A PROUD MEMBER OF AICPA Employee Benefit Plan Audit Quality Center

October 6, 2026

Julie Pham
Coast Sign Inc. 401k Plan
1500 W Embassy St.
Anaheim, CA 92802

Audit Committee of Coast Sign Inc. 401k Plan and/or those charged with plan governance:

We completed our audit of the financial statements of Coast Sign Inc. 401k Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA) as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2025, the Statement of Changes in Net Assets Available for Benefits for the Year Ended December 31, 2025, and the related notes to the financial statements. As part of our audit, we reported on the supplemental schedules required by the Department of Labor's (DOL's) rules and regulations for reporting and disclosure under ERISA for the year ended December 31, 2025, in accordance with auditing standards generally accepted in the United States of America (GAAS). These schedules are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The financial statements and ERISA-required supplemental schedules are included in the Plan's Form 5500 filing with the Employee Benefit's Security Administration of the DOL.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Our audit of the financial statements was conducted in accordance with auditing standards generally accepted in the United States of America. Except as described above regarding ERISA 103(a)(3)(C), our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We have previously communicated information about our responsibilities under GAAS as well as certain information related to the planned scope and timing of our audit. The following comments summarize the results and findings from our audit:

Significant Findings from the Audit

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the plan year. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. At year-end, management reviewed its investment portfolio for declines in market value below cost which were considered to be other-than-temporary. There were no impairment losses noted during the plan year. No other material subjective accounting estimates are included in the financial statements.

We concurred with management's conclusions of use of accounting policies and estimates.

Certain financial statement disclosures are particularly sensitive because of their significance to the user of the financial statements. The following financial statement disclosures are pertinent to the aspects of the plan's significant accounting practices, including accounting policies and estimates.

Note 2 – Significant Accounting Policies

Note 3 – Risks and Uncertainties
Note 4 – Fair Value Measurement

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Disagreements with Management

There were no disagreements with management about auditing, accounting, or disclosure matters. Management has advised us there were no consultations by management with other accountants regarding any of the matters mentioned above.

Uncorrected Misstatements

Professional standards require us to accumulate all uncorrected misstatements during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no individually material uncorrected misstatements or material in the aggregate from the current period that affect the opinion of our report. There were no uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole.

Corrected Misstatements

There were no material, corrected misstatements brought to the attention of management by us as a result of audit procedures.

Management Representations

Please refer to the management representation letter.

Other Audit Findings, Issues, or Significant Difficulties Encountered During the Audit

We will provide a separate letter to you communicating findings identified during the audit.

We are pleased to report that we encountered no significant difficulties with management in performing and completing our audit. Management has fully cooperated with us; the account schedules and analyses provided were appropriately and timely prepared.

This letter is intended solely for the audit committee and management's information and use. This letter is not intended to be and should not be used by anyone other than these specified parties.
