401(k) Plan Committee
RateGain Technologies, Inc. 401(k) Savings Plan
105 Decker Court, Suite 540
Irving, Texas 75062

Attention: Mr. Chandra Singh, Committee Member, Plan Administrator and
Senior Director, Finance

This letter is to inform the 401(k) Plan Committee of RateGain Technologies, Inc. 401(k) Savings Plan (the Plan) about significant matters related to the conduct of our audit as of and for the year ended December 31, 2025, so that it can appropriately discharge its oversight responsibility and we comply with our professional responsibilities.

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication With Those Charged With Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities With Regard to the Financial Statement Audit

Our responsibility under GAAS has been described to you in our arrangement letter dated May 7, 2026. The audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated May 7, 2026, regarding the planned scope and timing of our audit and identified significant risks.

Significant Accounting Practices, Including Policies, Estimates, and Disclosures

Matters to Monitor

The following is a list of the matters which you may wish to monitor for your oversight responsibilities of the financial reporting process:

> The general rule for deposits of employee contributions and loan repayments to a 401(k) plan requires that the employer remit the withholdings by the earliest date on which contributions can be reasonably segregated from its general assets. Further, the employer is required to pay excise tax and interest on late remittances. The Department of Labor considers late deposits to be nonexempt prohibited transactions. During our audit, we noted that employee contributions and loan repayments were remitted to the Plan between 1 and 14 days after the payroll date. However, management has determined that a reasonable time frame for the deferrals to be segregated and deposited into the Plan is 5 days. Therefore, management has reported contributions made more than 5 days after the payroll date as late remittances on the Form 5500 and also in the audited financial statements. The employer will remit interest on the late deposits and pay applicable excise taxes.

Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.

Significant Accounting Policies

We identified the following significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus and the effects of those policies:

> As part of our audit, we considered the Plan's accounting for investments in collective investment trusts (CITs), including its use of NAV as a practical expedient. The applicable accounting guidance requires consideration of whether an investment has a readily determinable fair value and provides that fair value is readily determinable for certain investments when the fair value per share or unit is determined and published and is the basis for current transactions. The guidance does not specifically define "published," and diversity in practice exists regarding application of this criterion to CITs when investee-reported NAV is publicly disseminated.

Significant Unusual Transactions

We did not identify any significant unusual transactions.

Audit Adjustments and Uncorrected Misstatements

There were no audit adjustments made to the original trial balance presented to us to begin our audit, and we are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

Form 5500 Filing

GAAS requires that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's

audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements.

ERISA Required Supplemental Information

We subjected the information included in the ERISA required supplemental information, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA required supplemental information, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA required supplemental information are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental information agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include another matter paragraph in our auditor's report for the ERISA required supplemental schedules. We did not identify inconsistencies with the audited financial statements or with the certified investment information.

Reportable Findings

In planning and performing the audit, we considered plan provisions relevant to designing audit procedures for the purpose of expressing our opinion on the Plan's financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions. Our audit was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or other specified criteria that might be considered reportable findings.

A reportable finding is one or more of the following:

- A matter that is identified as an instance of noncompliance or suspected noncompliance with laws or regulations
- A finding arising from the audit that is significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process
- A deficiency in internal control identified during the audit that has not been communicated to management by other parties that is of sufficient importance to merit management's attention

We are required to communicate reportable findings from the audit procedures performed relating to the plan provisions to those charged with governance, in writing. We have included reportable findings that resulted in internal control deficiencies in the written communication for internal control matters dated October 13, 2026.

Internal Control Matters

We have issued a separate communication dated October 13, 2026, regarding certain deficiencies in internal control that we identified during the planning or performance of our audit of the financial statements. Attached is a copy of this letter.

Disagreements With Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultation With Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed or Subject to Correspondence with Management

No significant issues arising from the audit were discussed with or the subject of correspondence with management.

Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

Shared Responsibilities: AICPA Independence

The AICPA regularly emphasizes that auditor independence is a **joint responsibility** and is managed most effectively when management, audit committees (or their equivalents), and audit firms work together in considering compliance with American Institute of Certified Public Accountants (AICPA) independence rules. For HoganTaylor LLP to fulfill its professional responsibility to maintain and monitor independence, management, those charged with governance, and HoganTaylor LLP each play an important role.

Our Responsibilities

- AICPA rules require independence both of mind and in appearance when providing audit and other attestation services. HoganTaylor LLP is to ensure that the AICPA's General Requirements for performing nonattest services are adhered to and included in all letters of engagement.
- Maintain a system of quality management over compliance with independence rules and firm policies.

Your Responsibilities

- Timely inform HoganTaylor LLP, before the effective date of transactions or other business changes, of the following:
  - ❖ New affiliates, directors or officers.
  - ❖ New beneficial owners of the Plan Sponsor's stock which have significant influence.
  - ❖ Change in corporate structure impacting affiliates such as add-on acquisitions or exits.
- Provide necessary affiliate information such as new or updated investment structure charts, as well as financial information required to perform materiality calculations needed for making affiliate determinations.

- Understand and conclude on the permissibility, prior to the Plan and its affiliates, including the Plan Sponsor, and the officers, directors or persons in a decision-making capacity, engaging in business relationships with HoganTaylor LLP.
- Not entering into relationships resulting in close family members of HoganTaylor LLP covered persons temporarily or permanently acting as an officer, director or person in an accounting or financial reporting oversight role at the Plan or Plan Sponsor.

Management Representations

Attached is a copy of the management representation letter.

Closing

We will be pleased to respond to any questions you have about the foregoing. We appreciate the opportunity to continue to be of service to the Plan.

This report is intended solely for the information and use of 401(k) Plan Committee and is not intended to be, and should not be, used by anyone other than this specified party.

October 13, 2026

To the Plan Administrator, the 401(k) Plan
Committee, and Management
RateGain Technologies, Inc. 401(k) Savings Plan
Irving, Texas

In planning and performing our audit of the financial statements of RateGain Technologies, Inc. 401(k) Savings Plan (the Plan) as of December 31, 2025, and for the year then ended in accordance with auditing standards generally accepted in the United States of America, we considered relevant plan provisions and the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions or on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the Plan's compliance with plan provisions or on the effectiveness of the Plan's internal control.

Our consideration of relevant plan provisions and internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or deficiencies in internal control that might be material weaknesses or significant deficiencies. Therefore, instances that the Plan is not operating in accordance with plan provisions or deficiencies in internal control, including material weaknesses or significant deficiencies, may exist that were not identified.

Instances where the Plan is not operating in accordance with plan provisions may be indicative of a deficiency in internal control. A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met.

A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

We consider the following deficiency in the Plan's internal control to be a significant deficiency:

Delinquent Participant Contributions and Loan Repayments

Upon conducting our audit procedures, we identified various instances of employee contributions and loan repayments being remitted to the Plan outside of the Plan's established timely remittance policy.

Management should adhere to procedures to ensure timely remittance of employee contributions and loan repayments to the Plan. Management should consider reviewing and enhancing internal controls related to the remittance of Plan contributions and loan repayments to ensure timely compliance with ERISA regulations and the Plan's established remittance policy.

Following are descriptions of other identified deficiencies in internal control that we determined did not constitute significant deficiencies or material weaknesses:

Incorrect Participant Investment Election

As part of the transfer of plan assets and participant accounts to the new recordkeeper and custodian, one participant's investment election was not correctly made in the new system. As a result, contributions for one pay period were made erroneously to the incorrect investment option. Upon discovery of the error, the recordkeeper transferred the contributions and earnings made to the incorrect investment to the correct investment option.

Missed Deferral Opportunity

Management did not properly withhold employee pre-tax deferrals from one participant's eligible compensation for 6 pay periods during 2025. Management promptly corrected this participant's deferrals during 2025 upon discovery of the error.

This communication is intended solely for the information and use of the Plan administrator, the 401(k) Plan Committee, management and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

This representation letter is provided in connection with your audit of the financial statements of RateGain Technologies, Inc. 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), sponsored by RateGain Technologies, Inc. (the Plan Sponsor). The Plan's financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024; the related statement of changes in net assets available for benefits for the year ended December 31, 2025; and the related notes to the financial statements.

We elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified investment information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves, that as of the date of this letter:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 7, 2026, for the preparation and fair presentation of the financial statements referred to above in accordance with U.S. GAAP.

2. We acknowledge our responsibility for administering the Plan and determining the Plan's transaction that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

3. We acknowledge our responsibility for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

4. We acknowledge our responsibility for the design, implementation and maintenance of controls to prevent and detect fraud.

5. The methods, data, and significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement or disclosure that is reasonable in the context of U.S. GAAP, and reflect our judgment based on our knowledge and experience about past and current events, and our assumptions about conditions we expect to exist and courses of action we expect to take.

6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC Topic 820.

   We are responsible for making the determination of whether investments measured at net asset value per share (or its equivalent) as a practical expedient to measure fair value as of the Plan's measurement date is appropriate pursuant to ASU 2015-10. We have evaluated and determined that the investments measured at net asset value per share (or its equivalent) qualify for the practical expedient, and do not have a readily determinable fair value, and thus have been properly removed from the fair value hierarchy table pursuant to ASU 2015-07.

   Our valuation methodologies have been consistently applied from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

7. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.

8. Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed.

10. We have no knowledge of actual or possible litigation and claims which should be accounted for and disclosed in accordance with U.S. GAAP.

11. We have no intention to terminate the Plan.

12. We have properly reported and disclosed amendments to the Plan instrument, if any.

    a. We believe such supplemental information, including its form and content, is presented in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

    b. The methods of measurement or presentation have not changed from those used in the prior period.

    c. The following are underlying significant assumptions or interpretations regarding the measurement or presentation of such information:

    d. We will only present the ERISA-required supplemental information together with the audited financial statements and auditor's report thereon and will not separate the ERISA-required supplemental information from the audited financial statements and auditor's report thereon in any document that contains such information.
