Independent Auditor's Report

To the Administrative Committee of
MamaMancini's 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of MamaMancini's 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of MamaMancini's 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the year ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MamaMancini's 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RRBB Advisors, LLC, and its subsidiary entities are not licensed CPA firms.

To the Administrative Committee of
MamaMancini's 401(k) Plan

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MamaMancini's 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MamaMancini's 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MamaMancini's 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

To the Administrative Committee of
MamaMancini's 401(k) Plan

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2025 and Schedule of Delinquent Participant Contributions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. 1. DESCRIPTION OF PLAN

The following description of the MamaMancini's 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

General

The Plan is a defined contribution plan covering all eligible employees of MamaMancini's Inc. and T&L Acquisition Corp. (collectively the "Company"). In general employees of the Company who have three months of service and are age 21 or older are eligible to participate in the plan. The Plan is subject to the provisions of ERISA.

The Company serves as the Plan's sponsor and administrator.

The Plan's recordkeeper is Automatic Data Processing, Inc. (ADP) and the trustee is ADP Retirement Trust Services, LLC.

Contributions

Participants may elect to defer up to 90% of their compensation, as defined in the Plan, through pre-tax and/or Roth contributions, subject to Internal Revenue Code limits. Eligible employees who do not make an election are automatically enrolled at a 3% pre-tax contribution rate. The automatic rate increases by 1% each Plan year, up to 5%; participants may elect a different rate or opt out. Participants may also make eligible rollover contributions. The Company may make discretionary matching and/or profit-sharing contributions, but made no such contributions during 2025. Contributions are invested among the Plan's available investment options based on participant elections

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's contribution, if any, and (b) Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant receives 20% vesting for each year of credited service starting in year two and is 100% vested after six years.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $500 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 2 percent above the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

If a participant ceases to make note repayments and the plan administrator deems the participant note to be a distribution for tax purposes, the participant note balance remains in notes receivable until a distributable event occurs, at which time the balance is reduced and a benefit distribution is recorded. No allowance for credit losses has been recorded as of December 31, 2025 or December 31, 2024.

1. DESCRIPTION OF PLAN (continued)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant shall be entitled to receive the value in his or her account in a lump-sum amount unless the participant previously elected to receive such amount in the form of a lifetime annuity. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution, if the account balance is below $7,000.

Forfeited Accounts

Forfeited amounts, if any, and earnings thereon, are available to reduce future employer contributions and to pay Plan expenses. Plan assets include unallocated forfeitures of $0 at December 31, 2025 and December 31, 2024, respectively. Amounts forfeited during the years ended December 31, 2025 and 2024 were $0, respectively.

Investments

The Plan offers participants a selection of investment options, including mutual funds and a common collective trust, in which participants may invest their account balances in accordance with the Plan's provisions.

The Plan's investment options are subject to various risks, including market, interest rate, and credit risks.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines valuation policies utilizing information provided by the investment advisors, custodians, and other professionals.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. See Note 4 for discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2025 or December 31, 2024, respectively.

Delinquent participant loans are reclassified as benefit distributions when a distributable event occurs in accordance with the Plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions Receivable
Participant contributions are accrued based upon subsequent employer remittance reports and cash receipts.

Payment of Benefits
Benefits are recorded when paid by the Plan.

Administrative Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Subsequent Events Evaluation Date
In accordance with FASB ASC 855-10-50, "Subsequent Events", the Plan has evaluated subsequent events and transactions through October 15, 2026, the date the financial statements were available to be issued. Refer to Footnote 11 for Subsequent Events Disclosure.

3. INVESTMENT CERTIFICATION

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2025, net appreciation/(depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2025, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by ADP Retirement Trust Services, LLC the custodian/trustee of the Plan for the period from January 1, 2025 to December 31, 2025.

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification 820 (ASC 820), "Fair Value Measurements and Disclosures," establishes a framework for measuring fair value. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1
Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2
Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

4. FAIR VALUE MEASUREMENTS (continued)

Level 3
Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,433,194	$ -	$ -	$ 1,433,194
Investments at fair value	1,433,194	-	-	1,433,194
Investments measured at NAV as a practical expedient:				
Common collective Trust				51,345
Total investments at fair value				1,484,539

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 790,761	$ -	$ -	$ 790,761
Investments at fair value	790,761	-	-	790,761
Investments measured at NAV as a practical expedient:				
Common collective Trust				58,902
Total investments at fair value				849,663

Transfers Between Levels - The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

We evaluate the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2025 and 2024, there were no significant transfers in or out of levels 1, 2, or 3.

5. INVESTMENT IN INVESCO STABLE ASSET FUND

The Plan invests in the Invesco Stable Asset Fund — ADPZ Class, a common collective trust managed by Invesco Trust Company. The Fund's investment objective is to preserve principal and provide interest income consistent with prevailing market conditions while maintaining liquidity.

The Fund invests in a portfolio of fixed-income investments and may use investment contracts to help manage the risk of market fluctuations. The Plan's investment is reported at fair value based on the unit value provided by the Fund, in accordance with the applicable accounting guidance.

The Fund is subject to investment risks, including interest-rate risk, credit risk, and the risk that the market value of its underlying investments may fluctuate.

The Plan's investment in the Invesco Stable Asset Fund is a common collective trust and is valued using the net asset value (NAV) per unit provided by the trustee. NAV is used as a practical expedient to estimate fair value in accordance with ASC 820.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

No related party transactions or party-in-interest transactions have occurred that are prohibited by ERISA regulations. ADP provides recordkeeping services for the Plan. Fees are paid by the Plan for trustee, investment management and recordkeeping services to these entities.

Certain officers and employees of the Plan's sponsor, who are also participants of the Plan, perform administrative functions at no cost to the Plan.

These transactions are not deemed prohibited party-in-interest transactions because they are covered by statutory or administrative exemptions from the IRC and ERISA's rules on prohibited transactions.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. TAX STATUS

The underlying non-standardized pre-approved plan has received an opinion letter from the IRS dated October 6, 2020, stating that the form of the plan is in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and therefore believes the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. RECONCILIATION OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements:

	December 31

11. SUBSEQUENT EVENTS
