INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
The Stephens Group, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Stephens Group, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Stephens Group, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Stephens Group, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Stephens Group, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Stephens Group, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Stephens Group, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE STEPHENS GROUP, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2025 AND 2024

Note 1: Description of Plan

The following description of The Stephens Group, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution employee benefit plan sponsored by The Stephens Group, LLC Inc. and affiliated employers: Stephens Group Asset Management, LLC., Bear Slough, LLC., Blue Springs Plantation, LLC., EASC Employment, LLC., Wildcat Properties, LLC., and W & J Timberlands, LLC (the "Employer"). There are no age or service requirements for employees to meet in order to enter the Plan. The Plan contains the provisions of a 401(k) arrangement, whereby employees may contribute a portion of their compensation to the Plan.

Effective January 1, 2024, The Setting Every Community Up for Retirement Enhancement (SECURE) Act extended eligibility for participation in 401(k) plans to certain long-term part-time (LTPT) employees. LTPT employees must have three consecutive years of eligible service beginning in 2021 in order to make deferral contributions into the Plan. As of January 1, 2025, the eligible service period was reduced to two consecutive years. Eligible service is defined as at least 500 hours of service for each 12-month eligibility period. The eligibility service window applies for plan years beginning after December 31, 2022, and excludes service before that. The Plan Sponsor may still require the employee to satisfy any minimum age requirements, and can also decide whether LTPT employees will receive any portion of employer contributions. Because there are no age or service requirements to participate in the plan, this provision did not impact eligibility of employees.

Effective July 1, 2024, the Plan custodian and recordkeeper was changed from John Hancock Trust company, LLC to Empower Trust Company, LLC.

Plan Amendments

On November 14, 2024, the Plan document was amended to implement a qualified non-elective contribution of no less than 3% of employee compensation for Stephens Group Asset Management, LLC employees effective beginning with the plan year ending December 31, 2024.

On December 1, 2025, the Plan document was amended to allow participant loans from the Plan. Participants may borrow from their account a minimum of $1,000, up to a maximum equal to the lesser of $50,000 or 50% of their vested balance. As of December 31, 2025, no participant loans have been taken from the Plan.

Contributions

Participants may contribute up to 30% of their annual compensation not to exceed the limit set by the Internal Revenue Code, which was $23,500 and $23,000 in 2025 and 2024, respectively. The plan allows both pre-tax and Roth contributions. Participants are automatically enrolled at 2% of eligible compensation provided they have not elected out of participating. Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions of up to an additional $7,500 in 2025 and 2024. Effective January 1, 2025, a higher catch-up contribution limit applies to employees aged 60 - 63 under the SECURE Act 2.0. For 2025, the higher catch-up contribution limit is $11,250. Compensation is defined as Code §3401(a) wages (wages for withholding purposes), excluding compensation paid by an affiliated employer that has not adopted this Plan.

A plan participant will qualify to receive an allocation of any discretionary employer matching contributions by completing one year of service and being employed on the last day of the plan year. The discretionary match is calculated as 50% of employee contributions up to 6% of employee compensation with a 3% maximum match. Employees of Stephens Group Asset Management, LLC received a safe harbor nonelective contribution of 3% of each participant's compensation as permitted by the Plan. Additionally, the Employer may make a discretionary profit-sharing contribution to the Plan for participants employed on the last day of the Plan year. The Employer did not make a profit-sharing contribution during 2025 or 2024.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of a) the Employer's "safe harbor" contribution or Employer matching contribution, b) Plan earnings, and c) forfeitures of terminated participants' non-vested accounts. Participants' accounts will also be charged with an allocation of the Plan's administrative expenses. Allocations are based on account balances as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, employer "safe harbor" contributions, and any earnings thereon. Vesting in the portion of their account attributable to the Employer's discretionary matching contributions and profit-sharing contributions are based on each participant's years of service. A participant is 100 percent vested after five years of service. A participant will also become fully vested upon death or retirement at age 65 or older.

Administrative Expenses

Plan fees and expenses, including fees and expenses connected with the providing of administrative services by external service providers, are paid either by the Plan or the Employer, as provided by the Plan document. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of benefit payments to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net change in fair value of investments.

Investment Options

Participants may instruct the trustee, through an employee election form, on how to invest their account among funds established by the Plan administrator. The Plan currently offers 26 mutual funds, one money market account, and two common collective trust funds as investment options for participants.

Notes Receivable from Participants

Participants may borrow from their accounts at a minimum of $1,000 and a maximum equal to the lesser of $50,000 or 50 percent of the participant's vested account balance. A participant may only have one outstanding note at any time. All notes are required to be repaid within five years of the note's origination unless the note is used for the purchase of a principal residence. The full amount of any note must be secured by the participant's vested account balance. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Upon death, disability or retirement, a participant may elect to receive payments of his or her vested account balance in a lump-sum distribution installment payments or as a direct rollover to an eligible retirement plan. Upon termination of service due to other reasons, a participant may receive the value of their vested account as a lump-sum distribution.

Forfeitures

Forfeited account balances will first be used to pay Plan expenses, with any remaining forfeitures to be used to reduce Employer contributions. At December 31, 2025 and 2024, forfeited non-vested accounts totaled $26,415 and $18,511, respectively. During 2025, forfeitures of $22,606 were used to reduce Employer contributions. Forfeitures were not utilized during 2024.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenues and expenses, other than benefit payments, together with the related assets and liabilities are recorded in the accounting period to which they apply, regardless of when the cash transaction occurred.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan administrators to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2025.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated all subsequent events for potential recognition and disclosure through September 12, 2026, the date these financial statements were available to be issued.

Note 3: Plan Termination

Although it has not expressed the intent to do so, the Employer has the right to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in the Employer discretionary matching and profit-sharing contributions portion of their account. Employee contributions, employer "safe harbor" contributions and their related earnings are always 100 percent vested.

Note 4: Parties-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employee association or relatives of such person.

Empower Trust Company, LLC is the Trustee of the Plan assets. They are by definition parties-in-interest and as a result, all investment transactions were with parties-in-interest. The Plan paid administrative fees directly to Empower Trust Company, LLC of $43,508 and $12,064 for their services during 2025 and 2024, respectively. These transactions are exempt from being prohibited transactions under ERISA. The Employer pays any other fees related to the Plan's operations.

Note 5: Fair Value

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of December 31, 2025:

	Total	Level 1	Level 2	Level 3
Money Market Funds	$ 2,194,688	$ 2,194,688	$ -	$ -
Mutual Funds	26,949,009	26,949,009	-	-
Total Assets in the Fair Value Hierarchy	29,143,697	29,143,697	-	-
Investments Measured at Net Asset Value	9,962,978	-	-	-
Investments at Fair Value	$ 39,106,675	$ 29,143,697	$ -	$ -

The following table presents the Plan's hierarchy for its assets measured at fair value on a recurring basis as of December 31, 2024:

	Total	Level 1	Level 2	Level 3
Money Market Funds	$ 1,765,570	$ 1,765,570	$ -	$ -
Mutual Funds	22,775,322	22,775,322	-	-
Total Assets in the Fair Value Hierarchy	24,540,892	24,540,892	-	-
Investments Measured at Net Asset Value	8,438,930	-	-	-
Investments at Fair Value	$ 32,979,822	$ 24,540,892	$ -	$ -

Following are the valuation methodologies the Plan uses to measure financial instruments at fair value:

Money Market Funds: Valued at the net asset value of shares held by the Plan at year end.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Funds: Valued at the NAV of units of a bank collective trust. The investment in a collective trust fund is valued as a practical expedient utilizing the net asset valuation. The practical expedient is used for valuation, unless it is probable that the fund will sell a portion of the investment at an amount different from the net asset valuation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2025 and 2024, are reported in net change in fair value of investments. The Plan's investments (including realized gains and losses on investments bought, sold, and held during the year as well as unrealized appreciation (depreciation) of the investments held at the end of the year) appreciated in value by $4,847,088 and $4,566,725 in 2025 and 2024, respectively.

Fair Value of Investments in Entities that use NAV

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2025 and 2024, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2025	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
State Street Global Advisors S&P 500 Index	$9,624,392	N/A	Daily	N/A
State Street Global Advisors US Inflation Protected Bond Index	$338,586	N/A	Daily	N/A

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
State Street Global Advisors S&P 500 Index	$8,100,867	N/A	Daily	N/A
State Street Global Advisors US Inflation Protected Bond Index	$338,063	N/A	Daily	N/A

Note 6: Income Tax Status

The IRS has determined and informed the Employer by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

Note 7: Information Prepared and Certified by Custodian and Trustee

The amounts set forth in the accompanying financial statements for investments and investment income and the information shown in the supplemental schedules were summarized from information furnished by John Hancock Trust Company, LLC and Empower Trust Company, LLC. The Plan administrator received from the custodians and trustees a certification that information furnished is complete and accurate. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the information certified as complete and accurate by John Hancock Trust Company, LLC and Empower Trust Company, LLC was not subjected to any audit procedures except for comparing the information with the related information included in the financial statements and supplemental schedules.

Note 8: Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9: Reconciliation with Form 5500

Certain amounts reported in the Plan's annual Form 5500 for changes in net assets available for benefits are different from the amounts in the accompanying financial statements. These differences are due to the financial statements being prepared on the accrual basis of accounting and the Form 5500 being prepared on the cash basis of accounting.

The following is a reconciliation of net assets available for benefits per the financial statements for the year ended December 31, 2025 and 2024, to Schedule H of Form 5500:

	2025	2024
Net Assets Available for Benefits per the Financial Statements	$ 39,553,411	$ 33,410,784
Employer Contributions Receivable	(446,736)	(430,962)
Net Assets Available for Benefits per Schedule H to the Form 5500	$ 39,106,675	$ 32,979,822

The following is a reconciliation of employer and employee contributions per the financial statements for the year ended December 31, 2025, to Schedule H of Form 5500:

Contributions per the Financial Statements	$ 2,069,635
Less: Employer Contributions Receivable at December 31, 2025	(446,736)
Plus: Employer Contributions Receivable at December 31, 2024	430,962
