Independent Auditors' Report

To the Plan Administrator of the
Leadec Corp. 401(k) Plan
Cincinnati, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Leadec Corp. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report
(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Leadec Corp. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Leadec Corp. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Independent Auditors' Report
(Continued)

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Leadec Corp. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Leadec Corp. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of Leadec Corp. 401(k) Plan (the "Plan") have been prepared on the accrual basis using accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities, in general, are exposed to various risks such as interest rate, credit and overall market volatility risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or global conflict. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants

For reporting purposes, participant loans are classified as notes receivable from participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments

Benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with United States generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Related-Party Transactions

Certain employees of the Plan sponsor provide administrative and executive oversight services to the Plan. The Plan is not charged by the Plan sponsor for the services.

Expenses

Certain expenses and costs of the Plan were paid by the Company and, accordingly, are not reflected in the Plan's financial statements. Certain investment related expenses are included in net appreciation in fair value of investments.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2026, which is the date the financial statements were available to be issued

Effective January 1, 2026, the adoption agreement was restated. Participants will be allowed to make after-tax contributions to the Plan up to the maximum allowed limit as defined by the Plan, and the Plan will auto-enroll eligible employees at a 3% deferral rate instead of the previous 1% deferral rate.

NOTE 2 DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Effective September 2, 2003, Leadec Corp. (the Company) adopted the Plan for the benefit of eligible employees of the Company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is also subject to various Collective Bargaining Agreements. Union employees, and such other employees who are expected to become part of a bargaining unit within 12 months of hire as designated by the employer, must have attained the age of 18 and completed two months of service in order to enter the Plan, and must complete twelve months of service in order to be eligible for employer contributions. Non-union employees of the Company must have attained the age of 18 and completed two months of service in order to enter the Plan, and must complete three months of service in order to be eligible for employer contributions. Eligible employees can enter the Plan on the first day of each quarter.

Effective January 1, 2025, ADP Retirement Trust Services, LLC replaced Reliance Trust Company as the trustee of the Plan.

Contributions

Each year, participants may contribute pretax contributions to the Plan up to 60% of their eligible annual compensation, as defined in the Plan. However, contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended ($23,500 at December 31, 2025). Section 414(v) of the Internal Revenue Code of 1986 as amended allows a maximum catch-up contribution of $7,500. In addition, participants ages 60 through 63 are eligible to make enhanced catch-up contributions of up to $11,250 for 2025 pursuant to SECURE 2.0 provisions. Participants may also contribute amounts representing distributions from other qualified plans.

Participants designate the percentage of their total contribution to be invested in any of the Plan's investment funds. A participant may change the amount of their elective deferred contributions at any time during the year by issuing a change request form to the Plan Administrator. Participants may change the percentage of contributions invested in each account and may make transfers between accounts anytime during the year.

During 2025, the Plan's automatic enrollment feature provided for automatic elective deferrals of 1% of eligible compensation for newly eligible participants, unless a participant elected a different deferral percentage or declined participation in the Plan.

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (continued)

The Company makes a matching contribution to the Plan on behalf of each participant who makes pretax contributions. During 2025, eligible non-union employees received a Company match equal to 55% of the participant's contribution up to 5% of their total compensation. Eligible Ford Union-Employees received a Company match equal to 60% of the participant's contribution up to 4% of their total compensation. They also received a fixed profit-sharing contribution in the amount of $416 for full-time employees and $208 for part-time employees.

The Company may also make additional discretionary employer contributions to the Plan to those participants employed on the last day of the contribution period. There were no additional discretionary employer contributions for 2025.

Rollover Contributions

Participants may roll over their taxable portion of funds previously held for their account in another employee benefit plan to the Plan on a tax-free basis.

Participant Accounts

Each participant's account is credited with the participant's and Company's contributions and a pro-rata allocation of the Plan's earnings and expenses. The pro-rata allocation is based upon each participant's earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in all of their accounts.

Notes Receivable from Participants

Participants may borrow from their investment account a minimum of $500 up to the lesser of $50,000 or 50% of their vested account balance. Participants may have only one note outstanding at any given time. Note repayment terms are not to exceed 5 years unless utilized for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear interest at rates determined by the Plan Administrator taking into consideration rates being charged on similar commercial loans. Principal and interest are paid ratably through weekly or bi-weekly payroll deductions; however, lump sum payoffs are permitted.

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

On termination of service due to retirement, death, disability, other termination of employment with Leadec Corp., or termination of the Plan, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants with a vested account balance of $5,000 or less will automatically be distributed as a lump-sum if a direct rollover is not requested in writing within 30 days.

Upon termination of the Plan, the assets will be distributed to participants in accordance with the Plan's provisions and existing laws and regulations.

In-service distributions are permissible from the Plan for participants that have obtained the age of 59 1/2. Participants electing in-service distributions may elect to receive all or a portion of their vested benefits in a lump-sum payment or annual installments.

In conditions of "financial hardship", as defined, a participant may apply to the Plan Administrator for approval to withdraw a portion of their 401(k) retirement account necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code.

Unallocated Plan Balance

The unallocated Plan balance can be used by the Plan sponsor to pay administrative expenses under the Plan, and then to reduce future employer contributions. As of December 31, 2025 and 2024, the unallocated Plan balance was $56,547 and $36,074, respectively. During 2025, $5,202 were used to offset administrative expenses and no funds were used to offset employer contributions.

NOTE 3 TAX STATUS

The Internal Revenue Service has determined and informed the Company by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable section of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 4 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 5 ADMINISTRATIVE EXPENSES

Administrative expenses represent the cost of accounting and administrative services provided to the Plan by ADP Retirement Trust Services, LLC.

NOTE 7 INFORMATION CERTIFIED BY QUALIFIED INSTITUTIONS

The following information provided by ADP Retirement Trust Services, LLC, the trustee of the Plan, for the year ended December 31, 2025 and by Reliance Trust Company for the year end December 31 2024, was certified by them to be complete and accurate with respect to the following:

1. The investments held as of December 31, 2025 and 2024 as well as the transactions involving these investments for the year ended December 31, 2025.
2. The amount of investment income for the year ended December 31, 2025.

NOTE 8 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The hierarchy is broken down into three levels based on the ability to observe inputs as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access (Mutual funds, common stocks, corporate bonds, US government securities, etc.).

NOTE 8 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2025 and 2024.

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Plan at year end.

Collective investment trust: Valued at the net asset value calculated by the fund manager based on underlying investments. Certain events outside the normal operations of the trust could result in restrictions or adjustments affecting the Plan's ability to transact in the collective investment trust at fair value. Specifically, any event outside the normal operation of the trust which causes a withdrawal from the investment contract may result in a negative market value adjustment with respect to such withdrawal. Examples of such events include plant closings, layoffs, plan termination, bankruptcy or reorganization, merger, early retirement incentive programs, tax disqualification of a trust or other events. As of December 31, 2025, the occurrence of an event outside the normal operation of the trust which would cause a withdrawal from the investment contract is not considered probable.

The Plan invests in the Invesco Stable Asset Fund which is a collective investment trust. Collective investment trusts are investment funds formed by pooling of investments by institutional investors, such as a group of not necessarily affiliated pension or retirement plans, typically with the intention of achieving cost savings over similar investment options such as mutual funds. Collective investment trusts are similar to mutual funds, with a named investment manager and documented investment objective. These investments, however, are not registered with the SEC (unlike mutual funds, which are registered) and participation is not open to the public. The NAV is measured by the custodian or investment manager as of the close of regular daily trading. These investments are classified within Level 2 of the fair value hierarchy. In certain instances, NAVs may require adjustments to more appropriately reflect the fair value. No adjustments to NAVs were required in 2025 and 2024.

NOTE 8 FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different approaches or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:
