9 Dot Education Solutions Group Insurance Arrangement

Opinion

We have audited the financial statements of 9 Dot Education Solutions Group Insurance Arrangement (the "Plan"), which comprise the statements of net assets available for benefits and statements of benefit obligations as of February 28, 2026 and 2025, and the related statements of changes in net assets available for benefits and changes in benefit obligations for the year ended February 28, 2026, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of February 28, 2026 and 2025, and the changes in its net assets available for benefits and benefit obligations for the year ended February 28, 2026, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

(continued)

INDEPENDENT AUDITOR'S REPORT (continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

1. DESCRIPTION OF THE PLAN

The following description of the 9 Dot Education Solutions Group Insurance Arrangement (the "Plan") sponsored by the Trustees, through which various welfare plan benefits within the meaning of Employee Retirement Income Security Act of 1974 ("ERISA") Section 3(1) are offered to employees of Participating Employers throughout the Trust provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General – The Plan was established on March 1, 2020, to provide health and other benefits to eligible employees and covered dependents of Participating Employers (the "Employers"). The Plan operates as a group insurance arrangement with a trust used as a conduit through which contributions from Participating Employers and Participants are paid to insurance carriers for the provision of certain welfare plan benefits. The Plan is subject to the provisions of the ERISA, as amended.

Eligibility – In general, full-time employees who are employed an average of at least 30 hours of service per week with the Employer are eligible to participate. Independent contractors, leased employees, and individuals designated by the Employer as temporary employees shall not be Employees for purposes of the Plan. Participants will receive coverage for any month in which they remain eligible for the Plan and for which the Employer makes contributions to the Plan on their behalf. The participants' coverage will end on the last day of the month in which eligibility ceases. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

Contributions – Employers contribute to the Plan on behalf of employees who are eligible to receive health benefits under the Plan and have enrolled in coverages offered under the Plan. Participant contributions consist of the employee's share of insurance premiums are deducted from employee's wages. Although employer and participant contributions are remitted to the Plan together, the amounts attributable to each funding source are presented separately on the statement of changes in net assets available for benefits. Each Employer determines the cost allocation between employee and employer to provide benefits.

Benefits – The Plan provides health benefits (medical, vision, dental), life insurance, short and long-term disability benefits, accidental death and dismemberment benefits and critical illness benefits to eligible Participants and to their beneficiaries and dependents. The Plan administrator purchases annual insurance contracts for these benefits on a fully insured basis. Premiums for these insurance contracts are paid to the insurance companies by participating employers through the trust.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting **–** The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates **–** The preparation of financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Contributions receivable **–** Employer and Participant contributions due but not collected by year end are recorded as contributions receivable. The Plan's management generally does not consider credit evaluations necessary as historical collections have been within management's expectations. As of February 28, 2026 and 2025, there were no contributions receivable. As such, an allowance for doubtful accounts is considered unnecessary.

Administrative expenses **–** The Plan pays certain administrative expenses consisting of administrative fees paid to insurance companies and brokers. These expenses are included in the insurance premiums reported on the statement of changes in net assets available for benefits as they are not separately identifiable. All other administrative expenses are paid by the Plan Administrator, 9 Dot Education Solutions, LLC.

Payment of benefits **–** Insurance premiums are recognized as benefit costs when due under the applicable insurance contracts. Contributions due from Employers and Participants, but not received by the Plan are recorded as contributions receivable. There were no insurance premiums payable or prepaid insurance premiums as of February 28, 2026 and 2025.

Subsequent events **–** The Plan's management evaluates events or transactions occurring after the statement of net assets available for benefits date but before the financial statements are available to be issued for potential recognition or disclosure. The financial statements include all subsequent events considered necessary for a fair presentation. For the purposes of the accompanying financial statements, subsequent events have been evaluated through October 5, 2026, which represents the date the financial statements were available to be issued.

3. TAX STATUS

The Plan operates as a Group Insurance Arrangement within the meaning of Department of Labor Regulation Section 2520.104a-6. The trust established for the Plan has not applied for exemption from tax. Management does not believe there is activity that would subject the trust to income taxes.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Administrator has the right under the Plan to modify the benefits provided to, and contributions required of participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, all assets of the trust shall be used for the exclusive purpose of providing benefits to the Participants. In no event shall the assets of the Trust revert to the Employers upon termination of the trust.

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan has several agreements with service providers. Transactions related to these service agreements qualify as party-in-interest transactions that are exempt from the prohibited transaction rules of ERISA.
