Independent Auditors' Report

To the Plan Administrator
401(k) Plan
Los Angeles, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of December 31, 2023, and the supplemental Schedule H, Line 4a, Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Year Ended December 31, 2023

Note 1 – Description of Plan

The following description of the 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by NewGen Operations Management LLC ("NewGen"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. NewGen is the Plan administrator. Principal Trust Company ("Principal") is the trustee of the Plan's trust. The Administrative Committee of the Plan oversees governance of the Plan.

The Plan qualifies as a "multiple-employer" plan and allows other employers ("Participating Employers") to participate in the Plan, as NewGen deems appropriate. All Participating Employers must adopt the Plan as written, including but not limited to using the same trustee. NewGen and all Participating Employers are collectively referred to as the "Company." The Plan is accounted for and presented as a multiple-employer plan. Plan assets are available to pay benefits to all participants of the Plan. Participation by an employer is subject to the adoption procedures described in the Plan document; an employer may cease participation in accordance with the Plan's withdrawal provisions. Contributions, investment income (loss), and administrative expenses are allocated to participants' accounts pursuant to the terms of the Plan. As of December 31, 2023, 51 Participating Employers had adopted the Plan.

Contributions

Each year, participants may contribute up to 75% of annual compensation (100% after age 50), as defined in the Plan document, on a pre-tax basis, as Roth contributions, or both, subject to limitations under the Internal Revenue Code ("IRC"). In 2023, combined pre-tax and Roth elective deferrals were subject to a limitation of $22,500, plus a catch-up contribution of $7,500 for participants age 50 or older. Participants may also contribute amounts representing distributions from other qualified plans and certain IRAs (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

NewGen and Participating Employers may make discretionary contributions at the option of their Board of Directors. For the year ended December 31, 2023, there were no employer discretionary contributions.

Participant accounts

Individual accounts are maintained for each participant in the Plan. Each participant's account is credited with the participant's contributions and the Company's discretionary contributions, if any, as well as allocations of Plan earnings and allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are vested in Company discretionary contributions 20% per year after two years of vesting service and are 100% vested after six years of vesting service.

Investment options

The Plan offers various investment options, consisting of common/collective trusts managed by Great Gray Trust Company, a stable value common/collective trust managed by Principal, and a registered investment company, which are made available to participants through Principal. Upon enrollment in the Plan, participants may direct their contributions in any of the investment options offered at the time. Participants may change their investment options daily. Participants should refer to the investment literature provided by the Company for a complete description of the investment options and for the detailed composition of each investment fund.

Notes receivable from participants

Participants may borrow from their accounts in amounts ranging from $1,000 to $50,000, but not in excess of 50% of their vested account balance. The loans are secured by the balance in the participant's account. Loan terms generally range from one to five years or up to 10 years for the purchase of a primary residence and are repayable ratably through payroll deductions. At December 31, 2023, interest on notes receivable from participants ranged from 3.25% to 9.50% per annum, with maturities through October 2038.

Payment of benefits

Upon termination of service due to death, disability, retirement, or termination of employment, participants may elect to receive the vested interest of their accounts in the form of a single-sum cash payment, or a direct rollover to an individual retirement account or another employer plan. In-service distributions are available to employees who have attained age 59 ½. Hardship withdrawals are also available.

Note 2 – Summary of Accounting Policies

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates

The preparation of financial statements requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Significant estimates include the fair value of certain investments. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for additional discussion and disclosures related to fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. At December 31, 2023 and 2022, there was no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Payment of benefits

Benefits are recorded when paid in accordance with ERISA reporting requirements.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Transfer of assets into the Plan

Effective with the close of business on December 31, 2022, the participation agreements of BQ Operations Holdings LLC and Meshuga Operations Holdings, LLC in the Genesis Administrative Services 401(k) Plan #2 (the "Genesis Plan") were terminated, and both companies became Participating Employers in the Plan. Effective April 10, 2023, the assets and liabilities of the Genesis Plan attributable to the participants of these two companies, totaling $12,683,162, were transferred to the trust of the Plan in a trust-to-trust transfer. The transferred assets included notes receivable from participants of $420,571. The transfer is included in transfers of assets into the Plan in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2023.

Note 3 – Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). ASC 820 provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are defined as follows:

Level 1 – Unadjusted quoted prices in active markets for identical assets that the Plan has the ability to access at the measurement date.

Level 2 – Quoted prices other than those included in Level 1 that are observable either directly or indirectly. Level 2 inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or that can be corroborated by observable market data for substantially the full term of the financial instrument.

Level 3 – Inputs are unobservable and significant to the fair value measurement. Unobservable inputs reflect the Plan's own judgments about assumptions that market participants would use in pricing the asset or liability.

The following are descriptions of the valuation methods and assumptions used for investments of the Plan. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Mutual funds are valued at the daily closing price as reported on the active market on which the individual funds are traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trusts: Common/collective trusts are valued at the Net Asset Value ("NAV") as provided by the administrators of the funds. The NAV is used as the practical expedient to estimate fair value. The NAV is based on the value of the underlying assets of the fund, less liabilities, and then divided by the number of units outstanding. The common/collective trusts had no unfunded commitments as of December 31, 2023 and 2022. Participant-directed redemptions may be made on a daily basis with no redemption notice period. For the Principal Stable Value Z Fund, Plan-level withdrawals initiated by the Plan sponsor require advance written notice, although Principal may waive the notice period at its discretion. Purchases and sales may occur daily within these accounts.

During the year ended December 31, 2023, there were no transfers of assets between Levels 1, 2 and 3. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value at December 31, 2023

	Level 1	Level 2	Level 3	NAV (a)	Total
Mutual funds	$ 26,656	$ -	$ -	$ -	$ 26,656
Common/collective trusts	-	-	-	14,999,592	14,999,592
Total Investments at fair value	$ 26,656	$ -	$ -	$ 14,999,592	$ 15,026,248

Assets at Fair Value at December 31, 2022

	Level 1	Level 2	Level 3	NAV (a)	Total
Mutual funds	$ -	$ -	$ -	$ -	$ -
Common/collective trusts	-	-	-	128,750	128,750
Total Investments at fair value	$ -	$ -	$ -	$ 128,750	$ 128,750

(a) The investments in common/collective trusts are measured at fair value using the net asset value (NAV) per share (or its equivalent) practical expedient and have not been categorized in the fair value hierarchy (Level 1, 2, or 3). The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Note 4 – Certified Investment Information

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company, the trustee of the Plan.

Note 5 – Related Party and Party-In-Interest Transactions

Principal Trust Company is the trustee of the Plan, and Principal Life Insurance Company provides recordkeeping and contract administration services to the Plan. Therefore, Principal Trust Company and Principal Life Insurance Company are parties-in-interest. Fees paid by the Plan to Principal Life Insurance Company for these services totaled $48,572 for the year ended December 31, 2023, and are included in administrative expenses in the accompanying statement of changes in net assets available for benefits. Certain Plan investments are units of the Principal Stable Value Z Fund, a common/collective trust managed by Principal Trust Company, the trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions.

Notes receivable from participants also qualify as party-in-interest transactions. Additionally, NewGen provides certain accounting and administrative services to the Plan for which no fees are charged. As NewGen is the Plan sponsor, these transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, NewGen has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions, if any.

Note 7 – Tax Status

The Plan was adopted January 1, 2022, and currently operates under a pre-approved plan offered by Principal, which received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020. Although the Plan has been amended since the date of the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions

taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

Note 8 – Risks and Uncertainties

The Plan invests in various investments. Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

At December 31, 2023, the Plan had three investments which exceeded 10% of total investments: MyWay Rtmt Idx 2025 Fund – 19.5%, MyWay Rtmt Idx 2035 Fund – 16.8%, and MyWay Rtmt Idx 2040 Fund – 10.5%. At December 31, 2022, the Plan had three investments which exceeded 10% of total investments: MyWay Rtmt Idx 2025 Fund – 55.8%, MyWay Rtmt Idx 2035 Fund – 17.1%, and MyWay Rtmt Idx 2045 Fund – 10.3%.

At December 31, 2023, two Participating Employers represented approximately 28% of total Plan assets (15% and 13%, respectively). No other single Participating Employer represented more than 10% of total Plan assets. For the year ended December 31, 2023, two Participating Employers accounted for approximately 26% of total Plan contributions (14% and 12%, respectively). No other single Participating Employer represented more than 10% of total contributions.

Note 9 – Subsequent Events

The Plan has evaluated subsequent events through October 19, 2026, the date the financial statements were available to be issued, noting no items requiring disclosure.
