INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
J.R. Balsan Inc. Group Medical Plan
Downingtown, Pennsylvania

Opinion

We have audited the financial statements of the J.R. Balsan Inc. Group Medical Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA) which comprise the statement of net assets available for benefits - modified cash basis as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits - modified cash basis of the J.R. Balsan Inc. Group Medical Plan as of December 31, 2025 and 2024, and the changes in net assets available for benefits - modified cash basis for the year ended December 31, 2025, in accordance with the modified cash basis of accounting described in Note 1.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the J.R. Balsan Inc. Group Medical Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the J.R. Balsan Inc. Group Medical Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of J.R. Balsan Inc. Group Medical Plan's internal control. Accordingly, no such opinion is expressed.

STEPHANO SLACK LLC
CERTIFIED PUBLIC ACCOUNTANTS

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about J.R. Balsan Inc. Group Medical Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4 (i) - Schedule of Assets (Held at End of Year) - modified cash basis and Schedule H, Line 4 (j) - Schedule of Reportable Transactions – modified cash basis as of and for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules - modified cash basis, we evaluated whether the supplemental schedules – modified cash basis, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules - modified cash basis is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 – Description of the Plan

The following description of the J.R. Balsan Inc. Group Medical Plan (the "Plan") provides only general information about the Plan's provisions. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan was established effective January 1, 2024 and provides health benefits to eligible employees of J.R. Balsan Inc. (the "Company") and their eligible dependents in accordance with the provisions of the Plan document. The Plan maintains a trust to hold Plan assets and has a December 31 year end. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan is a member of Veris Benefits Consortium, LLC, which operates as a health insurance consortium under which the members negotiate and establish employee welfare benefit plans for their employees. Some expenses of the health plan are paid through the Veris Benefit Trust. The employees may be required to pay for a portion of the cost of the benefit.

Benefits – The Plan provides health benefits (medical and prescription drugs) to the full-time employees and their eligible dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions – The Company and the participants' share the premiums for the self-funded medical insurance with the participants contributing based on bi-weekly payroll deductions in accordance with the provisions of the Plan.

Stop Loss Coverage – The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure of self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-Insured Benefits – Claims for self-insured benefits are processed by the Plan's third-party claims administrator under an administrative services only (ASO) arrangement. Claims are paid to or on behalf of eligible participants and their dependents through the applicable claims-processing and funding arrangements. The Plan retains ultimate responsibility for the payment of covered benefits in accordance with the Plan document.

Basis of Accounting – The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a special purpose framework other than accounting principles generally accepted in the United States of America (U.S. GAAP). Under this basis, contributions are recognized when received, and benefit payments and certain other expenses are recognized when paid rather than when incurred. Accordingly, certain assets and liabilities that would be recognized under U.S. GAAP are not reflected in the accompanying financial statements. The financial statements are not intended to present the Plan's financial position or changes in net assets available for benefits in conformity with U.S. GAAP.

NOTE 2 – Summary of Significant Accounting Policies

Use of Estimates – The preparation of financial statements in accordance with the modified cash basis of accounting requires management to make estimates and assumptions affecting certain financial statement amounts and disclosures. Significant estimates include claims incurred but not reported, which are disclosed in Note 3 but are not recognized as liabilities under the Plan's modified cash basis of accounting. Actual results could differ from those estimates.

Concentration of Credit Risk – Financial instruments that potentially subject the Plan to concentrations of credit risk consists principally of cash deposits. Accounts at the institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. As of December 31, 2025 and 2024, the balance exceeded the limit by approximately $178,000 and $211,000 respectively.

The Plan believes it mitigates the risk of holding uninsured deposits by only depositing funds with a major financial institution. The Plan has not experienced any losses in such accounts, and believes it is not exposed to any significant risk.

Payment of Benefits – Premiums are reported when paid. Premiums paid are recorded as insurance company premiums in the accompanying statement of changes in net assets available for benefits – modified cash basis.

Claim payments are recorded when paid by the third-party claims processor and recorded as self-insured benefits paid, net in the accompanying statement of changes in net assets available for benefits – modified cash basis.

Stop Loss – Premiums for stop loss insurance are included in insurance company premiums in the accompanying statement of changes in net assets available for benefits - modified cash basis. During the year ended December 31, 2025, stop loss reimbursements netted against self-insured benefits paid on the statement of changes in net assets available for benefits - modified cash basis was $159,541.

Distribution of Surplus Funds – Each year, after the annual aggregate report is completed, a member of Veris Benefits Consortium, LLC with accumulated surplus funds may elect to retain such funds for future claim needs or apply the funds as credits against future monthly funding requirements. Surplus funds represent amounts accumulated from prior policy periods and held for the benefit of the Plan.

During the year ended December 31, 2025, the Plan utilized $245,402 of accumulated surplus funds as credits against current-period monthly funding requirements. The utilization of these funds is reflected in the financial statements as surplus utilization within claim fund expense, with a corresponding amount recognized as claim fund revenue. Accordingly, the utilization of surplus funds does not affect the Plan's net claims expense or change in net assets. As of December 31, 2025, the Plan had $175,287 of accumulated surplus funds remaining and available to be applied against future monthly funding requirements.

NOTE 2 – Summary of Significant Accounting Policies (continued)

Subsequent Events – The Plan management has evaluated those events and transactions that occurred from January 1, 2026 through October 15, 2026, the date the financial statements were available to be issued. Effective May 1, 2026, the Plan transitioned from a "pay-at-max" funding arrangement to a pay-as-you-go funding arrangement under a fully wrapped plan structure. Except as noted above, no other material events or transactions have occurred during this period which would render these financial statements to be misleading.

NOTE 3 – Claims Incurred but Not Reported

Plan obligations at December 31, 2025 for claims incurred by active participants, but not reported at that date are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment. Claims incurred but not reported are estimated to be approximately $61,000 and $45,000 as of December 31, 2025 and 2024, respectively. These estimated claims obligations are not reflected as liabilities in the accompanying statements of net assets available for benefits because the Plan recognizes benefit payments when paid under its modified cash basis of accounting. There were no reportable claims payable at December 31, 2025 and 2024.

NOTE 4 – Administrative Expenses

Administrative expenses consist primarily of fees paid to third-party administrators, brokers, patient advocates, and other service providers. Certain other expenses, including professional fees, are paid directly by the Plan sponsor and are not reflected in the accompanying statement of changes in net assets available for benefits under the Plan's modified cash basis of accounting.

NOTE 5 – Tax Status

The Plan is funded through Veris Benefits Consortium, LLC. The Veris Benefits Consortium, LLC is included on the U.S. Income Tax Return for a limited liability company Form 1065 of the third-party claims administrator for the Plan. Plan management believes that the Plan is being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 6 – Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plans's participants.
