INDEPENDENT AUDITOR'S REPORT

Employee Benefits Committee
Ace Clearwater Enterprises 401(k)Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Ace Clearwater Enterprises 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for Plan benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for Plan benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A – DESCRIPTION OF PLAN

The following brief description of the Ace Clearwater Enterprises 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, which was established on January 1, 1993, and amended effective January 1, 2018, is a defined contribution plan sponsored and administered by Ace Clearwater Enterprises (the "Company", "Sponsor" or "Plan Administrator"). The Plan covers all eligible employees of the Company. All employees who have completed 570 hours of service during their first 3 months of employment or upon completion of 1,000 service hours are eligible to participate in the Plan on the first day of the next month following the eligibility date. Participation continues until retirement, disability, termination of employment, or death, at which time the participant's vested account balance becomes payable. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and is in conformance with all subsequent applicable tax law changes.

The Plan has a contract with Variable Annuity Life Insurance Company ("Custodian" or "VALIC") to manage the Plan's investment assets.

Contributions

Participants may make contributions to the Plan in an amount not to exceed their compensation, subject to maximum annual legal limits. Participants may also make rollover contributions from other retirement plans. Participants direct the investment of their contributions, and employer contributions (whether discretionary or non-discretionary) into various investment options offered by the Plan. The Plan currently offers several mutual funds and guaranteed investment contracts as investment options for participants. Participants may elect to change their investment options and transfer their account balances among the different investment options at any time.

The Sponsor may make discretionary profit-sharing contributions to the Plan as determined annually. For the years ended December 31, 2025 and 2024, the Sponsor did not make any discretionary profit-sharing contributions.

Participant accounts

Participants' accounts are credited with investment earnings and with an allocation of the Sponsor's discretionary contributions. Allocations are based on participant compensation or account balances, as defined by the Plan.

Vesting

Participants are immediately vested in their voluntary contributions. The Sponsor's discretionary profit-sharing contributions vesting is based on year of continuous service. A participant is 100% vested after five years of credited service.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Notes receivable from participants

Participants may borrow against their vested balance at a minimum of $1,000 up to the lesser of $50,000 or 50% of their vested balance. Interest is determined by the Sponsor based on rates commensurate with market rates for similar loans, as defined 5.0% to 5.5% for the year ended December 31, 2025. Participants' notes are for fixed terms up to five years and require regular periodic repayment. However, terms may exceed five years for the purchase of a primary residence. The notes receivable is valued at their outstanding balance plus accrued interest. Principal and interest are paid ratably through periodic payments.

Benefit payments

A participant's account will be distributed upon retirement or termination in accordance with the distribution options defined by the Plan. Participants may receive their vested account balance in a lump sum distribution, or annual installments as defined by the Plan. Under certain circumstances, participants may make a financial hardship withdrawal.

Administrative expenses

Custodian fees are paid from Plan assets. All other Plan expenses are paid by the Company. For the years ended December 31, 2025 and 2024, the Plan paid administrative expenses of $37,292 and $43,204, respectively. For the years ended December 31, 2025 and 2024, the Company paid expenses of approximately $11,750 and $15,200, respectively.

Forfeitures

Forfeitures occur in the Plan year in which a participant terminates employment with the Company and receives a distribution of participants entire vested account, or if participant does not receive a distribution, after five consecutive one-year breaks in service. Forfeitures are retained in the Plan and can be used to pay administrative expenses or reduce future employer contributions payable under the Plan. As of December 31, 2025 and 2024, there were no forfeitures outstanding.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates

The preparation of financial statements in conformity with ("GAAP") requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Payment of benefits

Benefits are recorded when paid.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment valuation and income recognition

The Plan's guaranteed investment accounts are valued at contract value and mutual fund investments are stated at fair value as determined by quoted market prices. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 and 2024.

Contributions

Discretionary employer contributions are recognized in the period for which they are declared. Non-discretionary employer and employee contributions are recognized in the period in which the related compensation is earned.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE C – PLAN TERMINATION

Although the Sponsor has not expressed any intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants shall become fully vested in their account balances and the net assets of the Plan will be allocated to the participants in accordance with the terms of the Plan.

NOTE D – TAX STATUS

Effective January 1, 2018, the Plan adopted the volume submitter profit sharing plan and is relying on the tax-exempt status from the Internal Revenue Service ("IRS") by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has not filed an individual determination letter.

NOTE D – TAX STATUS (CONTINUED)

However, the Plan Administrator believes the Plan, as currently designed and operated, is in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the taxing jurisdiction; however, there are currently no audits for any tax periods in progress.

NOTE E – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the new term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE F – GUARANTEED INVESTMENT CONTRACTS

The Plan entered into benefit-responsive contracts with VALIC. VALIC maintains contributions in fixed accounts which are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contracts are included in the financial statements at contract value as reported by VALIC. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The guaranteed investment contracts average yield for 2025 and 2024 was 3% and 2.91%, respectively.

Because some investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts.

NOTE G – FAIR VALUE OF INVESTMENTS

The Financial Accounting Standards Board ("FASB") ASC 820, *Fair Value Measurements and Disclosures* established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE G – FAIR VALUE OF INVESTMENTS (CONTINUED)

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 7,852,771	$ -	$ -	$ 7,852,771
Total assets in fair value hierarchy	$ 7,852,771	$ -	$ -	$ 7,852,771

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Assets at fair value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 7,212,496	$ -	$ -	$ 7,212,496
Total assets in fair value hierarchy	$ 7,212,496	$ -	$ -	$ 7,212,496

NOTE H – INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) and 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the financial statements and supplemental schedule of assets held at the end of the year was provided and certified by the Custodian as of December 31, 2025 and 2024 and for the years then ended as complete and accurate.

Assets available for plan benefits at December 31, 2025:

Total funds on deposit with investment company	$ 9,551,677
Changes in total assets available for Plan benefits for the year ending December 31:	
Interest and dividend from investments	$ 43,409
Interest income on notes receivable from participants	$ 5,548
Net realized and unrealized appreciation in fair value of investments	$ 1,060,768

NOTE H – INFORMATION CERTIFIED BY THE CUSTODIAN (CONTINUED)

Assets available for plan benefits at December 31, 2024:

Total funds on deposit with investment company	$	9,151,754
Changes in total assets available for Plan benefits for the year ending December 31:		
Interest and dicidends from investments	$	45,467
Interest income on notes receivable from participants	$	6,311
Net realized and unrealized apreciation in fair value of investments	$	1,373,379

NOTE I – RELATED-PARTYAND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and guaranteed investment contracts managed by VALIC. VALIC is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

NOTE J – SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 15, 2026, the date on which the financial statements were available to be issued.
