INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators
DHSE, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the DHSE, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the DHSE, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2025, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the DHSE, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DHSE, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the DHSE, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the DHSE, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of the Plan and Significant Accounting Policies:

The following description of the DHSE 401k Plan ("Plan") is provided for general information purposes only. Reference should be made to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution savings plan under Section 401(k) of the Internal Revenue Code, which covers all full-time non-union employees of DHSE, Inc. ("Company"). Participants must be over 21 years of age and have completed 3 months of service. Eligible employees will be automatically enrolled into the Plan with an initial elective contribution rate of 1%. The Participant entry date is the first day of each month on or after the date the participant becomes an eligible employee. The Plan also allows Roth 401(k) contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants: Participants may contribute up to 90 percent of their salaries to the Plan, up to the Internal Revenue Service ("IRS") annual maximum limit of $23,500 for 2025. The Plan also allows participants age 50 and older an additional "catch-up" contribution up to the IRS annual maximum limit of $7,500.

Employer: The Company may make discretionary contributions to the plan. During the years ended December 31, 2025, and 2024, the Company did not make any discretionary contributions to the plan.

Participant Accounts and Vesting

Each participant's account is credited with their contribution and an allocation of Plan earnings. The benefits to which a participant is entitled are the benefits that can be provided from their account. Participants are immediately vested in their voluntary contributions and contribution earnings. Vesting in the employer's matching contribution is attained ratably over five years of service (defined as 1,000 hours of service) and immediately upon death or permanent disability.

Forfeited Accounts

Forfeitures of non-vested Company contributions are used to reduce future Company contributions. At December 31, 2025, and 2024, there were no forfeitures that had not yet been applied to reduce Company contributions and no forfeitures were used to reduce Company contributions.

Payment of Benefits

Upon termination of service, participants receive the value of their account in the form of a lump-sum payout or substantially equal installments.

Participant Loans

Participants may borrow from their accounts a minimum of $500, up to a maximum of $50,000, not to exceed 50 percent of the vested interest of the participant's balance. The balance in the participant's account secures the loans. Principal and interest are paid ratably over the term of the loan through payroll deductions (not to exceed 5 years). Loan terms range from one to five years unless the loan is used for the purchase of a principal residence. The loan bears interest at the prime rate plus 2%, as determined by the plan administrator on the first day of the month the loan is originated. The rate of interest will be constant throughout the term of the loan.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

1. Description of the Plan and Significant Accounting Policies (continued):

Administrative Expenses
The Company pays most of the Plan's administrative expenses. Loan fees are paid by the participants who have outstanding loans with the Plan.

Basis of Accounting
The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition
The Plan's investments are stated at fair values reported by ADP Retirement Trust Services, LLC, the Custodian of the assets. Net appreciation and depreciation in the fair value of investments consists of the realized gain or loss on disposition of investments, plus the unrealized increase or decrease in the fair value of investments held from the beginning of the Plan year or date of purchase, whichever is later. Dividends are also included in net appreciation and are recorded on the ex-dividend date.

Receivables
Receivables are recorded for employer contributions and participant deferrals for the years ended December 31, 2025, and 2024, for amounts that are remitted to the Custodian subsequent to year end. Receivables are presented in the statement of net assets available for benefits, net of the allowance for doubtful accounts. At December 31, 2025, and 2024, there were no contributions receivable.

Excess Contributions Payable
Excess contributions payable consists of participant deferrals in excess of amounts allowed under top-heavy rules and are refunded to the participant. At December 31, 2025, and 2024, there were no excess contributions payable.

Payment of Benefits
Benefits are recorded when paid.

Use of Estimates
The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events
The Plan has evaluated subsequent events through October 12, 2026, the date on which the financial statements were available to be issued.

2. Information Certified by Plan Custodian:

The following unaudited information in the financial statements and supplemental schedule was certified to be complete and accurate by the Custodian of the Plan's assets within the meaning of 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for reporting and disclosure under ERISA:

- Amounts included as investments in the statements of net assets available for benefits at December 31, 2025, and 2024 and the supplemental schedule at December 31, 2025.
- Investment income and net appreciation in fair value of investment amounts included in the statements of changes in net assets available for benefits for the years ended December 31, 2025, and 2024.

3. Investments:

Investments that represent 5 percent or more of the fair value of the Plan's net assets are as follows at December 31, 2025, and 2024:

	2025	2024
Amercent One Choice 2060 R	$ 7,043	$ 7,530
Amercent One Choice 2045 R	9,960	
Amercent One Choice Retire R	15,105	9,920
Amercent One Choice 2050 R	16,559	14,001
Columbia Global Value R	12,152	10,028
Amercent One Choice 2030 R	18,635	13,366
Amercent One Choice 2040 R	19,627	17,130
Amercent One Choice 2035 R	10,795	10,006
Amercent One Choice 2055 R	8,197	7,846
Amercent One Choice 2025 R		11,954
Participant Loan Fund	7,942	

4. Fair Value Measurements:

The fair value measurement and disclosure topic of FASB ASC, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active market for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 — Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

4. Fair Value Measurements (continued):

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Registered investment companies and common/collective trusts*: Valued* at the net asset value (NAV) of shares held by the plan at year-end.

Participant loans: Valued at amortized cost, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2025, and 2024:

	Fair Value Measurements Using		
	Quoted Prices Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2025:			
Registered Investment Companies	$ 121,803		
Investments in common/collective trusts	-		
December 31, 2024:			
Registered Investment Companies	$ 110,975		
Investments in common/collective trusts	440		

5. Transactions with Party-in-interest:

Participant loans qualify as party-in-interest transactions.

6. Income Taxes:

The Plan is a prototype plan, which the Internal Revenue Service has determined is in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.
