Independent Auditors' Report

To the Plan Participants and Plan Administrator
ABM 401(k) Employee Savings Plan II:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of ABM 401(k) Employee Savings Plan II (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

KPMG LLP, a Delaware limited liability partnership, and its subsidiaries are part of the KPMG global organization of independent member firms affiliated with KPMG International Limited, a private English company limited by guarantee.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than U.S. generally accepted accounting principles. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, as described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting, as described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting, as described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules (modified cash basis) of Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions (modified cash basis) for year ended December 31, 2025 and Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules (modified cash basis), other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules (modified cash basis) that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules (modified cash basis), other than the information in the supplemental schedules (modified cash basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules (modified cash basis) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(1) Description of the Plan

The ABM 401(k) Employee Savings Plan II (the Plan) is a defined contribution plan, which is intended to qualify under Section 401(a) of the Internal Revenue Code of 1986, as amended (the Code), as a profit sharing plan with a qualified cash or deferred arrangement that satisfies Code Section 401(k) and is funded by a trust intended to be exempt from tax under Code Section 501(a). The Sponsoring Employer under the Plan is ABM Industries Incorporated, a Delaware corporation (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The plan document was last amended and restated effective January 1, 2015. Subsequent to that date, there have been other amendments to the Plan. The following is a brief description of the Plan's provisions. Participants should refer to the plan document for a more complete description of the Plan's provisions.

(a) Eligibility

The Plan excludes the following employees:

1. Employees not listed in a group that is covered under the Plan in Appendix A of the Plan;
2. Employees whose employment is governed by a collective bargaining agreement, unless the collective bargaining agreement provides for their participation in this Plan;
3. Nonresident alien who has no earned income from sources with the United States;
4. Directors who are not employed by the Company in any other capacity;
5. Leased employees;
6. Residents of Puerto Rico;
7. Highly Compensated Employees; or
8. For any plan year, employees whose monthly, semi-monthly or weekly rate of pay, as of the first business day of the plan year (or the first day of employment if hired during the plan year), when annualized and added to any guaranteed or estimated bonus that might be paid exceeds $120,000 for that plan year (as adjusted for cost-of-living).
9. Individuals who are not on United States payroll of the Company because they are classified by the Company as an independent contractor;

Entry dates for all eligible employees vary based on the specific group or site as specifically referenced in Appendix A and any subsequent amendments.

(b) Contributions

Participants may elect to contribute between 1% and 50% of eligible compensation by salary deferral. Contributions are subject to applicable Code restrictions and limitations.

(Continued)

Individuals age 50 and over are allowed to make additional elective pre-tax catch-up contributions each year. Also, individuals aged 60-63 are allowed to make additional contributions based upon IRS limits in effect.

Participants may also contribute amounts representing distributions from former employers' qualified retirement plans (rollovers).

Employer contributions, if any, vary by group or site, as specifically referenced in the plan document and subsequent amendments.

(c) Vesting

The value of the participant's account, including employer contributions, is fully vested at all times.

(d) Participant Accounts

Each participant's account is credited with the participant's contribution, appropriate employer contribution (if any), and plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on the participant's specific investments or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's entire account balance.

(e) Notes Receivable from Participants

The Plan permits participant loans. Loans are limited to the lesser of $50,000 reduced by the highest outstanding loan balance in the prior twelve-month period, or 50% of the participant's vested account balances. The minimum loan amount is $1,000. The loans are secured by the balance in the participant's account. Loans are repaid via payroll deductions, generally have a term of not greater than 60 months, and bear a fixed interest rate equal to the prime rate as published in The Wall Street Journal on the last business day of the calendar quarter preceding the date the loan is finalized, plus 1%. As of December 31, 2025, the interest rates on loans ranged from 4.25% to 10% with maturity dates through September 2045.

(f) Payment of Benefits

Upon termination of service, retirement, or permanent disability, a participant may receive a lump-sum amount equal to the value of the participant's vested account balance. If the participant's account balance is $1,000 or less, a lump-sum payment may be made without the participant's written consent. If the value of a participant's account is between $1,000 and $7,000, and if the participant does not specify the form of payment, the Company is authorized to rollover the vested amounts into an Individual Retirement Account established by the plan administrator for the participant. In addition, participants may be able to request a distribution of their accounts upon disability in accordance with the terms of the Plan, attainment of normal retirement age (age 62) or on termination of employment.

In the event of the death of a participant, the account balance becomes payable to the beneficiary or beneficiaries as designated by the participant.

A participant may receive a hardship withdrawal, loan or in-service age 59.5 withdrawals from certain accounts under the Plan.

(Continued)

On December 20, 2019, the Setting Every Community Up for Retirement Enhancement Act of 2020 (SECURE Act) was enacted and was effective beginning on January 1, 2020. The SECURE Act provisions included, among other things, an increase in the age limit for required minimum distributions from 70½ to 72.

(g) Administrative Expenses

Generally, administrative expenses are paid by the Plan. However, certain administrative expenses may be paid by the Company. Loans and other transaction specific fees are charged to the accounts of participants electing such transactions. In addition, certain investment related expenses reduce investment income presented in the accompanying statements of changes in net assets available for benefits (modified cash basis).

Merrill Lynch, Pierce, Fenner & Smith Incorporated (Merrill Lynch), a wholly owned subsidiary of Bank of America Corporation, provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement between the Company and Merrill Lynch, effective as of January 1, 2013 (the MSA). As described in the MSA, Merrill Lynch receives revenue from processing fees, service fees, distribution fees and other fees from mutual fund or collective trust providers, which revenues are attributable to the Plan's assets invested in such funds. This revenue is used to offset certain amounts owed to Merrill Lynch in connection with the administration of the Plan. If the revenue received by Merrill Lynch from such mutual fund or collective trust providers exceeds the amount owed to Merrill Lynch under the MSA, Merrill Lynch remits the excess to the Plan's trust. The determination of whether such revenues exceed or fall below the amount due Merrill Lynch under the MSA is made on a quarterly basis. The amount of any such excess is deposited in the Plan trust no later than forty-five (45) days following the end of any such quarter. Such amounts are held in an unallocated account and may be applied to pay administrative expenses The Plan allocated $7,950 during the 2025 plan year.

(h) Plan Investments

Participants direct the investment of their contributions and account balances within various investments offered by the Plan. Plan assets are held in a trust administered by the plan trustee.

Effective December 31st, 2024, Puntnam value Fund was added.

(i) Asset Transfers

From time to time, asset transfers occur between the Plan and the ABM 401(k) Employee Savings Plan (Plan I) due to changes in employee classifications. This resulted in net interplan transfers into the Plan from Plan I.

(j) Plan Administration

The Plan is administered by the Administrative Committee appointed by the Compensation Committee of the Board of Directors of the Company. Bank of America, N.A. serves as directed trustee of the Plan and Merrill Lynch serves as the recordkeeper of the Plan.

(Continued)

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accounts of the Plan are prepared on a cash basis of accounting modified to carry investments at fair value, whereas contributions are recognized when received rather than when earned, and deductions are recognized when paid rather than when the obligation is incurred. Accordingly, the financial statements are not intended to present net assets available for benefits and changes in net assets available for benefits in accordance with U.S. generally accepted accounting principles (GAAP).

(b) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

(c) Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 9 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a settlement-date basis. Interest and dividend income are recorded when received. Net appreciation (depreciation) in fair value of investments consists of the change in unrealized appreciation or depreciation during the years, and the realized gain or loss on the sales of investments during the year. Acquisition costs are included in the cost of investments purchased, and sales are recorded net of selling expenses.

(d) Notes Receivable from Participants

Notes receivable from participants are valued at amortized cost. Delinquent participant loans are reclassified as a distribution based upon the terms of the plan document.

(e) Risks and Uncertainties

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the values of investment securities will occur in the near term.

(f) Payment of Benefits

Benefits are recorded when paid.

(3) Information Certified by the Plan's Trustee

The Plan Administrator has elected to have the audit performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Plan Administrator determined that the certifications received from Bank of America, N.A. meets the requirements of ERISA Section 103(a)(3)(C). Bank of

America, N.A. certified that the following data included in the accompanying financial statements and supplemental schedules are complete and accurate: Investments, at fair value and notes receivable from participants as shown in the Statements of Net Assets Available for Benefits (Modified Cash Basis) as of December 31, 2025 and 2024. Net appreciation in fair value of investments, dividend income, interest income, other income, and interest on notes receivable from participants as shown in the statements of changes in Net Assets Available for Benefits (Modified Cash Basis) for the years ended December 31, 2025 and 2024. Schedule H, Part IV, line 4i - Schedule of Assets (held at end of year) (Modified Cash Basis) as of December 31, 2025. The Plan's independent accountants did not extend their audit procedures to the information certified by Bank of America, N.A., except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

(4) Income Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated July 25, 2016, that the Plan and related trust are designed in accordance with applicable sections of the Code. The Plan has been amended since receiving the determination letter. The plan administrator believes that the Plan is designed in compliance with the applicable requirements of the Code.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(5) Transactions with Related Parties

Certain plan investments are managed by the trustee or affiliates of the trustee, and therefore, these transactions qualify as party-in-interest transactions.

(6) Nonexempt Transactions

As reported on Supplemental Schedule I, certain employee contributions and participant loan repayments totaling $1,539,579 were not remitted to the trust within the time frame specified by the DOL's Regulation 29 CFR 2510.3 102, thus constituting nonexempt transactions between the Plan and the Company for the year ended December 31, 2025.

(7) Administrative Committee

The Plan provides that a committee shall serve without compensation until the resignation or the termination of this committee by the Company. The Administrative Committee, by majority agreement, oversees the operation and administration of the Plan.

(8) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA or the Code. In the event of termination of the Plan, all assets would be distributed based on the participants' account balances.

(Continued)

(9) Fair Value Measurements

Accounting Standards Codification (ASC) 820 defines fair value as the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. ASC 820 establishes a fair value hierarchy that requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In many cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

Money market funds are valued at par, which represents fair value and thus is included within Level 1 of the valuation hierarchy.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are included within Level 1 of the valuation hierarchy.

Common/collective trust funds are reported at NAV of units held by the Plan on the last business day of the Plan year. These funds publish a daily NAV and transact at that price. The common/collective trusts held by the Plan are deemed to be actively traded and thus are included within Level 1 of the valuation hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

During 2025 and 2024, there were no changes in methodologies or transfers between levels.

(Continued)

The following tables present information about the Plan's assets measured at fair value on a recurring basis and indicate the fair value hierarchy of the inputs utilized to determine the fair values as of December 31, 2025 and 2024.

(10) Subsequent Events

For the year ended December 31, 2025, subsequent events were evaluated through October 15, 2026, which is the date the financial statements were available to be issued, and one item was determined to be disclosed: Effective January 1, 2026, the Twentieth Amendment to the ABM 401(k) Employee Savings Plan II adds a new group of union employees from ABM's Evergreen and Ridgefield school operations (SEIU Local 49) to the 401(k) plan. Eligible employees may enroll on the first day of the month following hire. No employer matching or non-elective contributions will be provided for this group.
