# INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
ACM 401(k) Plan:

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audits for the 2023, 2022, and 2021 Financial Statements**

We have performed audits of the financial statements of ACM 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, 2022, 2021, and 2020, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023, 2022, and 2021, and the related notes to the financial statements (2023, 2022, and 2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 2023, 2022, and 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2023, 2022, and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

***Opinion on the 2023, 2022, and 2021 Financial Statements***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the 2023, 2022, and 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2023, 2022, and 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2023, 2022, and 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management has determined meet the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the 2023, 2022, and 2021 Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the 2023, 2022, and 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2023, 2022, and 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audits of the 2023, 2022, and 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits for the 2023, 2022, and 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2023, 2022, and 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Other Matter - 2023, 2022, and 2021 Supplementary Information Required by ERISA***

The supplementary information listed in the table of contents as of and for the years ended December 31, 2023, 2022, and 2021 is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary information, other than those agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary information, other than the information in the supplementary information that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplementary information related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

***Other Matter - Auditors' Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by qualified institutions. In our report dated September 3, 2026, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTES TO THE FINANCIAL STATEMENTS**
**DECEMBER 31, 2023, 2022, AND 2021**

## NOTE 1 – Description of the Plan

The following description of the ACM 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

### *General*

The Plan is a defined contribution plan which covers substantially all employees of Advanced Cleanroom Microclean Corp. and certain adopting employers (collectively referred to as the Company) who have completed 60 days of service. The Plan excludes nonresident aliens and union employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Administrative Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

### *Contributions*

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan. In addition, participants may elect to make after-tax (Roth) contributions to the Plan of up to 100% of eligible compensation. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan permits discretionary employer matching and qualified non-elective contributions (collectively, Company's contributions). For the years ended December 31, 2023, 2022 and 2021, the Company made no discretionary employer matching. For the year ended December 31, 2022, the Company made qualified non-elective contributions of $11,232. The Company's contributions are invested as directed by the participant. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**NOTE 1 – Description of the Plan (Continued)**

***Participant Accounts***

Each participant's account is credited with the participant's contributions, the Company's contributions, and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after four years of credited service.

***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Participant loans bear interest at rates commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions.

***Payment of Benefits***

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive either a lump-sum amount, partial payments, installment payments, or certain annuity forms equal to the value of the vested interest in the participant's account.

***Forfeited Accounts***

At December 31, 2023, 2022, 2021, and 2020, there were no forfeited nonvested accounts. These accounts may be used to pay plan administrative expenses, reduce future employer contributions, or reallocate the amounts to participants' account. For the years ended December 31, 2023, 2022, and 2021, no forfeitures were used to reduce employer contributions or pay administrative expenses.

## NOTE 2 – Summary of Accounting Policies

### *Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

### *Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### *Reclassifications*

Certain amounts in the 2020 financial statements have been reclassified to conform to the 2023, 2022, and 2021 financial statement presentation.

### *Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### *Contributions*

Contributions from plan participants and the Company's discretionary matching contributions are recorded in the year in which employee contributions are withheld from compensation. The Company's qualified non-elective contributions are recorded in the year in which employee compensation is earned.

**NOTE 2 – Summary of Accounting Policies (Continued)**

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

***Other Employer Contributions Receivable and Excess Contributions Payable***

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2023 and 2022 excess contributions to applicable participants during 2024, and distributed 2021 excess contributions during 2022.

Additionally, for the year ended December 31, 2022, the Company corrected the related annual testing failures by making qualified non-elective contributions totaling $11,232. The corresponding receivables are recorded as other employer contributions.

***Payment of Benefits***

Benefits are recorded when paid.

***Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) of fair value investments.

***Subsequent Events***

The Plan has evaluated subsequent events through September 29, 2026, the date the financial statements were available to be issued.

**NOTE 3 – Certified Investments**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (collectively, Principal), the custodians of the Plan, have certified that the following data included in the accompanying financial statements and supplementary information is complete and accurate with respect to investments:

- Investments at fair value
- Net appreciation (depreciation) in fair value of investments
- Dividends
- Schedules of assets held at end of year, except for notes receivable at December 31, 2023, 2022, and 2021.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplementary information.

**NOTE 4 – Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Topic 820 are described as follows:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**NOTE 4 – Fair Value Measurements (Continued)**

**Level 2** Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023, 2022, 2021, and 2020.

***Mutual fund:*** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

***Pooled separate accounts:*** Valued at quoted market prices which represent the number of shares of the respective underlying fund multiplied by the closing NAV per share quoted by that fund. The use of NAV as fair value is deemed appropriate as the pooled separate accounts do not have finite lives, unfunded commitments, or significant restrictions on redemptions.

**NOTE 4 – Fair Value Measurements (Continued)**

***Collective investment trusts:*** Valued at the NAV of units of the collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value measurements as of December 31, 2023, 2022, 2021, and 2020:

| | Assets at Fair Value as of December 31, 2023 | | | |

The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

**NOTE 4 – Fair Value Measurements (Continued)**

## NOTE 5 – Related-Party Transactions and Party-in-Interest Transactions

Certain plan investments are managed by Principal, the custodian and recordkeeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing rather than a direct payment. As described in Note 2, the Plan made direct payments to the custodian and recordkeeper of $9,097, $11,555, and $8,987 for the years ended December 31, 2023, 2022, and 2021, respectively, which were not covered by revenue sharing. The plan sponsor pays directly certain other fees related to the Plan's operations.

## NOTE 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

## NOTE 7 – Tax Status

The Plan has adopted a preapproved plan document. The preapproved plan document received an opinion letter from the IRS on March 31, 2014, that was subsequently updated on June 30, 2020, stating that the form of the document is acceptable under Section 401 of the Internal Revenue Code. The Plan administrator believes that the Plan is designed and has been operated in compliance with applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## NOTE 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

## NOTE 9 – Reconciliation of the Financial Statements to the Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2023, 2022, 2021, and 2020 to the Form 5500:
