Part I Asset and Liability Statement

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Independent Auditor's Report

To the Plan Administrator and Those Charged with Governance
AGC Select 401(k) PEP

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the AGC Select 401(k) PEP (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Plan management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Plan management has obtained certifications from qualified institutions as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Plan Management for the Financial Statements

Plan management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Plan management's election of the ERISA Section 103(a)(3)(C) audit does not affect plan management's responsibility for the financial statements.

In preparing the financial statements, plan management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Plan management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an

opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by plan management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of plan management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

Respectfully submitted,

Note 1 - Description of Plan -

The following description of the AGC Select 401(k) PEP (the Plan) provides only general information. Participants should refer to the Plan basic plan document and the applicable adoption agreement for the participant's employer (Participating Employer) which has chosen to participate in the Plan, for a more complete description of the Plan's provisions.

General

Effective June 15, 2024, the AGC Southwest Chapters 401(k) Plan changed its name to AGC Select 401(k) PEP, adopted the Pinnacle Financials Services non-standardized defined contribution pre-approved plan document, and changed its structure from a Multiple Employer Plan to a Pooled Employer Plan.

The Plan is a pooled employer plan established and administered by Plan Professionals, LLC, the Pooled Plan Provider (PPP) and its affiliate, Northeast Professional Planning Group, Inc. (NPPG), is the Plan's third-party administrator. A pooled employer plan allows numerous unrelated businesses to participate in a single retirement plan that is managed by the PPP. The PPP has responsibility for the operations, administration, and oversite of the Plan.

Each Participating Employer elects their own provisions related to eligibility, contributions, notes receivable from participants and payments of benefits. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility

Only employees designated as eligible by their Participating Employer's adoption agreement are eligible to participate in the Plan. Participating Employers may define eligibility requirements based on factors such as age, service or employee type. Participants are eligible to make contributions and receive employer contributions to the extent specified in the applicable adoption agreement or otherwise provided by the Plan.

Contributions

Eligible participants may make pre-tax and roth contributions of their eligible compensation, as defined by the Plan and Participating Employer adoption agreement, subject to applicable limits established by law. Under certain circumstances, eligible employees may make rollover contributions to the Plan. Participants age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct contributions into investment options offered by the Plan.

Participating Employers may elect automatic enrollment. If elected, a defined percentage of an eligible participant's compensation is automatically withheld based on the Participating Employer's adoption agreement, unless the participant affirmatively opts out.

Participating Employers may elect to make matching contributions, safe harbor, nonelective contributions, and true-up matching contributions to the Plan. Participating Employer contributions are invested in funds in accordance with the participant's direction and the Plan's provisions.

Contributions are subject to certain IRS limitations.

Participant Accounts

Participant accounts are credited or charged with the participant's contribution, the participating employer's contribution, if any, the Plan's investment earnings or losses, certain Plan administration costs, withdrawals, and forfeitures of terminated participants' nonvested accounts. Participants may direct their account balance into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and their Participating Employer's safe harbor contributions, if any, plus actual earnings or losses thereon. Vesting in participating employer contributions plus actual earnings thereon is based on years of service. Vesting schedules, as elected by the Participating Employer, are based on annual vesting periods not to exceed six years.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or other termination of employment, participants or their beneficiaries are eligible to receive the value of their vested account balance. Participants may also withdraw a portion or all of their vested balance, while still employed, through in-service distributions upon reaching the age of 59½. Additionally, participants may qualify for a hardship withdrawal of their vested account balance, while still employed, for the purpose of immediate and heavy financial needs, as defined in the Plan document.

Forfeited Accounts

At December 31, 2025 and 2024 forfeited non-vested accounts totaled $1,891,020 and $2,215,923 respectively. These accounts can be used to reduce future employer contributions and/or pay administrative expenses of the Plan. During 2025, forfeitures totaling approximately $880,855 were used for these purposes.

Custodian Transfer

In 2025 The Plan began transferring adopting employers from the Transamerica Financial Life Insurance Company platform to the Empower Trust Company, LLC custodial platform. The Transfer of all adopting employers is expected to be completed in 2026.

Note 2 - Summary of Accounting Policies -

Basis of Accounting

The financial statements of the Plan are presented in conformity with U.S. GAAP and were prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and such differences may be material.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the Plan custodian. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis of accounting. Dividends are recorded on the ex-dividend date. Net investment income includes gains and losses on investments sold during the year as well as appreciation and depreciation of the investments held at the end of the year.

Contributions

Participant contributions and any related Participating Employer matching contributions are recognized in the period in which the employer makes the respective payroll deductions from the participant's compensation. Participating Employer non-elective/profit-sharing contributions are recorded in the relevant period in accordance with the terms of the Plan document.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent notes are reclassified as distributions based on the terms of the Plan basic plan document and participant loan program.

Risks and Uncertainties

The Plan provides for various investment options in any combination of selected funds held by the custodian. These funds are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with these funds, it is at least reasonably possible that changes in the values of these funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Excess Contributions Payable

Amounts payable to participants totaling $1,022,823 for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability as of December 31, 2025. The Plan distributes excess contributions to the applicable participants before March 15, 2026. Any remaining excess contributions will be distributed during 2026 and the applicable excess tax will be paid in connection with these contributions by the participating employer affected. The amount of excess contributions payable at December 31, 2024 was $897,500.

Administrative Expenses & Expense Budge Account

Reasonable expenses of the Plan, including trustee, attorneys, advisors, fiduciaries and service providers are paid by the Plan, unless otherwise paid by the PPP or the Participating Employers. Expenses that are paid by the PPP or the Participating Employers are excluded from these financial statements. Investment related expenses are included in investment income.

The Plan utilizes an expense budget account to pay reasonable expenses of the Plan and/or reallocated to eligible participants. These funds are included in the Stable Value Fund in these financial statements. The balance of the expense budget account as of December 31, 2025 and 2024 was approximately $614,000 and $585,000, respectively. During 2025, approximately $689,000 of funds in the expense budget account were utilized to pay Plan expenses. During 2025, $400,000 of excess expense budget account funds were reallocated to the participants on a nondiscriminatory basis.

Subsequent Events

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through October 15, 2026, the date which the financial statements were available to be issued.

Note 3 - Plan Termination -

Although it has not expressed any intent to do so, the PPP reserves the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 4 - Tax Status -

The Plan is intended to qualify under Internal Revenue Code (IRC) Section 401(a) and 501(a).

On June 30, 2020, the IRS stated that the Non-Standardized Pre-Approved Profit-Sharing Plan adopted by the Plan, as then designed, qualifies under IRC Section 401(a) and, therefore, the related trust is tax-exempt. The Plan itself has not received a determination letter. The Plan has been amended since adoption; however, the Plan Administrator and tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently

no audits for any tax periods in progress. With few exceptions, the Plan is no longer subject to income tax examinations for years prior to 2022.

Note 5 - Fair Value Measurements -

The fair value measurement accounting literature provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels. Level 1 inputs to the valuation methodology are based on unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access. Level 2 inputs are based primarily on quoted prices for similar assets in active or inactive markets and/or based on inputs that are derived principally from or corroborated by observable market data by correlation or other means. Level 3 inputs are unobservable and are based on assumptions market participants would utilize in pricing the asset.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Stable Value Fund: The Stable Value Fund is a fully benefit-responsive investment contract and is not a traditional GIC or SIC that relies upon underlying investment contracts for specific return guarantees or specific maturities. The Stable Value Fund is fairly valued at contract value. That is, the contract value is also fair value. Contract value represents principal plus accrued interest, less withdrawals and expenses, plus or minus net transfer activity with the Plan's other investment funds. If the Plan initiates a full redemption of the contract, Transamerica may impose a hold period at the contract level. No events, such as a significant decline in the creditworthiness of Transamerica, are probable of occurring that might limit the ability of the Plan to transact contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with participants.

Pooled Separate Accounts: These accounts are valued daily as the number of units held multiplied by the accumulation unit value (AUV). The AUV is determined based on the quoted market price (fund NAV) of the shares of the underlying securities (mutual funds), the fund's dividends and the account charges. These accounts have no unfunded commitments and provide for daily redemptions with no advanced notice.

Mutual Funds: Net asset value of shares or units held by the Plan at year-end, based on the quoted market value of the underlying assets. There are no restrictions on redemptions of these investments

Collective Trust Funds: Net asset value of units held by the Plan at year-end. The net asset value is determined by each fund's trustee based upon the fair value of the underlying assets owned by the fund, less liabilities, divided by the number of outstanding units. Redemption is permitted daily with no significant restrictions or notice periods. These funds had no unfunded commitments at December 31, 2025.

Fixed Annuities: Values are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

Variable Annuities: Values are calculated daily by the annuity provider according to the methods described in the annuity contract.

Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 99,536,308	$ -	$ -	$ 99,536,308

Investments measured at net asset value*				560,511,528
Total Investments at Fair Value				$ 593,920,194

* Collective trust funds and pooled separate accounts are measured at fair value using the net asset value per share (or its equivalent) practical expedient and have not been categorized in the fair value hierarchy. The fair value amount presented in this table is intended to permit reconciliation of the fair value hierarchy to the amount presented on the Statements of Net Assets Available for Benefits. These funds file form 5500 as direct filing entities with the Department of Labor.

Gains and losses included in the statement of changes in net assets available for benefits for the year ended December 31, 2025 are reported in net investment income.

Note 6 - Information Prepared and Certified by the Custodian -

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian, Transamerica Financial Life Insurance Company, Empower Trust Company, LLC, and Empower Annuity Insurance Company of America.

- Investments, at fair value and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Net investment income and interest income on notes receivable from participants as shown on the statement of changes in net assets available for benefits for the year ended December 31, 2025.

- Investment information included on the supplemental schedule of assets held for investment as of December 31, 2025.

Note 7 - Related Party and Party-in-Interest Transactions -

Certain Plan investments are held and managed by Transamerica Financial Life Insurance Company (Transamerica) and Empower Annuity Insurance Company of America (Empower). Since Transamerica and Empower are the Plan custodians, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net investment income, as they are paid through revenue sharing, rather than a direct payment. The PPP may also directly pay other fees related to the Plan's operations. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NPPG is an affiliate of the PPP and provides third-party administrative services to the Plan. The Plan compensates NPPG and PPP directly for such services which is included in administrative expenses in the accompanying statement of changes in net assets available for benefits. Transactions with NPPG qualify as party-in-interest transactions and are exempt from the prohibited transaction rules of ERISA.

Note 8 - Reconciliation of Financial Statements to Schedule H of Form 5500 -

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31, 2025 and 2024:

	2025	2024
Net Assets Available for Benefits per the Financial Statements	$652,334,695	$610,036,647
Less: Deemed Distributions of Participant Loans	-	(399,447)
Net Assets Available for Benefits per Schedule H of Form 5500	$ 652,334,695	$ 609,637,200

The following is a reconciliation of the net increase in the statement of changes in net assets available for benefits per the financial statements to net income per Schedule H Form 5500 for the year ended December 31, 2025:

Net Increase per the Financial Statements	$ 73,834,021
Less: Change in Deemed Distributions of Participant Loans	399,447
Net Income per Schedule H of Form 5500	$ 74,233,468

Note 9 - Transfers - Qualified Plans -

During 2025, seven qualified plans merged into the Plan with assets of $7,232,331.

During 2025, three participating employers transferred $38,768,304 of assets out of the Plan.

Note 10 - Delinquent Participant Contributions -

During the year ended December 31, 2025, participant deferrals totaling $1,957,535, were not timely remitted to the Plan in accordance with the requirements of the Department of Labor. The contributions were remitted to the Plan upon discovery of the errors. The participating employers will compute the lost earnings on these deposits and will make a contribution for lost earnings to the Plan during 2026.

Note 11 - Plan Operation and Compliance Matters -

For the year ended December 31, 2025, certain Participating Employers did not provide the Plan's third-party administrator with the required employee census and payroll data necessary to complete the Plan's annual IRS compliance testing, evaluate the completeness of employee and participant data, or to complete a reconciliation of the Plan's activity for the year ended December 31, 2025. Consequently, certain auditing procedures could not be completed and supporting documents could not be obtained from the Participating Employers. As of the date of this report, the PPP and third-party administrator have notified the specific Participant Employers of their obligations to provide required annual payroll information and their obligations to remain as a Participating Employer in good standing with the Plan.
