INDEPENDENT AUDITOR'S REPORT

To the Participants and the Administrator of
Able Health Care Services, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Able Health Care Services 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025, and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Able Health Care Services 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025, and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Able Health Care Services 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Able Health Care Services 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Tel: 516.663.5990 Fax: 516.663.5996
www.kkmcpa.com e-mail: brian@kkmcpa.com

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Able Health Care Services 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Able Health Care Services 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of as mentioned in table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ABLE HEALTH CARE SERVICES INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2025 & 2024

1. DESCRIPTION OF PLAN:

The following brief description of the Able Health Care Services, Inc. (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the provisions of the plan.

General:

The Plan is a defined contribution plan covering all full-time, non-union employees of the Able Health Care Services, Inc. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustee of the company also serves as the Board of Trustees of the plan. Empower Retirement Services, a division of Great-West Trust Company determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's trustee. The plan's effective date is January 1, 1999.

Eligibility:

Employees are eligible to participate in the plan at the next plan entry date subsequent to having completed one full year of service and attaining age 21.

Employee Contributions:

Each year, participants may contribute an amount equal to the percentage of the contributing participant's compensation, as defined in the plan. The plan permits employees who are 50 years and over to make catch-up contributions. Participants may also contribute amount representing distributions from other-qualified defined benefit or defined contribution plans (roller). Participants direct the investment of their contributions and employer contributions into various investment options offered by the plan.

Employer Contributions:

The Company may match up to 25% of employee's elective deferrals or 1% of gross compensation (which is calculated as 25% of 4% of employee's gross compensation), whichever is less. The company made matching contributions of approximately $66,236 for the year ended December 31, 2025. The employer may also elect to make non-elective annual profit-sharing contributions which are allocated to all eligible participants in the plan.

Limitations:

Congress limits the annual dollar amount of Elective Deferrals that a participant may contribute. For 2025, the limit was $23,500. The amount for catch-up contributions allowed in 2025 was $7,500. Congress also limits the annual eligible earnings to be considered for the purpose of qualified plan contributions and testing. For 2025, this limit was $350,000.

Participants' Accounts:

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions and company matching contributions plus actual earnings thereon. Vesting in the company's profit-sharing contributions is based on years of continuous service. A participant is fully vested after six years of continuous service.

Participant Loans:

Except as described above, participants may borrow from their fund accounts a minimum of $1,000 up to 50% of their vested account balance to a maximum of $50,000. Loans may not be funded from Roth designated accounts. The loans are secured by the balance in the participant's account and bear a reasonable interest rate. Principal and Interest is paid ratably through payroll deductions.

Payment of Benefits:

On termination of service due to death, disability, or retirement, a participant will be given a lump-sum distribution equal to the participant's vested interest in his or her accounts. For termination of service due to other reasons, a participant may receive the value of the vested interest in his/her account as a lump-sum distribution.

Forfeitures:

Forfeitures will be allocated to pay plan expenses, to reduce the employers match and as a non-elective contribution. On December 31, 2025, and 2024, there were $0 and $0 in forfeitures respectively. Unallocated forfeited balance as of December 31, 2025, and 2024 were not material.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition

Investments are reported at fair value. The fair value of a financial statement is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Shares of mutual funds and common/collective trusts are valued at market prices as determined by Fidelity, the Custodian, which represents the net asset value of shares held by the Plan at the year-end. Purchases and sales of mutual funds and common/collective trusts are recorded on a settlement date basis. Mutual funds and common/collective trusts dividends are recorded when paid. Benefits and withdrawals are recorded when paid.

Corrective Distributions

Corrective distributions represent refunds due to participants for contributions made in excess of the amount allowed by Plan provisions. These amounts are generally reimbursed to the participants in the subsequent year.

Administrative Expenses

All actuarial and audit fees for the Plan are paid by the company whereas the plan administration & investment advisory fees are paid by the plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, as well as disclosures of contingent assets and liabilities. Actual result could differ from those estimates.

3. FAIR VALUE MEASUREMENTS:

Financial Accounting Standards board (“FASB”) Accounting Standards Codification (“ASC”) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or

liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1:

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2:

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the assets or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term the asset or liability.

Level 3:

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018.

Mutual funds: Valued at the quoted market prices that represent the net asset value of shares held by the Plan at year end.

Common/ collective funds: Valued at the quoted market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2025, and 2024.

	Assets at Fair Value as of December 31, 2025			
	Level 1	**Level 2**	**Level 3**	**Total**

Others	-	-	-	-
Total assets at fair value	**$ 4,981,748**	**$ 116,097**	**$ -**	**$ 5,097,845**

4. INVESTMENTS

The plan's investments are held in trust by the trustee. The plan's trust agreement requires the trustee to invest the plan's assets into various investment fund options as directed by each participant through web portal.

The following presents investments that represent 5% or more of the Plan's net assets as of December 31, 2025.

	Amount	**%**
Vanguard Tot Bnd Mkt Ind- Adm	1,055,984	19%
Fid 500 Ind	650,964	12%
Vanguard Federal MM INV	568,069	10%
Vanguard Value Index Fund Admr	400,976	7%
Vanguard Growth Index Fund Adm	339,662	6%
	$ 3,015,654	

During 2025, the Plan's investments (including gains and losses on investment bought and sold, as well as held during the year) appreciation (depreciation) resulted primarily from mutual funds.

5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL Regulations as any fiduciary of the Plan, any party rendering service to the plan, the company, and other certain matters. Participants' loans are also considered party-in-interest transactions. Fees paid by the plan for management services were included as a reduction of the return earned one each fund.

6. CONCENTRATION OF CREDIT RISK

In the normal course of business, all of the Plan's assets are transacted with and held by the Trustee. The plan is subject to credit risk to the extent the Trustee is unable to fulfill contractual obligations on its behalf. The company has not experienced and does not expect any loss from this arrangement.

The plan invests in various investment types. Those investments are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain mutual funds, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the Statements of Net Assets Available for Benefits.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

8. TAX STATUS

The underlying nonstandard prototype plan has received an opinion letter from Internal Revenue Service (IRS) dated March 31, 2014, stating that the form of the plan is qualified under section 401 (a) of the code and, therefore, the related trust is tax-exempt. In accordance with Revenue procedures 2006-6, the plan sponsor has determined that it is eligible to and has chosen to rely on

the current IRS prototype plan opinion letter. Once qualified, the plan is required to operate in conformity with the code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the code and, therefore, believes that the plan is qualified, and the related trust is non-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for year prior to 2017.
