If your policy is issued in connection with an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), then you will find this information useful in preparing the ERISA annual report (Form 5500). Please contact your attorney or benefits consultant if you have questions regarding the applicability of ERISA to your plan, Form 5500, or other requirements. This information may include an entry which shows other compensation received by your broker from New York Life Group Benefit Solutions, in addition to commissions. New York Life Group Benefit Solutions companies offer programs under which agents and brokers can qualify for additional compensation, based on meeting new sales and persistency goals, for providing our insurance companies with market intelligence, product and service feedback, and other services that enable us to conduct our business more effectively. For plans subject to ERISA and required to file Form 5500, the U.S. Department of Labor has advised that such payments must be reported on Schedule A of Form 5500. Thus, if your broker received a payment during the policy year under that program, a portion (equal to the amount, which was based on premiums or commissions, that the program generated with respect to the policy) has been allocated and is included with the Schedule A information that is enclosed. While this compensation has been, for this purpose, allocated to specific policies, it is funded from our general overhead for all policies, regardless of whether a broker participates in these agreements. Note: these payments, where applicable, are labeled as overrides. If a zero dollar figure is shown, it means that no such payment was paid to your broker during the policy year.

Your agent or broker may also have participated, at the insurance company's expense, in producer events sponsored by our insurance companies during which information concerning our products and services was exchanged. Please contact your agent or broker if you would like specific information about their participation in these programs. Dear Valued Customer:

The enclosed report provides some important information regarding your group insurance policy for the recently completed policy year. This information includes, among other things, total premiums paid, as well as compensation paid to agents or brokers in connection with your policy.

If your policy is issued in connection with an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), then you will find this information useful in preparing the ERISA annual report (Form 5500). Please contact your attorney or benefits consultant if you have questions regarding the applicability of ERISA to your plan, Form 5500, or other requirements. We hereby certify that the information provided here is accurate and complete.

If your policy is not subject to ERISA, then we are providing this information as a service, for your use in the management of your benefit plan. Our goal is to provide the highest degree of service to our customers, and we are committed to providing this important information to you.

This information may include an entry which shows other compensation received by your broker from New York Life Group Benefit Solutions, in addition to commissions. New York Life Group Benefit Solutions companies offer programs under which agents and brokers can qualify for additional compensation, based on meeting new sales and persistency goals, for providing our insurance companies with market intelligence, product and service feedback, and other services that enable us to conduct our business more effectively. For plans subject to ERISA and required to file Form 5500, the U.S. Department of Labor has advised that such payments must be reported on Schedule A of Form 5500. Thus, if your broker received a payment during the policy year under that program, a portion (equal to the amount, which was based on premiums or commissions, that the program generated with respect to the policy) has been allocated and is included with the Schedule A information that is enclosed. While this compensation has been, for this purpose, allocated to specific policies, it is funded from our general overhead for all policies, regardless of whether a broker participates in these agreements. Note: these payments, where applicable, are labeled as overrides. If a zero dollar figure is shown, it means that no such payment was paid to your broker during the policy year.

Your agent or broker may also have participated, at the insurance company's expense, in producer events sponsored by our insurance companies during which information concerning our products and services was exchanged. Please contact your agent or broker if you would like specific information about their participation in these programs. In addition, the insurance company offers agents and brokers the opportunity to receive the benefit of New York Life's favorable pricing with vendors of various goods and services.

New York Life Group Benefit Solutions has a longstanding commitment to our customers to deliver the highest level of quality service. Millions of individuals continue to rely on New York Life Group Benefit Solutions for the Insurance protection they need. We value the trust our customers place in us, and unwaveringly pledge to adhere to ethical business standards.

Sincerely,
