INDEPENDENT AUDITOR'S REPORT

Plan Administrator
A&B Packing Equipment, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of A&B Packing Equipment, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of A&B Packing Equipment, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of A&B Packing Equipment, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about A&B Packing Equipment, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of A&B Packing Equipment, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about A&B Packing Equipment, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits

of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

A&B PACKING EQUIPMENT INC. 401(k) PLAN

December 31, 2025

NOTE A -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of A&B Packing Equipment, Inc. 401(k) Plan (the Plan) are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. The annual change in the difference between the fair value and cost of investments held is combined with realized gains and losses on sales of investments and is reported in the statements of changes in net assets available for benefits as net appreciation or depreciation in the fair value of investments. Realized gains and losses on sales of investments represent the difference between the proceeds received and the original cost of investments sold.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Substantially all operating expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Other administrative expenses paid by the Plan, including fees for the administration of notes receivable from participants, are included in administrative expenses as incurred and are charged directly to the participant's account.

Date of Management's Review of Subsequent Events: Subsequent events were evaluated through the date of the report, which is the date the financial statements were available to be issued.

NOTE B -- DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan was established effective January 1, 2018 and was subsequently restated on February 17, 2022. In 2024, the Plan was amended to permit participant loans. Effective April 1, 2025, the Company moved the Plan from Principal Life Insurance Company to ADP Retirement Trust Services, LLC and adopted an amended and restated plan document in connection with the transition. The transition of Plan assets from Principal to ADP was completed during 2025.

General: The Plan is a defined contribution plan covering substantially all employees of A&B Packing Equipment, Inc. (the Company) who have completed three months of service as defined by the Plan and are age 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Administration: The Plan is administered by A&B Packing Equipment, Inc. (the Company). Information about the plan agreement, participant investment alternatives, and the vesting and benefit provisions is available from the Company.

Contributions: Participants may elect to contribute a portion of their compensation, as defined in the Plan, which is not greater than the maximum annual amount allowed by the Internal Revenue Code. The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they make an affirmative election regarding their contributions. Effective October 26, 2024 through March 31, 2025, the default deferral rate was 4% of eligible compensation, with automatic increases of 1% annually, up to a maximum of 6%. Previously, the automatic escalation was up to a maximum of 4%. Effective April 1, 2025, the Plan was amended to eliminate the automatic escalation while retaining the 4% default deferral rate. Participants may elect a different deferral rate or elect not to contribute.

The Company makes a safe harbor matching contribution equal to 100% of a participant's elective deferrals that do not exceed 4% of eligible compensation for each payroll period. No annual true-up is provided.

The Company may also make a profit-sharing contribution as determined solely at the discretion of the Company. No profit-sharing contributions were made for 2025 or 2024.

Participants may also contribute amounts representing distributions from other qualified retirement plans.

NOTE B -- DESCRIPTION OF THE PLAN--(Continued)

Investment Options: Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various investment options. Contributions for which participants have not made an investment election are invested in the Plan's designated default investment option. The net investment income or loss attributable to each investment fund is allocated to individual participant accounts on a daily basis by the custodian.

Payment of Benefits: Participants may receive distributions from their vested account balances in accordance with the provisions of the Plan.

Forfeitures: Participants are immediately vested in their employee contributions, safe harbor matching contributions, and related earnings thereon. Since inception, the Plan has received no employer contributions subject to a vesting schedule. Accordingly, the Plan had no forfeitures during 2025 or 2024 and no forfeiture balances at December 31, 2025 or 2024.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings or losses and charged with an allocation of any administrative expenses paid by the Plan, in accordance with the terms of the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions and employer matching contributions plus actual earnings thereon. Vesting in the Company's discretionary or other contributions, if any, is based on years of eligible service. A participant is 100% vested in any employer discretionary or other contributions after three years of eligible service.

Notes Receivable from Participants: The Plan was amended effective August 20, 2024 to allow participants to obtain loans based on their vested balances. Prior to this amendment, loans to participants were not permitted. Loan amounts are restricted by Internal Revenue Service (IRS) guidelines. Participants may borrow from their fund accounts at a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest based on prevailing rates as determined by the Plan. Principal and interest is paid ratably through payroll deductions.

NOTE C -- FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs would be used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2025 and 2024.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are considered to be actively traded. The fair value of pooled separate accounts and collective investments trusts are based on their respective unit values or net asset values (NAV), which represent readily determinable fair values and are the basis for transactions at the measurement date. The pooled separate accounts and collective investment trust can be redeemed at NAV as of the measurement date. Accordingly, these investments are classified within Level 1 of the fair value hierarchy. The Plan does not use the NAV practical expedient for these investments.

NOTE C -- FAIR VALUE MEASUREMENTS--(Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2025 and 2024:

NOTE C -- FAIR VALUE MEASUREMENTS--(Continued)

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2025 and 2024, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE D -- TAX STATUS

The Company has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated October 6, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the Plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

NOTE E -- PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE F -- RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments were funds managed by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, Principal Life Insurance Company, and their affiliates and by ADP Retirement Trust Services, LLC. Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company and Principal Life Insurance Company and ADP Retirement Trust Services, LLC were the trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to the trustees for administrative services amounted to $12,618 and $11,023 for the years ended December 31, 2025 and 2024, respectively.

The Plan is administered by the Company. Certain administrative functions are performed by the officers and employees of the Company. No such officer or employee receives compensation from the Plan. All legal and accounting fees were paid by the Company on behalf of the Plan.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE G -- CERTIFIED INVESTMENT INFORMATION

Management obtained certifications of investment information prepared and certified as complete and accurate by Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, a member of the Principal Financial Group, for the period January 1 through November 14, 2025, and by ADP Retirement Trust Services, LLC for the period April 1 through December 31, 2025. All Plan assets previously held by Principal Trust Company were transferred to ADP Retirement Trust Services, LLC during 2025.

The 2025 investment information presented below and included in the accompanying financial statements and supplemental schedule of assets held at end of year was agreed to or derived from these certifications.

The following information included in the accompanying financial statements and ERISA-required supplemental schedule was obtained by management and agreed to or derived from information prepared and certified to as complete and accurate by Delaware Charter Guarantee & Trust Company d/b/a Principal Life Trust Company and Principal Life Insurance Company and by ADP Retirement Trust Services, LLC (collectively, the "Trustees").

NOTE H -- RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I -- RECLASSIFICATIONS

Certain reclassifications have been made to the 2024 financial statements in order to conform to the 2025 presentation.
