# Independent Auditors' Report

To the Retirement Committee of the
INTAT Precision, Inc. Retirement Savings Plan
Rushville, Indiana

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of INTAT Precision, Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of INTAT Precision, Inc. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Independent Auditors' Report**
**(Continued)**

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of INTAT Precision, Inc. Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about INTAT Precision, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Independent Auditors' Report**
**(Continued)**

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of INTAT Precision, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about INTAT Precision, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Independent Auditors' Report**
**(Continued)**

**Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H, Line 4i – Schedule of Asset (Held at End of Year) as of December 31, 2025 and Schedule H, Line 4a – Schedule of Delinquent Contributions for the year ended December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## INTAT PRECISION, INC. RETIREMENT SAVINGS PLAN

### Notes to Financial Statements

## NOTE 1 DESCRIPTION OF THE PLAN

The following description of the INTAT Precision, Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

***General***

The Plan is a defined contribution plan covering non-highly compensated employees of INTAT Precision, Inc. (the Company) who have completed six months of service. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA). The Retirement Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Company's Board of Directors.

***Contributions***

Each year, participants may contribute up to 75% of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The automatic deferral rate will increase by 1% per year up to a maximum of 7% of eligible compensation. If participants are not automatically enrolled and their deferral rate is less than 7% of their eligible compensation, then their deferral rate will also increase by 1% per year up to a maximum of 7% of eligible compensation. The Company makes a matching contribution to all eligible participants equal to 100% of the participant's contributions up to the first 5% of compensation plus 50% of the participant's contribution that exceeds 5% but does not exceed 7% of compensation for the plan year. The Company makes a profit-sharing contribution to the Plan for eligible participants who are employed on the last day of the plan year. The profit-sharing contribution is equal to 2% of the eligible participant's annual compensation, as defined in the Plan. Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. For the year ended December 31, 2025, the Company elected to make a $567,726 profit-sharing contribution to the Plan. Contributions are subject to certain IRS limitations.

***Participant Accounts***

Each participant's account is credited with the participant's contributions, the Company's matching contributions, allocations of the Company's profit-sharing contribution, and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

## NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

### *Vesting*

Participants are vested immediately in their contributions and profit-sharing contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts occurs on a graduated scale as shown below:

| Years of Service | Vested % |
|---|---|
| Less than 1 year | 0 |
| More than 1 year, but less than 2 years | 20 |
| More than 2 years, but less than 3 years | 40 |
| More than 3 years, but less than 4 years | 60 |
| 4 years or more | 100 |

### *Notes Receivable From Participants*

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. Loan interest rates are the current prime lending rate plus 1%. Payments of principal and interest are made through payroll deductions or manual payments by participants.

### *Payment of Benefits*

On termination of service due any reason, a participant may elect to receive the value of the vested interest in his or her account as a lump sum distribution. Early retirement is not permitted by the Plan. In-service withdrawals for participants reaching age 59 ½ and financial hardships are permitted by the Plan.

### *Forfeited Accounts*

At December 31, 2025 and 2024, forfeited nonvested accounts totaled $8 and $39, respectively. These accounts may be used to pay plan expenses or reduce employer contributions. In 2025, $32,671 of forfeited nonvested accounts were used to reduce employer contributions.

### *Basis of Accounting and Use of Estimates*

The financial statements of the Plan are prepared on the accrual basis of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

***Investment Valuation and Income Recognition***

Investments are reported at fair value, except for fully benefit-responsive investment contract (Note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Retirement Committee determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Notes Receivable From Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

***Payments of Benefits***

Benefits are recorded when paid.

***Administrative Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

***Subsequent Events***

Subsequent events have been evaluated by management through October 13, 2026, which is the date the financial statements were available to be issued.

## NOTE 3 CERTIFIED INVESTMENTS

The following information provided by Principal Trust Company, the trustee of the Plan, for the years ended December 31, 2025 and 2024, were certified by them to be accurate and complete with respect to the following:

(a) The assets held by Principal Trust Company at December 31, 2025 and 2024, as well as the transactions involving these assets for the year ended December 31, 2025.

(b) The amount of investment income for the year ended December 31, 2025.

(c) The Schedule H, Line 4i – Schedule of Assets (Held at End of Year) at December 31, 2025.

## NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

## NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

*Registered investment companies (mutual funds):* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Pooled separate accounts:* Valued at NAV based on the fair value of the account's underlying investments using information reported by the investment advisor.

*Collective trust funds:* Valued at NAV based on the fair value of the fund's underlying investments using information reported by the investment advisor.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

***Assets Measured at Fair Value on a Recurring Basis***

| December 31, 2025 | Total | Level 1 | Level 2 | Level 3 |
|---|---|---|---|---|
| Mutual funds | $ 25,861,377 | $ 25,861,377 | $ - | $ - |

|---|---|---|---|---|
| Mutual funds | $ 22,654,795 | $ 22,654,795 | $ - | $ - |
| Collective trust funds | 2,227,988 | - | 2,227,988 | - |
| Investments at fair value | $ 24,882,783 | $ 22,654,795 | $ 2,227,988 | $ - |

## NOTE 5 GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a traditional fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company (Principal). Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The contract value of the investment contract at December 31, 2025 and 2024 was $5,524,328 and $5,800,911, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. There is no minimum crediting rate, and the rate is reviewed on a semiannual basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Principal Trust Company. Such events include the following: amendments to the Plan documents (including complete or partial plan termination or merger with another plan), termination of any record-keeping arrangement, service agreement or other agreement between Principal and the Plan, or termination of the investment contract. No redemption fees, early withdrawal charges, or market value adjustments are charged on participant transfers of assets into or out of the contract. A surrender of the Plan's interest or initiated transfer in this contract is subject to either a 12-month advance notice or a 5% surrender charge. Notification of the Plan's intent to terminate its interest may be revoked within 90 days of Principal’s receipt of such notice, after which time, the notice becomes irrevocable. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

## NOTE 6 PLAN TAX STATUS

The Plan operates under an adoption agreement regarding a volume submitter profit-sharing plan sponsored by Principal. The Plan has not been submitted to the IRS for an individual determination letter as the volume submitter document has a favorable opinion letter from the IRS. The plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

## NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer matching contributions.

## NOTE 8 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are investments in funds managed by Principal Trust Company. Principal Trust Company is the asset custodian and trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest.

Several employees of the Company provide administrative services to the Plan. These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Company for the services of the employees to the Plan.

## NOTE 9 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
