneous	(1)
Net increase to net assets available for benefits per the Form 5500	$ 5,205,803

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

7. RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

ERISA defines parties-in-interest similarly to Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 850, Related Party Disclosures, except that ERISA's definition is broader and includes all entries and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Plan management did not identify any related parties to the Plan that were not also considered to be parties-in-interest. The Plan did not enter into any material related party transactions during the plan year related to compensation arrangements, expense allowances, or similar items.

7. RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS (continued)

Parties-in-interest transactions include those with fiduciaries or participants of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee associate or relatives of such persons.

As such, transactions conducted by the Custodians and their affiliates, including any fee offset or revenue-sharing agreements, qualify as exempt parties-in-interest transactions. Purchases and sales of investments managed by either of the Custodians, or their affiliates, while considered parties-in-interest transactions under ERISA regulations, are permitted under the provisions of the plan documents and are specifically exempt under ERISA. Also, fees and expenses paid by the Company on behalf of the Plan qualify as exempt parties-in-interest transactions.

Notes receivable from participants and the related interest income are also considered party- in-interest transactions. The Custodians also earn compensation in the form of short-term interest (or "float") when funds are received either without investment instructions or past the point in a day when funds can be invested. Such amounts are held by a financial institution and earn interest at an interest rate provided by the financial institution from time to time.

Fees and expenses paid by the Company on behalf of the Plan qualify as exempt parties-in-interest transactions. During the year ended December 31, 2025, administrative fees paid to Fidelity were $43,385.

Fidelity provides investment management services to the Plan, and is a party-in-interest to the Plan. Certain Plan investments are owned and managed by Fidelity's affiliates; therefore, these investment transactions qualify as exempt party-in-interest transactions. For the year ended December 31, 2025, investment advisory and investment management fees paid to Fidelity were $6,050.

The Baldwin Group Wealth Advisors provides investment advisory services to the Plan, and is a party-in-interest to the Plan. For the year ended December 31, 2025, investment advisory and investment management fees paid to The Baldwin Group were $36,778.

8. TAX STATUS

The Plan has adopted the Non-standardized Pre-approved Profit Sharing Plan with Cash or Deferred Arrangement ("CODA") sponsored by Fidelity Management and Research LLC ("FMR"). The Internal Revenue Service informed FMR by a letter dated June 30, 2020, that its pre-approved plan is designed in accordance with the applicable sections of the IRC and is appropriate for use by employers for the benefit of their employees. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified and is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.
