INDEPENDENT AUDITOR'S REPORT

Administrative Committee
Pillsbury Winthrop Shaw Pittman LLP
Retirement Savings Plan No. 1
Four Embarcadero Center, 22nd Floor
San Francisco, California 94111

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Pillsbury Winthrop Shaw Pittman LLP Retirement Savings Plan No. 1 (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Pillsbury Winthrop Shaw Pittman LLP Retirement Savings Plan No. 1 (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

A. General

The Plan is a defined contribution plan established in 1952 to provide retirement benefits to eligible members of Pillsbury Winthrop Shaw Pittman LLP (the "Firm"). The plan administrator believes the Plan is substantially designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") so as not to jeopardize its tax-qualified status and provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

B. Administration

The Firm appointed an Administrative Committee (the "Committee") to manage the operation and administration of the Plan. Certain assets of the Plan are held in a master trust together with the assets of Pillsbury Winthrop Shaw Pittman LLP Retirement Savings Plan No. 2 ("Plan No. 2"), a related plan administered by the Committee. The plans are individual account plans in which each participant directs the investment of his or her account. Accordingly, the Plan holds a specifically identifiable interest in assets maintained in the master trust. The Committee designated Fidelity Management Trust Company ("Fidelity") to serve as trustee of the master trust. Matrix Trust Company is custodian of assets maintained outside the master trust.

C. Eligibility

Partners and employees who have attained age 21 are eligible to make elective contributions to the Plan beginning 31 days following commencement of services with the Firm. Partners and staff age 21 or older are eligible to receive Firm profit sharing contributions. No employee other than an authorized management employee is entitled to receive profit sharing contributions if he or she is eligible to receive profit sharing contributions for such plan year under any other Firm sponsored plan. Non-Partner Attorneys (a special designation under the Plan) are not eligible for Firm profit sharing contributions.

D. Participant Elective Contributions

Eligible participants may elect to make pre-tax contributions, Roth after-tax contributions or a combination of both to the Plan up to the amount allowable under Code regulations. Participants age 50 and older may elect to make additional catch-up contributions as allowed under Code regulations. Participants who make pre-tax contributions to the Plan receive an equivalent reduction in taxable compensation.

E. Matching Contributions

The Firm matches 100% of elective contributions made by partners and staff up to 3% of compensation. Firm matching contributions are allocated based on participant contributions.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

F. Profit Sharing Contributions

Annual profit sharing contributions are made on behalf of each eligible participant based on participants' eligible compensation as follows:

- 5% of compensation is allocated to the account of each non-lawyer participant.
- 50% of the maximum annual addition permitted under Section 415 of the Code, less the annual elective deferral limit, less the maximum matching contribution that can be made to a participant under provisions of the Plan, is allocated to partners and authorized management employees.
- 8.83% of compensation is allocated to Senior Administrators up to a maximum of $15,000.
- 5% to 10% of eligible compensation is allocated to former participants in the Winthrop Stimson Putnam & Roberts Staff Retirement Plan preceding its merger into a Firm plan and who were employed on December 31, 2001.

Firm members must be eligible on December 31 in order to share in profit sharing contributions for the year.

G. Participant Accounts

Each participant's account is credited with the participant's elective contributions, rollover contributions, the participant's share of investment income or losses and expenses and, if eligible, an allocation of Firm contributions. Participants may direct their investments among a core group of investment funds offered under the Plan, or they may elect to establish a self-directed brokerage account in which they may invest in any investment security approved by the Committee.

Contributions allocated to participants who decline to make an investment election are invested in the Fidelity Institutional Asset Management ("FIAM") Target Date Comingled Pool appropriate for an individual's age and projected date of retirement.

H. Vesting and Forfeitures

Participants are immediately 100% vested in their accounts.

I. Notes Receivable from Participants

The Plan allows participants to borrow not less than $1,000 up to the lesser of $50,000 or 50% of their vested account balance. A loan is secured by a participant's account balance, bears a fixed rate of interest based on prevailing market rates at loan inception, and must be repaid to the Plan in five years unless the loan is used for the purchase of a principal residence in which case the repayment period may be extended to a maximum of 15 years. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants at December 31, 2025 carry interest rates ranging from 4.75% to 10.00% with various maturities through November 2040.

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

I. Notes Receivable from Participants (Continued)

Notes receivable are measured at their unpaid principal balance plus accrued interest. Delinquent notes are recorded as a distribution based on the terms of the Plan document.

J. Payment of Benefits

Upon termination of service, death, disability or retirement, a participant or beneficiary may maintain his or her account in the Plan or receive benefits in a lump sum. Hardship distributions are permitted under limited circumstances. Benefits are recorded when paid.

K. Expenses

Core fund management fees and operating expenses are charged directly to the fund and are thereby factored into each fund as a reduction in investment return. Certain fees incurred by participants with self-directed brokerage accounts are charged directly to the account holder. The Firm pays substantially all other costs of administering the Plan.

L. Plan Termination

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

B. Investment Valuation and Income Recognition

Plan investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation of investments includes gains and losses on investments bought and sold as well as held during the year.

C. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Risks and Uncertainties

Plan investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in equity markets, interest rates or other factors in the near term would materially affect participant accounts and amounts reported in the financial statements.

E. Subsequent Events

Management has evaluated subsequent events through October 15, 2026, the date on which the financial statements were available to be issued. There are no material subsequent events that require recognition or additional disclosure in these financial statements.

NOTE 3 - INCOME TAX STATUS

The Plan received its most recent favorable determination letter dated March 13, 2018, in which the Internal Revenue Service stated that the Plan is designed in compliance with the applicable requirements of the Code. The Firm believes the Plan is substantially operated in accordance with and continues to qualify under the applicable requirements of the Code and related state statutes, and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by affiliates of the trustee or custodian. Purchases and sales of these investments and payment of direct and indirect fees by the Plan to Plan service providers are party-in-interest transactions under ERISA regulations. Such transactions are permitted under provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY TRUSTEE AND CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule including investments held at December 31, 2025 and 2024, and net appreciation of investments and interest and dividends for the year ended December 31, 2025, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee, and Matrix Trust Company, the custodian.

NOTE 6 - FAIR VALUE MEASUREMENTS

Accounting guidance establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Shares of mutual funds are valued at closing market prices of shares held by the Master Trust at year-end. Other investments are comprised of securities maintained in self-directed brokerage accounts and consist principally of mutual funds and common stocks that are valued at the closing price reported on the active market on which the securities are traded. U.S. Government obligations, corporate bonds, life insurance policies and limited partnership interests are valued at fair value based on prices provided by third-parties.

Although the plan administrator believes these valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value could result in a different fair value measurement at the reporting date.

The following tables disclose the fair value of the Plan's share of investment assets in the master trust and the fair value of Plan assets held outside the master trust at December 31 based on the inputs used to value them:

	2025

[A] In accordance with ASC 820, master trust investments measured at net asset value per share (or its equivalent) are not classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table reconciles the beginning and ending fair value of the Plan's Level 3 securities:

	Level 3 Limited Partnership Interest
