Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Tutor Perini 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2025 AND 2024 AND
FOR THE YEAR ENDED DECEMBER 31, 2025

1. Plan Description:

The following description of the Tutor Perini 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description.

General

The Plan is a 401(k) defined contribution plan covering all non-union employees of Tutor Perini Corporation and certain affiliates (the "Company") not covered by other plans. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Company's 401(k) Committee is the plan administrator. T. Rowe Price Trust Company serves as trustee.

Contributions

Participants may contribute up to 75% of their annual wages as defined in the Plan, subject to certain limitations established by Internal Revenue Code ("IRC") regulations. The Company provides a Safe Harbor Match equal to (A) 100% of contributions up to 3% of compensation, plus (B) 50% of contributions between 3% and 5% of compensation. The Company also allows for a discretionary regular match on employee deferrals up to 10% of compensation. Catch-up contributions are not matched.

Participants' Accounts

Each participant's account is credited with the participant's contribution, rollover contributions, the Company's matching contribution, and an allocation of Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Prior to January 1, 2025, participants immediately vested in their contributions, including rollovers and qualified non-elective contributions ("QNEC"), plus actual earnings thereon. Participants are vested in the Company's matching contributions, plus actual earnings thereon, at a rate of 20% per year of participation in the Plan, becoming fully vested in five years or upon reaching normal retirement age, as defined in the Plan agreement. Company employees hired on or before September 29, 2009 are on a three-year vesting schedule. Effective January 1, 2025, the Plan moved to Non-Qualified Automatic Contribution Arrangement ("QACA") Safe Harbor matching whereby employer contributions are 100% vested immediately.

Payment of Benefits

On termination of service, participants may elect to receive either a lump-sum amount equal to the value of the vested interest in their accounts or convert the value of the account balances into annuities. For account balances of $5,000 or less, the Plan will automatically make lump-sum distributions.

Terminated participants with account balances greater than $5,000 may leave their account balance in the Plan.

1. Plan Description: (Continued)

Forfeitures

Prior to January 1, 2025, nonvested Company contributions forfeited by participants will be used first to reduce future payments of the Company's contributions. Any remaining forfeitures will be used to offset Plan administrative expenses. Finally, any remaining forfeitures will be allocated to participants. At December 31, 2025 and 2024, forfeited nonvested accounts totaled $24,750 and $42,885, respectively. Forfeitures totaled $388,539 in 2025, with $418,142 used to fund Company contributions, $0 used to reissue unclaimed checks that had been forfeited, $0 allocated to participants, and $0 used to pay plan expenses. Effective January 1, 2025, as the Plan moved to Non-QACA Safe Harbor, employer contributions are no longer subject to forfeiture.

2. Summary of Significant Accounting Policies:

Basis of Accounting

The statements of net assets available for benefits as of December 31, 2025 and 2024 and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Risks and Uncertainties

The Plan provides for various investment options offered by the Plan. These investments are exposed to various risks, such as interest rate, market fluctuations, and credit risks. Due to the level of risk associated with investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition

Participants select how their share of plan assets will be invested among those investment vehicles made available.

GAAP establishes a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 - Inputs are quoted prices in an active market.

Level 2 - Inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 - Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the assets.

Level 1 investments consist of mutual funds, exchange traded funds, and common stock valued at their quoted market prices. Level 2 investments consist of money market funds and cash and cash equivalents valued at $1 per share and corporate obligations valued based on trades in similar securities.

2. Summary of Significant Accounting Policies: (Continued)

Investment Valuation and Income Recognition (Continued)

The following tables summarize the Plan's investments at December 31, 2025 and 2024 based on the inputs used to value them:

	December 31, 2025			
Description	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 441,875,799	$ -	$ -	$ 441,875,799

Exchange Traded Funds	82,725,726	-	-	82,725,726
Total Assets in the Fair Value Hierarchy	$ 534,362,474	$ 567,305	$ -	$ 534,929,779

	December 31, 2024			
Description	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 351,269,796	$ -	$ -	$ 351,269,796
Cash and Cash Equivalents	1,688,989	767,639	-	2,456,628
Common Stock	4,901,452	-	-	4,901,452
Exchange Traded Funds	71,220,667	-	-	71,220,667
Total Assets in the Fair Value Hierarchy	$ 429,080,904	$ 767,639	$ -	429,848,543
Investments Measured at Net Asset Value [A]				36,190,647
				$ 466,039,190

[A] In accordance with ASC 820, *Fair Value Measurement*, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes the investment for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

	Contract Value at December 31,		Unfunded	Redemption	Redemption
	2025	2024	Commitments	Frequency	Notice Period
T. Rowe Price Stable Value Common Trust Fund	$ -	$ 36,190,647	None	Daily	12 or 30 months

2. Summary of Significant Accounting Policies: (Continued)

Investment Valuation and Income Recognition (Continued)

The T. Rowe Price Stable Value Common Trust Fund consists primarily of a series of guaranteed interest contracts and synthetic investment contracts operated by T. Rowe Price Trust Company. The ultimate performance of the contracts is dependent upon the ability of the issuers to honor them.

Interest and dividends are recorded on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis.

Payment of Benefits

Benefits are recorded when paid. As of December 31, 2025 and 2024, there were no amounts allocated to accounts of persons who had elected to withdraw from the Plan but had not yet been paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Administrative Expenses

The Company pays most administrative expenses on behalf of the Plan and provides certain administrative services at no cost to the Plan.

3. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

4. Tax Status:

The Plan adopted the T. Rowe Price Retirement Plan Services, Inc. Volume Submitter Profit Sharing Plan with CODA Adoption Agreement, which received a favorable opinion letter dated August 2, 2017 from the Internal Revenue Service stating that the Plan is in compliance with applicable sections of the IRC. The plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Related Party Transactions:

Certain investments offered under the Plan are issued by the trustee or its affiliates. Transactions in these funds, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

6. Information Certified by the Plan Trustee:

The following is a summary of the unaudited information regarding the Plan included in the financial statements and supplemental schedule that were prepared or derived from information prepared by T. Rowe Price Trust Company, the trustee of the Plan, and furnished to the plan administrator in accordance with section 2520.103-8 of the Department of Labor's Rules and Regulations. The plan administrator has obtained certifications from the trustee that such information is complete and accurate.

- All amounts included as investments in the statements of net assets available for benefits as of December 31, 2025 and 2024;
- All dividends and interest, net appreciation of investments, and other additions reported in the statement of changes in net assets available for benefits for the year ended December 31, 2025; and
- All amounts enumerated in the schedule of assets (held at end of year).

7. Notes Receivable from Participants:

Loans bearing interest rates ranging from 4.25% to 9.50%, maturing at various dates through August 2044, are due from the Plan's participants and are collateralized by participants' vested account balances.

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment funds from (to) the loan fund. Loan terms range from 12 to 240 months. The loans are collateralized by the balance in the participant's account and bear interest at a rate commensurate with that used by a commercial lender engaged in the making of loans under similar circumstances. Principal and interest are paid ratably through payroll deductions or participant directed payments.

8. Amendments:

Effective January 1, 2024, the Plan was amended to add automatic enrollment at a default percentage of 5%.

Effective January 1, 2024, the Plan was amended to add Rail Electric LLC as a participating employer.

Effective January 1, 2025, the Plan added Non-Qualified Automatic Contribution Agreement Safe Harbor Matching contributions.

Effective January 24, 2025, the Plan removed the automatic enrollment in the Plan.

9. Subsequent Events:

Effective January 1, 2026, the Plan was amended to change the Safe Harbor Match formula. Effective June 1, 2026, the Plan was amended to change the default beneficiary order.

Management has evaluated subsequent events through October 14, 2026, the date these financial statements were available to be issued. There were no material subsequent events that require recognition or additional disclosures in these financial statements.
